?????:The Oregon Trail

"The Godswar has come to Guerdon, dividing the city between three occupying powers. While the fragile Armistice holds back the gods, other forces seek to extend their influence. Meanwhile, far across the sea, Carillon Thay travels toward the legendary land of Khebesh. But can she find what she needs when even the gods seek vengeance against her?"--Back cover.

The artworks, manuscripts, and scraps of information gathered throughout Dunwall are collected at last. It has been a long and difficult journey to archive these tales of our cursed city, but it is my hope that you, reading this now, will take heed, and learn from those gone before you to forge your own destiny. The Dunwall Archives are now yours--what will you do with them now that you know the truth in these pages?

Parallel story to Ender's game. An orphan named Bean is found on the streets of Amsterdam and taken to Battle School, where he becomes both friend and rival to Ender Wiggin.
