They're big, and they know how to hit the ball. Find out who's the pro at sportsmanship!

This Little Golden Book is based on Disney and Pixar's Luca--in theaters June 18th, 2021! Set in a beautiful seaside town on the Italian Riviera, Disney and Pixar's original feature film Luca is a coming-of-age story about one young boy experiencing an unforgettable summer filled with gelato, pasta and endless scooter rides. Luca shares these adventures with his newfound best friend, but all the fun is threatened by a deeply-held secret: they are sea monsters from another world just below the water's surface. Directed by Academy Award(R) nominee Enrico Casarosa (La Luna) and produced by Andrea Warren (Lava, Cars 3), Luca opens in theaters June 18, 2021.

This Little Golden Book retelling the film is perfect for girls and boys ages 2 to 5, as well as Disney Little Golden Book collectors of all ages!

With the help of her fairy godmother, a kitchen maid mistreated by her stepmother and stepsisters attends the palace ball where she meets the prince of her dreams.

His classic films illuminated everyone's childhood. The theme parks are on every tourist itinerary. The movie empire is one of Hollywood's biggest. Walt Disney is one of the few men

who unquestionably changed our culture. And Neal Gabler is the first author to have had complete access to the Disney Archives, enabling him to write the definitive biography of this remarkable man. Gabler charts Disney's journey from running a fledgling studio with short cartoons featuring Mickey Mouse and Donald Duck, to the reinvention of animation with full-length films like *Snow White*, *Pinocchio*, *Bambi* and *Dumbo*. Chronicling Walt's profligacy and expansionism, as well as his obsessive perfectionism when working on the briefest of sequences in *Fantasia*, Gabler describes how it was left to Walt's brother Roy to keep the business solvent. The successes speak for themselves - Disney then moved beyond animation with huge hits like *Mary Poppins*, and mixed utopianism and merchandising to conceive the world's first modern theme park, Disneyland. In addition to the towering achievements, Gabler shows the dark side of Walt Disney - ruthless towards long-serving staff, cavalier with contracts, neglectful of his family - but also the vulnerability, born of loneliness and ill health, in an admirably balanced portrait.

Go behind the scenes of some of Disney's classic films with this collection of concept art starring some of the studio's most iconic villains, including Maleficent, Cruella de Vil, Jafar, and more! From *Snow White's* jealous Evil Queen to *Moana's* glitzy Tamatoa, the Disney Villains are some of the best bad guys in movie history. Now fans can discover the story behind these unforgettable characters with this miniature collection of Disney Villain concept art. The first art book to put the spotlight squarely on the Disney Villains, this collectible volume offers fans an inside look at the visual history of the foes, antagonists, and evildoers of the Disney universe.

footsteps. Packed with lessons, anecdotes, and quotes, Jim's new book is all you need to master the Disney way.

Brer Rabbit. Uncle Remus. Song of the South. Racist? Disney thinks so. And that's why it has forbidden the theatrical re-release of its classic film Song of the South since 1986. But is the film racist? Are its themes, its characters, even its music so abominable that Disney has done us a favor by burying the movie in its infamous Vault, where the Company claims it will remain for all time? Disney historian Jim Korkis does not think so. In his newest book, *Who's Afraid of the Song of the South?*, Korkis examines the film from concept to controversy, and reveals the politics that nearly scuttled the project. Through interviews with many of the artists and animators who created Song of the South, and through his own extensive research, Korkis delivers both the definitive behind-the-scenes history of the film and a balanced analysis of its cultural impact. What else would Disney prefer you did not know? Plenty. Korkis also pulls back the curtain on such dubious chapters in Disney history as: Disney's cinematic attack on venereal disease Ward Kimball's obsession with UFOs Tim Burton's depressed stint at the Disney Studios Walt Disney's nightmares about his stomping an owl to death Wally Wood's Disneyland Memorial Orgy poster J. Edgar Hoover's hefty FBI file on Walt Disney Little Black Sunflower's animated extinction Plus 10 more forbidden tales that Disney wishes would go away. Whether you're a film buff, an armchair academic, or a Disney fan eager to peek behind Disney's magical (and tightly controlled) curtain, you'll discover lots you never knew about Disney. With a foreword by Disney Legend Floyd Norman, *Who's Afraid of the Song of the South?* is both authoritative and entertaining. Jim Korkis is the best-selling author of *Vault of Walt*, and has been researching and writing about Disney for over three decades. The Disney Company itself uses his expertise for special projects. Korkis resides in Orlando, Florida.

Celebrate the colorful world of Pixar Animation Studios in this comprehensive miniature art collection. Pixar films bring to life the hidden stories of intrepid toys, culinary rats, forgetful fish, and more. For more than three decades, a dedicated team of artists has created the beautiful concept art that eventually becomes a Pixar film.
