RUNES: The ancient and mysterious symbols of a forgotten age. It is through the Norse God of Magic, Odhin, that gods and men are able to receive the wisdom of the Runes. Odhin was the first being to be initiated into the Runic mysteries by extracting the Rune wisdom directly from the source, and it infused into his being. When the essence of the Runic knowledge merged within him, he was able to formulate the means to communicate their nature to other beings. This book is meant to be a beginners guide to using the Runes for divination purposes. However, even an experienced Runster will find beneficial information and perhaps a new way of looking at the Runes.

Runes are a tool for divination and spiritual insight. Like other forms of divination, learning how to read Runes takes time and practice. It also takes trust ... trust in your intuition and trust in your Higher Self to help bring the right messages at the time of the reading. In this book we will teach you how to read Runes for yourself, your family and friends through drawing on the traditional meanings of the Runes and connecting with your intuition. This book is devoted entirely to giving guidance on how to read Runes, giving the traditional meanings of the Runes and using images, example readings and fun exercises to help you link intuitively with the symbols. We are very excited to share this unique way of learning Runes that will help you quickly develop and heighten your Rune-reading skills. If you have always been fascinated by these magical divination stones but have struggled with understanding their meanings or if you want to deepen your Rune-reading skills, this is the book for you.

Everything you need to know to start casting powerful tarot spells and reading cards! Tarot cards are a wonderful magical tool to use for divination, but that's not all they can do! With a little magical knowledge, anyone can learn use a deck of tarot cards to talk to spirit guides, connect to their intuition, understand their feelings, detect the energies in their relationships, identify self-sabotaging issues within themselves, get guidance on decision-making, and, of course, spellcasting! In this book, we'll explore some of the more witchy, unconventional ways to use your tarot cards. When I first started learning about the tarot I discovered there were a lot of "rules". The more I worked with my tarot cards, the more I realized that a lot of these rules weren't necessary. Some of them felt more like beliefs to keep witches out of the tarot practice rather than actual guiding principles. This book will show you that you do not have to be psychic to read tarot cards, nor do you have to be psychic to be a witch. All you need to do is look at the imagery of each card, familiarize yourself with the card meanings, and then decide how they relate to your specific circumstance. Anyone can do this, and with the growing popularity of tarot, it's never been a better time to learn how to use this powerful magical tool! Here's What I'll Cover In This Book: - Overview of the Major Arcana, the Minor Arcana, and the suits. - Why you don't have to follow traditional tarot rules, myth busting within the tarot community, and a discussion on gatekeeping in witchcraft. (No, you definitely don't need to be gifted your first tarot deck!) - Answers to common tarot questions like "What do 'jumping' cards mean?", "How do I cleanse my tarot deck?", and "What if the tarot deck gives me bad news?" - Tips for performing insightful tarot readings - How to prepare your space, your cards, and yourself for a read the tarot cards intuitively - The process of choosing and arranging tarot cards for powerful spellcasting including money and love spells. - Fun, unconventional tarot spreads to try - How to use tarot to connect to your inner wisdom and manifest your deepest desires. - Suggestions for witchcraft altar setups using only tarot cards This book is short, concise, and full of actionable practices so you can start drawing cards today—even if you don't have a tarot deck yet! Everything You Need to Know to Begin Working With Runes The enigmatic nature of the runes is undeniable. In fact, the English word "rune" comes to us from the Norse word *runa*, which means "a secret," or "to whisper." As symbols, the runes mean little to the untrained eye, yet the magical energies they activate can be used for positive, impactful change in your everyday life. But what are runes, exactly? On the surface level, runes are the characters in a writing system used by the ancient Germanic peoples of Europe. But unlike our modern letters, the runic symbols had been used for magical purposes long before they were fashioned into an alphabet. This is known from runic inscriptions found on ancient artifacts as well as Germanic myth and lore handed down over the centuries. Indeed, those who work with the runes today are taking part in an age-old magical tradition established by our Northern European pagan ancestors. In *Runes for Beginners*, best-selling author Lisa Chamberlain shines the light on these ancient symbols, showing you how to discover and utilize their unique magical energies. With both an eye toward tradition and a multicultural spirit, Lisa combines an appreciation for the Germanic roots of the runes with a more eclectic Neopagan approach. Unlike many other books on the topic, *Runes for Beginners* is completely accessible to those with no experience in Northern European magical traditions, yet it doesn't ignore those traditions altogether. You will emerge from this guide with a basic understanding of the runes' role in ancient Germanic paganism, as well as a solid foundation of knowledge to build your own runic practice, regardless of your religious or spiritual path. *Foundations in Runic Magic and Divination* The runes represent various aspects of the human experience of the Universe--both tangible and intangible. Each runic symbol embodies a natural force, or type of energy, which the rune worker can attune to and then manipulate in various ways. Runes can be sent out into the Universe to manifest a magical goal, or they can be used to consult with the unseen realms about a situation at hand. In *Runes for Beginners*, you'll learn all you need to know to start working with runes, including: The history of the runes and their role within the framework of the Germanic magical worldview The origins of runic wisdom in Norse mythology An overview of the Elder Futhark, the oldest-known runic alphabet and most widely used rune system in contemporary Neopaganism Basic techniques of rune magic, including rune scripts, bind runes, and creating runic talismans How to make your own runes Instructions for traditional rune-casting as well as contemporary rune spreads Tips for successful divination The divinatory meanings and magical uses of each rune in the Elder Futhark A suggested reading list for further exploring the runes and the magical and spiritual traditions of the ancient Germanic peoples Detailed tables of correspondence for a handy condensed magical and divinatory guide By the end of this guide, you will have a working knowledge of the runes that will enable you to use them with confidence in magic and divination. However, when it comes to truly mastering the runes, the importance of time and practice can't be emphasized enough. Indeed, working with runes can truly become a lifelong journey, but *Runes for Beginners* is an excellent first step along the way. The Crystal Wisdom Kit is a fun, easy-to-use system that works a variety of levels of consciousness. It combines the unique and remarkable powers of crystals with universal symbols, and astrological insight, to provide healing and understanding. The organization of this system allows you to use the crystals the same way as Tarot cards, but instead of drawing cards you cast crystals on to one of 3 different wheels. The wheel includes symbols from a variety of sources and traditions including astrology, runes, the five elements, chakras, planets and others. The wheels are the Life Wheel used to reveal current and future trends, the Insight Wheel to clarify issues, and the Healing Wheel to bring harmony and balance into your life. This remarkable kit is ideal for beginning New Age seekers and will also appeal crystal enthusiasts. Author and clairvoyant Lilian Verner-Bonds helps budding witches and practitioners of magic tap into their intuition--and empower themselves. She explains the rich heritage associated with the art of divination and shows you how to interpret your own, and your friends', futures. A guide to over 40 divination methods ranges from the familiar--astrology, palmistry, tarot--to the more unusual, including cephalomancy (skull reading) and tea-leaf reading.

Would you like to be able to interpret the signs the universe is sending you? Do you want to know what's in store for you and your loved ones? Are you interested in the deeper meaning behind everyday events? Discover the methods for divining your future with this beginner's guide to fortune telling. Exploring the fascinating history behind divination techniques, and providing practical advice for trying them yourself, this book will teach you how to decipher the signs in the world around you. A complete beginner's guide to understanding and harnessing the mysterious forces of nature. • Provides tools for self-initiation into the ancient and secret traditions of ceremonial magic. • Explains various divination systems and how to perform ancient rituals that open the doorway to secret and arcane knowledge. True magic can be defined as the art and science of using little-known or forgotten natural forces in order to achieve changes in consciousness and the physical environment. It concerns a wide body of doctrines and techniques, including the conjuring of spirits and non-human entities; the manufacture and consecration of wands, swords, talismans, and other tools of the magus; ritual divination; and the exploration of universes other than that with which we are familiar. The masters who taught others these ancient arts are gone, but Techniques of High Magic provides the practical and lucid instruction necessary for self-initiation into these secret traditions. Emphasizing the ordered nature of the universe and the power of will directed by imagination, Francis King and Stephen Skinner introduce the reader to magical practices, rituals, and instruments that have been used for centuries. They explain systems of divination such as the I Ching, the Tarot, and geomancy, as well as techniques of astral projection and elementary alchemy. Their disciplined approach to magical practice includes easy formulas and diagrams that will help the initiate navigate an ancient and potent universe of gods, angels, and spirits--the world of High Magic.

This introductory guide to tasseography - reading tea leaves - teaches readers how to begin telling accurate fortunes. The ancient practice of divining fortunes with tea is one frequently overlooked by those having heard of Tarot as a method richest in authenticity. The truly informed however can confirm that simple tea leaves, when read correctly, more than satisfy the requirements for concise accuracy which is what underpins all good fortune telling. The fact you can accomplish the task inexpensively with everyday household items such as tea is a further advantage. While it is tempting to default to Tarot, with its rich and colorful imagery, there needn't be the complexity when a simpler, more accessible

and less arcane means of fortune telling does the task excellently. Tasseography - fortune telling with tea leaves - is certainly no compromise when reading a fortune.

Have you heard of Runes but didn't quite catch their meaning? Don't know where to begin? Want a clear guide to discover them from scratch for successful divination? If so, you found it... Algiz, Tiwaz, Uruz, these are just some of the names associated with runes of Elder Futhark, the oldest and best-known runic alphabet. But what exactly are these symbols? And where they came from? Well, first of all they date back to Norse time and the English word "rune" comes from "runa", which means "secret", "whisper" or "mystery". We could call them letters, but, unlike today, they were not only used for writing, since they had many more applications, especially for magic and divination, for rituals or even for creating talismans or spells. Although many secrets behind Runes have disappeared along with the ancient runemasters and today we have only scattered fragments of runic history, it's undeniable the importance that these symbols had in Norse culture, under every aspect of life, from the holiest to every day. In Runes for Beginners, Evelyn Green gathers all the knowledge you need to approach and discover the magical world of these symbols, even if you are a total newbie. Thanks to her passion and multi-year experience in this field, she explains clearly and entirely every facet of this wonderful topic. In this book, you'll find a perfect merger between history and legend, magic and reality, retracing the origins and mythology behind the most important runic alphabet, the Elder Futhark. Unlike many other books on runes, here you'll find a clear explanation of the ancient roots and modern meanings of the 24 runes of this alphabet, so as to teach you what's necessary to immediately practice successful basic divination. Learning divination and Runes from scratch can be challenging and time-consuming, not to mention the many generic or even wrong online information you can find, that's why picking the right guide is important. Do you know each rune symbolizes a kind of natural or divine energy and that, through them, it's possible to create talismans or powerful amulets? Are you aware there's a specific procedure to create and consecrate your own set of runes? And what about the use of rune spreads as a divinatory tool? Runes for Beginners contains everything you need to approach and discover all these topics and much more, including: What Runes are and what's the origin of these mysterious letters The role of runic symbols in Norse culture: tradition and magic between reality and mythology An accurate description of the Elder Futhark, the oldest and most important runic alphabet, as well as the most used nowadays How to use Runes for good and ethical divination, with more than 10 types of spread How to create and consecrate your own set of Runes A guide to discovering all the Runic inscriptions, such as bindrunes, amulets or talismans Some useful tables of correspondences between Elder Futhark alphabet and English letters, tarot cards, colors and other fields ...And so much more! If you have already tried to get closer to the world of runes, but you have found it difficult to understand the topics explained in other books or websites, this is for you! If you think you need years and years of study before being able to use runes with confidence in magic and divination, you're wrong! Surely there will always be lots to learn and it will take time to discover all the secrets behind these symbols. However, Evelyn Green's Runes for Beginners is certainly an excellent starting point for your journey! Are you ready to jump into the wonderful and magical world of runes? If so, don't wait any longer, just scroll to the top of the page and click on the buy button right away!

Readers can become their own diviner with the methods outlined in this book. Includes detailed descriptions of both common and unusual techniques, each grouped by the tools or techniques used to perform them. The more advanced techniques of Tarot, Palmistry, and the I Ching are also discussed.

Divination for Beginners Reading the Past, Present & Future Llewellyn Worldwide Limited

Pendulum divination, also known as dowsing, is the means of answering questions and determining outcomes by using a pendulum. This has been performed for thousands of years by scientists, shamans, spiritual and cultural leaders, midwives, and everyday people as a way of gaining knowledge. Pendulum divination is a way of creating a deeper relationship with one's intuition, and allowing a person to gain new perspectives by unlocking the possibly inhibited feelings contained within their subconscious. It is a way of translating subconscious feelings and thoughts into a physical motion that can be read with both the physical eyes and interpreted by the mind's eye. It is a fun and relaxing way to get to know yourself and gain personal introspection. After you have learned and studied dowsing, you can perform pendulum divinations for friends as well, providing them with another way to gain insight into their own lives. Pendulum divination and dowsing should only be used for positive purposes, and never to promote negativity or harm. Dowsing should be performed with a mind free from the confines of skepticism, stress, or preconceived expectations. It is not fortune telling or predicting the future, rather, it is a means of relaying information contained within the subconscious or from the vibrational energy of the universe. Take advantage of this great opportunity and take your magickal journey to the next level by learning how to use pendulum dowsing for everyday divination. Enjoy!

Geomancy, a three-thousand-year-old form of earth divination, can answer your questions about relationships, career, money, and all aspects of life. In this comprehensive, easy-to-follow introduction to the topic, bestselling author Richard Webster presents eight different methods you can try, from astrological geomancy to Arthurian divination to a version attributed to Napoleon. Each method is based on making a random number of marks, then interpreting the message based on the resulting pattern. Geomancy for Beginners also includes simple instructions on how to craft your own geomantic tools. With Webster's sample readings and diagrams, it's easy to begin practicing this age-old form of divination to receive guidance and insight.

Everything You Need to Know to Begin Reading Tarot Cards For centuries, Tarot cards have been consulted for divination by those seeking answers from the unseen realms. The Tarot has been credited with illuminating solutions to major dilemmas, and even helping people avoid future misfortunes. The Tarot experience can indeed be empowering, bringing clarity to confusing situations and showing us that we have the ability to shape our future based on the choices we make in the present. Far more than mere "fortune telling," the Tarot is a tool for meditation and reflection, for seeing new angles that give way to broader perspectives about how we approach our lives. In this 2nd edition of Tarot for Beginners, best-selling author Lisa Chamberlain opens the door for newcomers to the Tarot in her trademark clear and straightforward manner. She dispels old myths and misconceptions about the Tarot, providing an objective look at its origins and its divinatory potential for 21st-century readers. Tailored especially for those who want to read the cards for themselves, this guide offers strategies for getting familiar with each card, a step-by-step breakdown of the process of a reading, options for tailoring the approach to suit your unique style, and advice for getting the most out of reading the cards for yourself. Most guides to the Tarot are centered on a specific deck, such as the Waite-Smith, the Tarot of Marseille, or other decks ranging from the well-known to the rather obscure. While these books can be useful and informative, their card interpretations are largely restricted to the particular deck they focus on. Tarot for Beginners takes a different approach, offering basic card meanings that can be applied to any deck, and used in tandem with any descriptions that accompany the deck you've chosen to work with. So no matter which Tarot deck you use, the information in this guide is relevant, providing a solid starting point for a skill you can carry with you for a lifetime. Foundations in the Art of Divination Tarot can be thought of as a kind of language through which we can hear and understand divine messages. This communication comes through the individual cards and through the symbolic system of the deck as a whole. Tarot for Beginners sets you up to learn this language with a thorough grounding in the key concepts surrounding the Tarot, including:

- The origins and evolution of the Tarot as a divinatory art
- A comprehensive overview of the Major, Minor, and Court Arcana
- Tips for choosing your first deck and getting acquainted with your cards
- Beginner tips and exercises for interpreting the cards
- Instructions for the basic 3-card spread and the 10-card Celtic Cross, two of the most widely-used spreads in contemporary Tarot
- A step-by-step process for conducting Tarot readings
- Advice on reading the cards for yourself
- Core meanings of each card in the standard Tarot deck

The art of Tarot takes time and experience to master, and your willingness to study the cards, practice reading, and hone your intuition will be key to your development as a Tarot reader. Let Tarot for Beginners put you on solid footing for your Tarot journey! If you're ready to start reading tarot cards, just scroll to the top of the page and hit the Buy button!

The purpose of this book is not only to give the basic instructions for doing I Ching readings, but as well, to show the reader how it can be useful as a tool for development of the self. A high level oracle is only as good as the questions posed to it. This is a reflection of the intention of its user. Contrary to popular misconception the I Ching is not merely a fortune telling device. The highest use of this virtual life coaching system is the refining of man into Superior Man. This process begins with the formulation of the question. Additionally, to the atheist who is sincere about seeking understanding on questions of metaphysics (specifically: Does there exist a higher power?) I hope to provide a methodology for getting the correct answer to the question.

Everything You Need to Know to Begin Working With Runes The human language gives us the power to create. It is possible because we can use a different combination of words to express unique meanings or ideas. Today, it is still debated how many words are in the English language, with some sources such as the Oxford English Dictionary assuming that the official number is close to 750,000. Runes are a set of alphabets, just like the alphabets that exist in the languages practiced today. They prominently feature vertical and often slanted lines. This arrangement of lines serve a purpose, and they are: 1.Parchments were an expensive commodity back then, so writing on them was not a viable option. Ink wasn't cheap, and for that reason, using it was uncommon. Therefore, runes were carved into objects and surfaces instead. 2.Since carving was used, using straight lines was much easier than curves. 3.While using straight lines, runes avoided the inclusion of horizontal strokes, as those lines could look like the natural lines of surfaces like wood, thereby removing any trace of the line itself. No one can establish with absolute certainty when the runes originated. One of the most popular theories is that it was developed by the Goths, a race of East-Germanic people. Historians also believe that runes have taken inspiration from the Latin alphabet. While this does not narrow down its time of origin, it gives a rough estimate, placing it in the 1st century BC. In this book you'll discover: ? History of Runes ? The Power of Runes ? Runes of the Elder Futhark ? The Art of the Runestave ? How To Successfully Runecasting for Beginners ?
