There are so many page-turning mechanisms in the whole book, which make people immersed in the surprise of exploring and discovering the secrets of the universe. -The RS Award selection team will come and follow this fascinating flip book.

With over 3,000 entries of updated, curriculum-linked content, First Children's Dictionary is an ideal starting place for young children wanting to describe the world around them. From using a dictionary to word histories that help develop an understanding of where words come from, this dictionary for kids is an essential first reference book.

This revised and updated sixth edition of Reference and Information Services continues the book's rich tradition, covering all phases of reference and information services with less emphasis on print and more emphasis on strategies and scenarios. Reference and Information Services is the go-to textbook for MSLIS and i-School courses on reference services and related topics. It is also a helpful handbook for practitioners. Authors include LIS faculty and professionals who have relevant degrees in their areas and who have published extensively on their topics. The first half of the book provides an overview of reference services and techniques for service provision, including the reference interview, ethics, instruction, evaluation and assessment, and services to diverse populations including children. This part of the book establishes a foundation of knowledge on reference service and frames each topic with ethical and social justice perspectives. The second part of the book offers an overview of the information life cycle and dissemination of information, followed by an in-depth examination of information sources by type—including dictionaries, encyclopedias, indexes, and abstracts—as well as by broad subject areas including government, statistics and data, health, and legal information. This second part introduces the tools and resources that reference professionals use to provide the services described in the first half of the text. Reference and Information Services is a recognized textbook for information retrieval courses and updates the previous edition. Editors and contributors are experts in the field. Activity boxes engage readers and invite them to reflect on what they are learning and practice skills through real-life exercises. Conscious integration of critical theory and social justice perspectives offers critical reflection on the standards and practices of the field and encourages readers to consider alternate perspectives.

Each vol. is divided into 2 parts 1st-7th ed.: Dictionary catalog and Classified catalog; 8th-9th ed. have 3rd. part: Directory of publishers.

This book is a user-friendly guide for K–12 librarians, teachers, and school library media specialists that covers all major areas in reference, from the reference interview to encyclopedias and dictionaries.

An illustrated first dictionary, identifying the definitions and parts of speech of various words.

Organized by such common subject categories as home, health, and work, a colorful, illustrated bilingual dictionary covers more than six thousand words and phrases.

Includes definitions of one thousand commonly used words and helps young readers develop vocabulary, spelling, and alphabetizing skills.

1970- issued in 2 vols.: v. 1, General reference, social sciences, history, economics, business; v. 2, Fine arts, humanities, science and engineering.

Search skills of today bear little resemblance to searches through print publications. Reference service has become much more complex than in the past, and is in a constant state of flux. Learning the skill sets of a worthy reference librarian can be challenging, unending, rewarding, and-- yes, fun.
