A young escort in Phuket who has closed her heart to love... A wife, who is forced into prostitution by her husband, endeavours to escape as a stowaway on a ship... A man whose self-destructive infatuation towards a Bollywood star ruins many lives... An unorthodox love between an Indian and a coloured girl from the apartheid-ridden South Africa... A speech therapist who makes a differently-abled boy's dream a reality... A young boy who tries to understand the social stigma attached to rape... A seafarer in England who is saved from disaster on a treacherous night by a mysterious woman... An unassuming man who ends his life, but does not forget his wedding vows even at the moment of death... How will you react to these characters? Facets is an intriguing collection of fourteen irresistible short stories that look at various aspects of human relationships. Cleverly drawn from everyday characters and incidents from various parts of the world, these ingeniously plotted storylines have unexpected emotions and twists.

Traditional Chinese edition of "1,2,3 To the Zoo." A counting picture book for preschool children. Large size. In Traditional Chinese. Annotation copyright Tsai Fong Books, Inc. Distributed by Tsai Fong Books, Inc.

With baby boomers swelling the ranks of grandparents, there is a large and growing audience for Let's Grandparent. There are no other books on the market with the variety of content or perspective presented in this book. With its emphasis upon the crucial early years, it has special appeal for new grandparents and those with young grandchildren. During this honeymoon period grandparents are typically enthusiastic about their new role and eager to learn all they can to make the most of time spent with their grandchildren. They want it to be fun, have an educational value, and strengthen close intimate bonds. Let's Grandparent shows them how to achieve these goals through an indepth understanding of child development, over four hundred kidtested activities and tips for simple but satisfying experiences together. The author brings together her personal experience as an enthusiastic grandparent with her professional career in early childhood education to create this insightful and enjoyable guide.
