This collection focusses upon the history and theology of sin and salvation in reformation and post-reformation England. Exploring their complex social and cultural constructions, it underlines how sin and salvation were not only great religious constants, but also constantly evolving in order to survive in the rapidly transforming religious landscape of the reformation. Drawing upon a range of disciplinary perspectives - historical, theological, literary, and material/art-historical - to both reveal and explain the complexity of the concepts of sin and salvation, the volume further illuminates a subject central to the nature and success of the Reformation itself.

The SCM Core Text: Christian Doctrine offers an up-to-date, accessible introduction to one of the core subjects of theology. Written for second and third-year university students, it shows that Christian Doctrine is not a series of impossible claims to be clung to with blind faith. Mike Higton argues that it is, rather, a set of claims that emerge in the midst of Christian life, as Christian communities try to make enough sense of their lives and of their world to

allow them to carry on. Christian communities have made sense of their own life, and the life of the wider world in which they are set, as life created by God to share in God's own life. They have seen themselves and their world as laid hold of God's life in Jesus of Nazareth, and as having the Spirit of God's own life actively at work within them. This book explores these and other central Christian doctrines, and in each case, shows how the doctrine makes sense, and how it is woven into Christian life. It will help readers to see what sense it might make to say the things that Christian doctrine says, and how that doctrine might affect the way that one looks at everything: the natural world, gossip, culture, speaking in tongues, politics, dieting, human freedom, love, High Noon, justice, computers, racism, the novels of Jane Austin, parenthood, death and fashion.

This volume gathers and introduces texts relating to English and Welsh Nonconformity. Through contemporary writings it provides a vivid insight into the life and thought of the Methodists, Congregationalists, Baptists, Quakers, Unitarians, and other groups that formed pieces in the diverse mosaic of the nineteenth-century chapels. Each aspect of Nonconformity has an introductory discussion, which includes a guide to the secondary literature on the subject, and each passage from a primary source is put in context.

The sermons and writing of Joseph Fielding Smith. Volume 1 of 3. These works are not official documents of the Church of Jesus Christ of Latter-day Saints and should not be considered as official pronouncements of the beliefs, doctrines or practices of that faith. They represent the opinions of the authors at the time of their writing 1954 to 1956. This book aims to explore the meaning of salvation in Balthasar Hubmaier's theology. Previous research has tended to explain and evaluate his theology by locating his identity among contemporary Anabaptists. Moreover, Hubmaier's theology has been variously labeled as Catholic Anabaptist, Magisterial Anabaptist, or as a bridge between the Radical and Magisterial branches of the Reformation. These approaches to Hubmaier's theology essentially depend on a static and transactional perspective where the result comes from the cause. Such an approach cannot fully explain the distinctive features of Hubmaier's theology, because his theology had multiple rather than single influences. To understand Hubmaier's theology, we need to focus on his motive and purpose in writing rather than external influences. This volume attempts to explore a new understanding of Hubmaier's theology reflecting a necessary change in our paradigmatic methodologies. This fresh perspective helps us see that Hubmaier's theology was not static and transactional but dynamic and relational. As Hubmaier's main purpose was to give readers a proper understanding of soteriology, his writings were written from this perspective, concentrating on salvation. This

Volume aims to enable the reader to access this unique understanding of soteriology by examining his primary texts in three categories: free will, baptism, and the Lord's Supper. To understand Hubmaier's theology through a new methodology leads us to rethink the meaning of salvation.

1. Faith, 2. Repentance, 3. Water Baptism, 4. Spirit Infilling, 5. Continuance. Contrary to the tradition and "gutted" gospel of Christio-religious easy-believers, the doctrine of salvation introduced with the birth of the church in Jerusalem, Israel in the year 33 AD has never changed. The Bible's book of Acts records the early history of God's one and only church whose doctrines and teaching remain the basis for New Testament salvation as we "... are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief corner stone;" Eph. 2:20. Though the world and human society seem to be ever awash in a turbulent sea of change and upheaval, God's word has not, does not, and will not change. This fact, providing an anchor of comfort and stability to many, also provides a very inconvenient obstacle to others who, as we have been forewarned, would attempt to "pervert the gospel of Christ." Gal 1:7. In "5 Steps to Salvation" analysis is applied to the teachings of Jesus and his apostles, specifically with regard to the New Testament doctrine of salvation. Whether this book serves simply as a refresher course for the reader, or introduces new biblical perspectives, may the truth of God's word be a lamp unto your feet and a light unto your path.

Ajivikas who formed a third heretical sect besides the sect of Gautama Buddha, the founder of Buddhism and that of Mahavira Vardhamana, the twenty-fourth Tirthankara of the Jainas. The three heterodox sects react against the ritualistic creed of the Vedists. The cult of Ajivikas was founded by Makkhali Gosal, the contemporary of Mahavira Vardhamana, on the basis of strict determinism with a belief in the all-embracing rule of Niyati (principle of order). According to Gosal, It was Niyati which ultimately governed our action, controlled phenomena and left no room for human volition. It will through new height on an interesting and significant aspect of India's past, and will encourage further research. This book is divided into fifteen chapters discussing elaborately different aspects of the subject matter. The comprehensive Bibliography and Index are the added features for the researchers for comparative as well as further study of yet unexplored areas. Lutzer examines various controversies that exist within the broad spectrum of Christianity, presenting the issue and the biblical understanding of the doctrine. There are approximately 111 separate sects and denominations that are classified as Oneness Pentecostal Churches. These congregations are found in nearly every city and town in the United States, as well as around the world. They get their distinctive name from the fact that they do not believe in the orthodox doctrine of the Trinity. They believe that all who do believe in the Trinity are spiritually lost because they have adopted a pagan

doctrine. They differ from other Pentecostals and the rest of the historical church on several important issues, earning them the title of a Pseudo-Christian Cult by established cult watching organizations and cult experts. The book, *Oneness Pentecostal Churches*, examines the claims, doctrines and practices of these fellowships. It addresses the issues in a manner comprehensive enough to satisfy the professional minister, yet clear enough to meet the needs of laypeople who are seeking answers about this significant movement. The questions discussed in the book include: 1.) Who are Oneness Pentecostals? 2.) Why are Oneness Pentecostals called "the people of the name"? 3.) Is the doctrine of the Trinity really pagan? 4.) Is there a three step pathway to salvation? 5.) Does water baptism save? 6.) Is speaking in tongues required for salvation? For those interested in understanding the Oneness Pentecostal movement, this book is required reading.

Christ's Virgin Birth Human Depravity - No one can win God's favor by their own efforts Christ's Sinlessness Christ's Deity Christ's Humanity Necessity of God's Grace Necessity of Faith Christ's Atoning Death Christ's Bodily Resurrection Christ's Bodily Ascension Christ's Intercession Christ's Second Coming Each doctrine is defined, and addressed by answering two essential questions. For example: The Doctrine: Christ's Atoning Death The penalty for sin is death--not only physical death (separation of the soul from the body), but also spiritual death (separation of ourselves from God). The penalty we owe to God was paid by Christ through his death on the cross. The acceptable payment had to be perfect, complete, and without fault. Christ, the perfect Man, gave Himself in our place, so that whoever believes in Him will not die (physically and spiritually) but have everlasting life (John 3: 16). Question One: What Do I Actually Need to Believe? Only Christ's sinless life, sacrificial death and bodily resurrection can bring us to God. Question Two: What's at Stake Here? The unique nature of Jesus' work of salvation. Reference Scriptures: For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many. -Mark 10: 45 He himself bore our sins in his body on the tree, so that we might die to sins and live for righteousness. -1 Peter 2: 24 For Christ died for sins once for all, the righteous for the unrighteous, to bring you to God. -1 Peter 3: 18 No one comes to the Father except through me. -John 14: 6 What do other religions believe? An easy-to-use chart shows how four other religi groups treat the 14 essentials. A key indicates whether the

group accepts, redefines or denies each doctrine, enabling the reader to understand the controversies regarding these religious sects. Other religious groups include: Latter Day Saints (Mormonism) Jehovah's Witnesses (Watchtower) Scientology Christian Science Essential Doctrines Made Easy also addresses belief in the inspiration of Scripture and the methods of interpretation, which are important to faith, although not a necessary factor in salvation. Four ancient creeds of the early Church are summarized in the pamphlet, giving an historical overview of what the Church deemed most essential. These creeds include: The Apostles' Creed The Nicene Creed Athanasian Creed The Creed of Chalcedon A glossary of Christian terms is included, defining 24 terms which are widely used but not always understood, such as orthodoxy, mediator, grace, deity, and soteriology,

There are four major views of salvation among Bible scholars. Two of them are treated herein, the Calvinist view and the Arminian View. What Andrews offers his reader is the biblical view of salvation. Chapter 5 Explaining Salvation will be a full chapter dealing with the doctrine of salvation itself. However, several other chapters will cover original language words that explain the salvation doctrine. We have Chapter 1 Explaining Atonement, as well as Chapter 2 Explaining Ransom, in addition to Chapter 3 Explaining Reconciliation, along with Chapter 4 Explaining Sanctification. All five chapters will cover some deep theological subject matter, as well as Hebrew and Greek terms, but are written in an easy to understand manner. EXPLAINING THE DOCTRINE

OF SALVATION allows all readers, regardless of one's level of learning to plunge deeper into God's promise of salvation, as Andrews explains the biblical view.

His systemized study and analysis of the major Bible doctrines provides, for readers, Dr. Lockyer's approach to understanding doctrines in logical sequence. This method of biblical presentation can and should lead to a valuable comprehension of the Christian faith.

These historical changes in Mormon doctrines have contributed to a shift in the Mormon view of faith and reason. Until the rise of Mormon neo-absolutism, Mormons believed that their faith was rational and reconcilable with science. Because neo-absolutists have not been able to reconcile their views of God with the unique Mormon metaphysics, they have diminished the value of reason, science, and education for faith.
