Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Guide to information on ... cars and light trucks.

In March 1994, Transport Canada acquired a Chrysler TEVan, an electric minivan, to assess the state of electric vehicle technology and its compatibility with Canadian climatic conditions. This report presents results of performance evaluations of the van in a laboratory environment and in normal operation as an airport support vehicle. Results presented include operating range and alternating current energy consumption at different ambient temperatures, availability, the effect of temperature on battery efficiency, and maintenance costs.

With a Haynes manual, you can do-it-yourself...from simple maintenance to basic repairs.
