• Doña Bernadette Vigil, the working partner of don Miguel Ruiz and a fully initiated Nagual woman, reveals the authentic tradition of Toltec self-mastery. • Includes exercises from the ancient spiritual path that take the practitioner from Jaguar Knight and Eagle Knight through Nagual Master. • Provides a program of 11 Agreements for continuing the spiritual journey. The Toltec people of ancient Mexico possessed powerful knowledge, passed down secretly through generations of Naguals, that enabled them to achieve a remarkable psychic and spiritual balance. These spiritual warriors learned to discipline their thoughts and emotions, channeling their energy into unconditional love for themselves and others and transforming their world in the process. With the understanding of one who has walked the path, doña Bernadette Vigil--a full Nagual, or shaman, in the Toltec tradition--guides readers through the effective training techniques practiced by Toltec warriors for centuries. By following the practices of the spiritual warrior, readers will experience the amazing sense of peace and contentment that comes from finally breaking free from layers of self-limiting thoughts and fulfilling their true potential as human beings. We all want to love and be loved unconditionally - unfortunately patterns and past experiences often put us in a position where we need to feel guarded or distant. This distance keeps us from feeling true emotional intimacy with our partners, and all aspects of

our relationships suffer as a result. The Seven Secrets of Healthy, Happy Relationships seeks to change that by providing a path by which you can recover from the past, enjoy the present, and fight your fears for the future before they have a chance to take root in your relationships. Ruiz and Amara teach that unconditional love is like a river: when you love someone based on conditions, the river gets dammed and stagnant, but unconditional love flows through all aspects of your relationship and your life. By undamming the river of unconditional love between you and your partner, you will create a strong, caring relationship by learning to: Allow yourself to experience emotional intimacy, even if you've been hurt in the past Heal past hurts and traumas that are holding you back from your current relationship Be in the present in your relationship, rather than living from the past or in the future

In order to practice the Four Agreements, before we can achieve the Mastery of Love, we must move Beyond Fear. Fear is the source of all the negative agreements we've made with life. It can alienate us from the joy that is our birthright. When we are able to look at our lives and our worlds without fear or judgments, we realize that this dream we are dreaming--reality--can be whatever we want it to be. Don Miguel Ruiz is a nagual initiated as a Master of Intent in the Toltec tradition. Seekers of the Toltec way to freedom and joy follow a ritual procession along the main passageway in Teotihuacan as they move beyond fear into a state of empowerment. This comprehensive guide to the teachings of don Miguel Ruiz includes: - the basic elements of Toltec wisdom and the spiritual practice that is the basis of The Four Agreements - exercises and ceremonies to walk readers through the process of shedding fear, judgment, and guilt - biographical information on don Miguel Ruiz and his training with his curandera mother, the famous healer, Mother Sarita The knowledge contained in this life-changing volume has the power to replace fear with joy. The Four Agreements Companion Book takes you further along the journey to recover the awareness and wisdom of your authentic self. This book offers additional insights, practice ideas, a dialogue with don Miguel about applying The Four Agreements, and true stories from people who have transformed their lives.

The ancient Toltecs believed that life as we perceive it is a dream. We each live in our own personal dream, and all of our dreams come together to make the Dream of the Planet. Problems arise when we forget that the dream is just a dream, and thus fall victim to believing that we have no control over it. The Mastery of Self takes the Toltec philosophy of the Dream of the Planet and the personal dream and reveals how we can live as our true, authentic, loving self, not only in solitude but in any situation or scenario that confronts us.

Fourteen years ago don Miguel Ruiz introduced The Four Agreements to an audience hungry for change. Amari Magdalena was an early apprentice of Miguel's and embraced the wisdom of the Toltec Mastery of Awareness that The Four Agreements represented. As she initiated her teaching practice she developed significant new work to facilitate the Toltec Mastery of Transformation. Amari began to see a corollary between this new work and Miguel's work; a natural marriage which evolved into this book, Beyond the Four Agreements. Amari introduces a cast of characters; the South, West, North and East Shields who endow the four agreements with life-changing transformational actions. With the marriage of The Four Agreements and Beyond the Four Agreements the ultimate Toltec Mastery of Love can be achieved. Moving through the conundrum of Judge and Victim, Beyond the Four Agreements provides a road map for deep healing with dialog, humor, and practical exercises.

Outside of Mexico City lies the ancient pyramid complex of Teotihuacan, which, according to the oral tradition of the Ruiz family, was the spiritual center for the Toltec people. For over thirty years, Toltec master don Miguel Ruiz Jr. has been traveling to the pyramids of Teotihuacan to teach others about the powerful mysteries that can be found there. Now, for the first time ever, Ruiz reveals the meaning and transformative power of this ancient city to all and explains to readers how they too can experience this transformation in their own lives. Teotihuacan is no ordinary city, and according to Ruiz, the pyramid complex was specifically designed with detailed spiritual lessons in mind. Ruiz leads the reader through the development of three stages of life mastery--the mastery of awareness, the mastery of transformation, and the mastery of intent--and shows how the wisdom of the ancients is more relevant than ever to the world we inhabit today. Not content merely to describe these powerful lessons, this book also includes a wealth of practical meditations, exercises and reflections to assist the reader along their own path to personal peace.

For the first time ever, the Toltec wisdom from the Ruiz family is bound together in a book of Daily Meditations. Readers are invited on a six-month journey of daily lessons with don Miguel Ruiz Jr. that are designed to inspire, nourish, and enlighten adherents as they travel along the Toltec path. Drawing on years of apprenticeship under his father and grandmother, don Miguel Ruiz Jr. shares Toltec lessons on Love, Faith, Agreements, and most importantly: Awareness. The purpose of each meditation is to guide readers into a deeper understanding of his or her self, as well as the world in which we live. In the introduction to the book, don Miguel Ruiz Jr. reminds readers that progress on the Toltec path is not measured by the acquisition of things, status, or even ideas, but rather the complete and total realization that everything in the world is perfect, exactly the way it is at this moment. "Love is accepting ourselves just the way we are, with all of our flaws and our ever-changing belief system. You are nothing else but who you are. You are not the person you were a year ago. You are not the person you will be in a year. You aren't even the person you think you are. You simply are, and that must be enough." —don Miguel Ruiz Jr. This book will have special appeal to those already familiar with his father's books *The Four Agreements*, *The Mastery of Love*, and *The Fifth Agreement*, as well as don Miguel Ruiz Jr.'s own book, *The Five Levels of Attachment*. It also makes a wonderful gift.

In *The Four Agreements*, a New York Times bestseller for over 7 years, Ruiz revealed how the process of our education, or "domestication," can make us forget the wisdom we were born with. Throughout our lives, we make many agreements that go against ourselves and create needless suffering. *The Four Agreements* help us to break these self-limiting agreements and replace them with agreements that bring us personal freedom, happiness, and love. In *The Fifth Agreement*, don Miguel Ruiz joins his son don Jose Ruiz to offer a fresh perspective on *The Four Agreements*, and a powerful new agreement for transforming our lives into our personal heaven. *The Fifth Agreement* takes us to a deeper level of awareness of the power of the Self, and returns us to the authenticity we were born with. In this compelling sequel to the book that has changed the lives of millions of people around the world, we are reminded of the greatest gift we can give ourselves: the freedom to be who we really are.

In *The Circle of Fire* (formerly published as *Prayers: A Communion With Our Creator*) Ruiz inspires us to enter into a new and loving relationship with ourselves, with our fellow humans, and with all of creation. Through a selection of beautiful essays, prayers, and guided meditations, Ruiz prepares our minds for a new way of seeing life, and opens our hearts to find our way back to our birthright: heaven on earth. The result is a life lived in joy, harmony, and contentment. In my teachings, "The Circle of Fire" ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call "Life" or "God." From that day forward, we live with unconditional love in our hearts for ourselves, for life, for everything in creation. This book, first published in 2001 as "Prayers: A Communion with Our Creator," will remind you of what you really are. It has always been my favorite book, and now in honor of my favorite prayer, it has been appropriately renamed "The Circle of Fire." -- don Miguel Ruiz

Using inspirational stories to impart the ancient wisdom of the three Toltec masteries--awareness, transformation, and love--the author examines the common fallacies that can undermine love, and tells listeners how to gain wisdom, avoid fear, and end the battle for control with their partners.

The beloved spiritual teacher builds on the message of his enduring New York Times and international bestseller *The Four Agreements* with this profound guide that takes us deeper into the tradition of Toltec wisdom, helping us find and use the hidden power within us to achieve our fullest lives. In *The Four Agreements*, Don Miguel Ruiz introduced seekers on the path to enlightenment to the tenets of Mesoamerican spiritual culture—the ancient Toltec. Now, he takes us deeper into Native American practice, and asks us to consider essential questions that drive our lives and govern our spiritual power. Three eternal questions can help us into our power and use it judiciously: Who am I? What is real? How do I express love? At each stage in our lives, we must ask these simple yet deeply profound questions. Finding the answers will open the door to the next stage in our development, and eventually lead us to our complete, truest selves. But as Don Miguel Ruiz makes clear, we suffer if we do not ask these questions—or if we fail to pay attention to their answers—because we either never act on our power or use it destructively. Only when power is anchored in our identity and in reality will it be able to be in synch with the universe—and be of true benefit to ourselves and to others. The three questions provide a practical framework that allows readers to engage with Ruiz's transformative message and act as a vehicle for overcoming fear and anxiety and discovering peace of mind. An essential guide for all travelers pursuing self-knowledge, understanding, and acceptance, *The Three Questions* is the next step in our unique spiritual metamorphosis.
