

around the world that are building fortresses against an array of threats. Currently, 3.7 million Americans call themselves preppers. Millions more prep without knowing it. Bradley Garrett, who began writing this book years before the 2020 Covid-19 pandemic, argues that prepping is a rational response to global, social, and political systems that are failing to produce credible narratives of continued stability. Left with a sense of foreboding fueled by disease outbreaks, increasing government dysfunctionality, eroding critical infrastructure, nuclear brinksmanship, and an accelerating climate crisis, people all over the world are responding predictably—by hunkering down. Garrett traveled across four continents to meet those who are constructing panic rooms, building underground backyard survival chambers, stockpiling supplies, preparing go bags, hiding inflatable rafts, rigging mobile “bugout” vehicles, and burrowing deep into the earth. He has returned with “a big-thinking, deep-diving, page-turning study of fear, privilege, and apocalypse” (Robert Macfarlane, author of *Underland*) from the frontlines of the way we live now: an illuminating reflection on our age of disquiet and dread that brings our times into new and sharper focus. With scenes that are “fascinating, amusing, crazy, chilling, and surreally topical” (Douglas Preston, author of *Lost City of the Monkey God*), Garrett shows that the bunker is all around us: in malls, airports, gated communities, the

vehicles we drive. Most of all, he reveals, it's in our minds.

This is not a book about Religion. Using the real birthday of Jesus, kinda, plus fractals and other patterns found in nature, I have created several new zodiac charts to help locate, and describe, the evil ones among us. I gave these charts such names as 'Heaven to Hell', 'Child, Teen, Adult', 'Leaping Lizards', and my favorite, 'The Wheel of Good & Evil'. With certain specific patterns, I was able to locate such horrible people as 'The Professional Victims', 'People of Rage', and 'The Laughing Idiots'. A "Health Chart" is included that might help you feel better and look younger for years longer. It uses the separation of white light through a prism, or the power of 3, to let you know who on the zodiac wheel might help in restoring you back to life. If hell is other people, then heaven can be other people too. Names were giving to all 12 zodiac zones on the wheel, and most of the evil subzones too. These names describe the basic essence of those individuals who were born inside those zones. Some of the names giving include:
