

Down The Rabbit Hole Book Library

Fans of *Girl in Pieces*, *All the Bright Places*, and *Wintergirls* will love this debut novel. Anna is trapped and the newest resident of Rosewood, a treatment center for girls like her, girls with eating disorders. The facility's full of locked doors, angry patients, cynical nurses, and endless rules that Anna must endure so she can go back home. In order to be discharged, Anna must work through the strict program, confusing truths, and startling revelations. As Anna progresses through her treatment, she is forced to examine her relationships inside and out of the hospital, with her family and with food. Anna must relearn what healthy really is and what she wants to do with her life after many years of being an anorexic. Intimate and filled with gritty realism and self-discovery, Mary Beth Clark's debut is heartbreakingly real and fearless. It's a story you won't be able to put down.

The Earth is flat, the World Trade Center collapse was a controlled demolition, planes are spraying poison to control the weather, and actors faked the Sandy Hook massacre.... All these claims are bunk: falsehoods, mistakes, and in some cases, outright lies. But many people passionately believe one or more of these conspiracy theories. They consume countless books and videos, join like-minded online communities, try to convert those around them, and even, on occasion, alienate their own friends and family. Why is this, and how can you help people, especially those closest to you, break free from the downward spiral of conspiracy thinking? In *Escaping the Rabbit Hole*, author Mick West shares over a decade's worth of knowledge and experience investigating and debunking false conspiracy theories through his forum, MetaBunk.org, and sets forth a practical guide to helping friends and loved ones recognize these theories for what they really are. Perhaps counter-intuitively, the most successful approaches to helping individuals escape a rabbit hole aren't comprised of simply explaining why they are wrong; rather, West's tried-and-tested approach emphasizes clear communication based on mutual respect, honesty, openness, and patience. West puts his debunking techniques and best practices to the test with four of the most popular false conspiracy theories today (Chemtrails, 9/11 Controlled Demolition, False Flags, and Flat Earth) — providing road maps to help you to understand your friend and help them escape the rabbit hole. These are accompanied by real-life case studies of individuals who, with help, were able to break free from conspiracism. With sections on: the wide spectrum of conspiracy theories avoiding the "shill" label, psychological factors and other complications (and concluding with) a look at the future of debunking, Mick West has put forth a conclusive, well-researched, practical reference on why people fall down the conspiracy theory rabbit hole and how you can help them escape.

"My all-time favorite. Astonishing." (Stephen King) *Down the Rabbit Hole* is the first book in the Echo Falls mystery series

by bestselling crime novelist Peter Abrahams. Perfect for middle school readers looking for a good mystery. Welcome to Echo Falls, home of a thousand secrets. In *Down the Rabbit Hole*, eighth grader Ingrid Levin-Hill is in the wrong place at the wrong time. Or at least her shoes are. And getting them back will mean getting tangled up in a murder investigation as complicated as the mysteries solved by her idol, Sherlock Holmes. With soccer practice, schoolwork, and the lead role in her town's production of *Alice in Wonderland*, Ingrid is swamped. But as things in Echo Falls keep getting curiuser and curiuser, Ingrid realizes she must solve the murder on her own—before it's too late. "Deft use of literary allusions and ironic humor add further touches of class to a topnotch mystery," said *School Library Journal*. "Intriguing twists." *Publishers Weekly* agreed: "The fresh dialogue and believable small-town setting will tempt fans to visit Echo Falls again." The next book in this Edgar Award-nominated series is *Behind the Curtain*, followed by *Into the Dark*.

New York, 2061. Darlene Fitzwilliams - a young heiress - kills her brother then jumps from a tall building. All the evidence suggests a tragic but familiar murder/suicide case for Lieutenant Eve Dallas. But when Eve discovers that Darlene has been visiting psychics and spiritual healers, things take a dark and unsettling turn. Someone has been meddling with Darlene Fitzwilliams' subconscious - someone with a gift for hypnosis and a disturbing obsession with Lewis Carroll's *Alice in Wonderland*. With husband Roarke and partner Peabody at her side, Eve finds herself falling down the rabbit hole into one of the strangest investigations of her career. One that threatens not just her body, but her mind...

Enter a wonderland of mesmerizing tales. It's a place that's neither here nor there, where things are never quite as they seem. Inspired by Lewis Carroll's whimsical masterpiece, ranging from the impossible to the mad to the curiuser, these stories will have you absolutely off your head.

A top neurologist explains the difficulty of diagnosing brain diseases through such cases as a college quarterback who keeps calling the same play and a salesman who continuously drives around a traffic circle.

Murder/mystery set in Lexington, KY. Young PI, Sonia Vitale, joins forces with ex-Marine, ex-NCIS PI, Brad Dunham, to investigate a suspicious suicide and break up a drug ring.

THIS STUNNING NEW VERSION OF A CLASSIC IS THE BEST WAY TO ENTER WONDERLAND . . . WITHOUT ACTUALLY FALLING DOWN THE RABBIT HOLE. *Alice in Wonderland* is one of the most wondrous, truly original stories ever written—filled with magical and marvelous happenings. On its 150th anniversary in 2015, Lewis Carroll's tale of a world gone topsy-turvy gets a unique picture-book retelling of the beginning of Alice's journey, with elegantly simplified text that keeps all of the astonishing adventures and wide-eyed amazement of the original. What a wonderful Introduction for young children to many of the classic Carroll characters - Alice and The White Rabbit, the Blue Caterpillar, Bill the Lizard and more. Many of the most famous phrases are here— like "Curiouser and curiouser" and "Oh dear, oh dear, I

shall be too late" to prepare youngsters for the time they're ready to read the whole book in its original form. Award-winning, bestselling artist Eric Puybaret creates an enchanting and magical Wonderland that looks like no other interpretation. Every spread in this magnificently produced volume is rich in charm, gloriously colorful, yet fresh and modern. From the extraordinary White Rabbit in his brilliantly red suit to the timelessly graceful young heroine, this is the Alice today's young children can relate to. It's the perfect, glorious introduction to a classic, a taste of what magic awaits them in the future.

The Secret Weapon, Book Three, the continuation of Into the Rabbit Hole: After discovering the True purpose of the Pyramids of Giza as pure energy communication devices, Graham and his group are once again thrown into a hard to believe story. The Rosicrucian's and the Knights Templar long thought to be extinct have been fighting over a secret communication device for the last Thousand years that would allow them to communicate back with the entities that have been sending down messages since the capstones have been restored. Graham and his friends must navigate their way to retrieve this device while being threatened with extinction. The meaning of life is at stake. This stunning new version of a classic is the best way to enter Wonderland ... without actually falling down the rabbit hole. On its 150th anniversary in 2015, Lewis Carrolls tale of a world gone topsy-turvy gets a unique picture-book retelling of the beginning of Alices journey: the first ever, with elegantly simplified text that keeps all of the astonishing adventures and wide-eyed amazement of the original. Includes many of the classic Carroll characters Alice and the White Rabbit, the Blue Caterpillar, Bill the Lizard and more.

It is 1871 in Scranton, Pennsylvania, and fourteen-year-old Pringle Rose, still grieving from the death of her parents, takes her brother Gideon, who has Down syndrome, escapes from her uncle and aunt, taking a train to Chicago--but disaster seems to follow her there.

Down the Rabbit Hole Curious Adventures and Cautionary Tales of a Former Playboy Bunny HarperCollins

Build your quilt making skills one block at a time. Sarah's new book, Down the Rabbit Hole, is the full pattern from her 2017 Block of the Month. Finished quilt size is: 96" (240cm) square It is only one quilt pattern- however, it contains enough work to keep you busy for a whole year, broken out into chapters. It is quite a complex design, containing traditional piecing, Foundation Paper piecing, English Paper Piecing, needle turn applique and a lot more - however the book is broken down to be made in order of difficulty from start to finish, so you build on your skills as you sew. Each technique is explained and there is an option to buy accompanying videos. This quilt has been made by many hundreds of people before you even see this book, so there is a gallery of quilts for inspiration for you to access, and you know the pattern has been well tested! INCLUDES OVER 6 HOURS OF INSTRUCTIONAL VIDEOS AVAILABLE TO VIEW AT WWW.SARAHFIELKEBLOCKOFMONTH.COM.

As the author's childhood tumbles from her memory onto the pages of print, the reader is privy to all sorts of surprising revelations. Be prepared to chuckle with glee, feel your mouth gape reading about situations too weird to be untrue, wince as your heart breaks in sadness and anger over sordid situations, and shake your head both in disbelief and even perfect understanding of unusual childhood tales. Between the covers of the book, the author's very direct style in sharing the goings-on around her that profoundly affected her talks to the reader personally and even bluntly. As the years pass, the toll from various elements in her life becomes clearer and grows higher. The book's title was chosen because it chronicles from a curious angle a young girl's memories of growing up. The story's framework of recollections connected to given residences, the number of those residences, and the regularity with which this family migrated from one to another was

interesting from the storytelling perspective and fortunate for Frances and all her readers. That her memories were mentally magnetized, that they attached and were thereby preserved according to the various times and places Frances called home, was an innovative, efficient, and effective writing device. Use of the rabbit hole idiom was spot-on, because despite growing older, taller, and maturing in ways (growing up), simultaneously an ominous, downward momentum was also steadily gaining more of a foothold in the life of this young person. Left unchecked, this destructive force would increasingly result in a stranger, more problematic, and chaotic life, an exquisite analogy provided by Lewis Carroll. The story shared within this book is a poignant and absorbing account as seen through the eyes of the child who lived it. Much is revealed throughout this narrative, and although the book ends, the story obviously continues. The indubitable question is not written but silently screams, what happens next?

An extensively illustrated, thought-provoking blend of forbidden subjects and unexplained world mysteries, *Deep Down the Rabbit Hole: Reality is Not What You Think*, challenges established beliefs, views, norms and current structures on a journey unveiling the hidden mysteries of mankind: past, present and reality itself. Imagine: Prison planet earth - proof of human recycling after death and collective amnesia. Mysterious buildings popping up overnight, dead people turning out to be alive, half-human hybrids among us: these scenarios once confined to science fiction are now part of our reality. One of the most important mysteries of all time solved. Rediscovered and unveiled: an ancient artifact capable of changing human history, providing limitless free energy, interstellar travel and physical longevity. This groundbreaking book deciphers cross-cultural symbols and meticulously analyses language to weave ancient global myths, stories and art into a matrix of interconnected mysteries replete with sagas of ancient atomic wars, interstellar travels, genetic engineering and even the use of artificial intelligence. It reveals the truth behind our current state as pawns for parasitic elites, dispensable batteries for economies and mass consumers of unworthy products, ideologies, entertainment and prescribed dreams. The mind-blowing information and stunning conclusions will radically alter the way we view the world and ourselves. "Deep Down the Rabbit Hole" provides the reader with an assemblage of nearly all that we don't know nor completely understand in spite of modern science and common sense, but yet have experienced by individuals throughout our human history up to today. It is written in an entertaining style with "tons" of illustrations and I'm sure you will find it worthwhile pondering the mysteries it explores. --Fred Alan Wolf PhD, aka Dr. Quantum(R), author of many books and audio courses including *Parallel Universes*, *The Yoga of Time Travel* and *Dr. Quantum Presents: Do-it-Yourself Time Travel* Adin Kachisi is an award-winning author, unconventional thinker and researcher challenging entrenched views and sharing insights on an urgent need to rethink and redesign our society. Residing in New York, he holds an M.A. degree in Urban Planning from the University of Hertfordshire and a Graduate Diploma in Interdisciplinary studies from the University of Western Australia. His broad experience also includes arts and humanities, and built environment design, allowing him effective interdisciplinary analysis on various subjects. The #1 New York Times bestselling author returns with this candid, humorous, and captivating memoir chronicling her journey toward reinvention and self-acceptance. When you've come out the other side of the bizarre, twisted world of the Playboy mansion, where do you land? If you're Holly Madison . . . there's no place like Las Vegas! After making the sudden decision to reclaim her life, Holly broke free from the sheltered, deceptive confines of the mansion (which meant exiting a hit television show) and was determined to start her life over . . . from scratch. Without the security of a job or relationship, she set out to reinvent herself on no one's terms but her own. Deciding to roll the dice and begin again in the glamorous and dreamlike city of Las Vegas, Holly quickly realized that while she may have left her past in the rearview

mirror, the labels and stereotypes that came from it weren't so quick to leave her. With a fierce commitment to take charge of her own narrative, Holly dives headfirst into a journey of self-discovery. After a whirlwind stint on *Dancing with the Stars*, she snags the coveted lead role in the Strip's hottest new burlesque spectacular and lands a reality series spotlighting her new life as a single woman. If her own television show and dream job as a showgirl weren't enough to keep her busy, Holly explores the decadent, exclusive inner-world of Sin City, navigating it's social and dating scene with humor and heart. When it comes to romance, she is met with an eclectic cast of characters, from fame hounds to long distance loves to the occasional celebrity and more than one tabloid mishap. In this reflective, heartwarming memoir, Holly learns that each dating disaster holds an important, and in some cases difficult to face, lesson about herself. *The Vegas Diaries* is a comedy of errors, set against the glitz and glamour of the dazzling Vegas strip. Through the wild and crazy experiences on one young woman's quest to "have it all," Holly faces her fears, anxieties, and insecurities to discover that her journey to self-sufficiency is also her path to healing. Letting go of trying to prove herself to others, Holly finally gains the courage to confront her past-and in the process finds the life and love she deserves.

In the previous book in this series, Manfred Kets de Vries observed the experiences of leaders on a rollercoaster ride through their professional and personal lives. Now, he follows them down the rabbit hole into the unknown, where, like Lewis Carroll's Alice, they find a dystopian Wonderland in which everyone seems to have gone mad and life functions according to its own crazy logic, throwing up all kinds of obstacles in the search for truth. Understanding what is happening around us has become more difficult than ever in the Age of Trump. Don't imperatives like "build that wall" sound very much like "Off with his head"? Unfortunately, and unlike Alice, we are not going to wake up from a bad dream and discover that everything is "nothing but a pack of cards". The first part of this book looks at the psychodynamics of leadership in both a business and a political context. The second focuses on the psychopathology of everyday life in organizations and the seemingly endless ways people can make a mess of things – including mega pay packages, acting out, digital addiction and other dysfunctional behaviour patterns. Each chapter ends with a brief anecdote to illustrate the dilemma it presents. In short, sharp nuggets, Kets de Vries helps make sense of how the madness of the present has affected leadership in organizations and the workplace.

It should come as no surprise that following the Clinton-era crime bills and the massive increase in prison construction throughout the nation over the past twenty years that, overall, crime would be down. But this has come with exorbitant costs, both in terms of dollars and human lives. The United States has an unprecedented two million offenders behind bars at an annual cost of \$70 billion. And this has paradoxically led to a widespread case of buyer's remorse. Seeing such a mass incarceration as unsustainable, a growing number of people in recent years have been calling for criminal justice reform. Consequently, lawmakers have not only begun to enact schemes designed to reduce prison sentenced for many off those currently incarcerated, there had been a more liberal use of paroles as well. The question of how well the prison experience has worked to correct offenders is therefore perhaps more important now than ever. Are we as a society to watch the correction's pendulum swing back, only to witness a precipitous rise in crime once again?Historically, incarceration has had an extremely poor record of reforming criminals. The sad fact is that reoffending is a likelier outcome following a prison sentence than is rehabilitation. And although the reasons for

this are complex, much of the problem certainly lies with the correction's culture itself. Deconstructing that culture, Down The Rabbit Hole offers a unique perspective on why corrections more often than not fails to achieve its stated goals.

When her entire existence is shattered in the blink of an eye, Ali is forced to partner with secretive bad boy Cole Holland to avenge the deaths of her loved ones by returning an undead army to their graves.

Shortlisted for the Guardian First Book Award, Villalobos's debut has sold over 10,000 copies in the UK

Curiouser and curiouser...Journey with Alice down the rabbit hole, wherever it may go, in this charming, highly-detailed and unique colouring book inspired by Lewis Carroll's beloved children's classic, Alice in Wonderland. Each spread shows a different section of the impossibly plunging depths of the hole down which Alice follows the white rabbit, and also contains excerpts from the beginning of Carroll's text.

?I know the answer to the world's deepest secret . . . Graham, a functioning alcoholic and Harvard medical student and the protagonist of Into the Rabbit Hole, stumbles across a puzzling communication from his deceased Navy Seal brother. Graham must work to unravel a litany of secrets sobering in their implications not only for himself, but for the past twelve-thousand years of human history and the secrets of the universe. Had he not, in his hungover state, opened the email, Graham could have continued on his predetermined successful, if dysfunctional, path and never embarked on the paradigm-shifting journey that so loosens his grasp on reality and obliterates not only what he chooses to believe but what he trusts as fact. With the help of his long-term girlfriend, his quirky Mensan best friend, his wild and athletic best girlfriend since childhood and his friend from Undergrad at Georgetown who followed him to Harvard for Grad school, he sets out to decode this complex cryptogram, which he soon discovers is charged with the potential to unhinge the very control that certain government officials are intent, at all costs, on maintaining. Micah T Dank takes the reader on an electrifying hunt for what is real and what is possible, encountering along the way politics, conspiracies, fringe medicine, history, and language, and what it means to survive—thrive, even—when you have the weight of the world on your shoulders. Beneath the Veil is the first book in a 6 books series Into the Rabbit Hole, that proves that love and humor may not be the answer, but that without these variables there is no worthy solution to any challenging problem or improbable situation.

It's the 1970s-- Vietnam is recent history, Farah Fawcett's a pin-up girl, O.J. Simpson's still playing football and hippie Kevin Patrick is a recent college graduate who takes a position teaching inmates at Attica Correctional Facility. It's a long drive from Buffalo and a short leap into the unknown as Patrick learns just how tough it is on the "inside" of a prison about to explode. Some of the inmates are terrifying. Other prisoners are inspiring like Richie and Reggie --who's determined to go straight and do right by his girlfriend Jameka. The author depicts Attica's inmates and the facility's staff with considerable skill during an era of turmoil and change. The author touches upon the nefarious C-block problems, shady activities and also includes a bloodcurdling account regarding the murder of a cafeteria worker and one inmate's ill-fated decision to try to escape Attica. "Life is all about fear. Some people live in fear and others use it to their advantage," notes one character as a disobedient inmate is enroute to "the box," a

terrifying punishment tool in use at that time. This novel provides a terse reminder of the importance of prison reform. [from Publishers Weekly].

Do you enjoy the reconnaissance part of a penetration testing? Want to discover issues on your network, assets or applications proactively? Would you like to learn some new OSINT based recon tools and techniques? Follow the rabbit hole and find exploitable critical vulnerabilities in the Panama Papers law firm and politics both American and international including Trump and the DNC. Analyse network and email configurations for entry points and exploits with FOCA, Maltego, Nmap/ZenMap, and Spiderfoot. Learn how to use advanced searches, alternative search engines that don't respect robots.txt., intel tools, and leak databases. Open source intelligence gathering (OSINT) and web-based reconnaissance is an important part of penetration testing and proactive defense. The more connected we are, the more information is held about everything. Yummy, juicy information for both a penetration tester or a malicious actor. Learning what sources of are available to start your search is an important first step in learning about reconnaissance and how the information could be utilized or resold. Both issues you or your client need to know. All of the tools and techniques in this book can be ninjafied with Python, Ruby or PowerShell. Initially, this book began as a presentation at the Cyber Senate Industrial Control Cybersecurity Nuclear Summit in Warrington, UK 2016. Originally, I intended to use some of the same techniques to target a nuclear power plant or someone in a nuclear regulatory capacity. After submitting my original talk idea. Daesh, otherwise known as ISIS, began publicly threatening the European nuclear industry. Due to the threats, we decided it wasn't in anyone's best interest to give a how to target nuclear installations and changed the target instead to the law firm behind the Panama Papers fiasco. The project expanded to include additional targets with mostly a political slant. 2016 was a very tumultuous year in politics. Brexit, Trump, and the rise of the interesting politics and coups in Turkey, Netherlands, Germany, Russia, Bulgaria and the Philippines. It's a lot more fun to learn about a topic in an empowering way. Also, only politicians like politicians. They make a fun target. Learning a new technique is easier when it's fun. I chose targets and case studies which gave me a happy hacker smile.

A former girlfriend of Hugh Hefner describes how her years inside the Playboy Mansion went from a fairytale of A-list celebrity parties to an oppressive regime of strict rules, scheduled sex, and a total loss of identity, so much so that she even contemplated suicide.

“Luminous... a beautiful book.” – Carolyn See For Vietnam veteran Jesse Pasadoble, now a defense attorney living in San Francisco, the battle still rages: in his memories, in the gang wars erupting on Potrero Hill, and in the recent slaying of two women: one black, one Vietnamese. While seeking justice for the young man accused of this brutal double murder, Jesse must walk with the ghosts of men who died on another hill... men who were his comrades and friends in a war that crossed racial divides. *Gods Go Begging* is a new classic of Latino literature, a literary detective novel that moves seamlessly between the jungles of Vietnam and the streets of modern day San Francisco. Described as “John Steinbeck crossed with Gabriel García Márquez”, Vea weaves a powerful and cathartic story of war and peace, guilt and innocence, suffering and love - and of one man’s climb toward

salvation.

Tochtli, the son of a drug baron, lives in a lavish palace hideout along with hit men, prostitutes, dealers, servants and corrupt politicians, but still nurtures childhood obsessions with animals and samurai. Original. 15,000 first printing.

UNDERTALE: DOWN THE RABBIT HOLE (An Unofficial Undertale Story) Frisk was plummeting down the hole in Mt. Ebott, trying not to wet herself. Her screams were nonexistent in the gigantic world of the underground. The ground is coming closer. Brace yourself, little Frisk...

A gripping standalone thriller from the “first-rate British crime writer” and internationally bestselling author of the Tom Thorne novels (The Washington Post). Alice Armitage is a police officer. Or she was. Or perhaps she just imagines she was. Whatever the truth is, following a debilitating bout of PTSD, self-medication with drink and drugs, and a psychotic breakdown, Alice is now a long-term patient in an acute psychiatric ward. When one of her fellow patients is murdered, Alice becomes convinced that she has identified the killer and that she can catch them. Ignored by the police, she begins her own investigation. But when her prime suspect becomes the second victim, Alice’s life begins to unravel still further as she realizes that she cannot trust anyone, least of all herself. Praise for Mark Billingham and the Tom Thorne novels “Morse, Rebus, and now Thorne. The next superstar detective is already with us?don’t miss him.” —Lee Child, author of the Jack Reacher series “Billingham is a world-class writer and Tom Thorne is a wonderful creation. Rush to read these books.” —Karin Slaughter, international bestselling author “With each of his books, Mark Billingham gets better and better. These are stories and characters you don’t want to leave.” —Michael Connelly, author of the Harry Bosch series “Mark Billingham has brought a rare and welcome blend of humanity, dimension, and excitement to the genre.” —George Pelecanos, writer and producer of The Wire “Tom Thorne is one of the most credible and engaging heroes in contemporary crime fiction.” —Ian Rankin, author of the Inspector Rebus novels and The Travelling Companion

The shocking, never-before-told story of the bizarre world inside the legendary Playboy Mansion—and, finally, the secret truth about the man who holds the key—from one of the few people who truly knows: Hef’s former #1 girlfriend and star of The Girls Next Door A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner’s #1 girlfriend. But like Alice’s journey into Wonderland, after Holly plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show for four years—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Life inside the notorious Mansion wasn’t a dream at all—and quickly became her nightmare. After losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex, the abuse, the infamous parties, and her real behind-the-scenes life with Bridget, Kendra, and, of course, Mr. Playboy himself. With great courage, Holly shares the details of her subsequent troubled relationship, landing her own successful television series, and the hard work of healing, including her turn on

Dancing with the Stars. A cautionary tale and a celebration of personal empowerment, Down the Rabbit Hole reminds us of the importance of fighting for our dreams—and finding the life we deserve.

Aggretsuko stars in this fairy tale tinged story about work, life, and the need for balance! When Retsuko attempts to go on vacation with Gori and Washimi, she's pulled into a terrible world where she's forced to work for her freedom. Featuring all of the fan favorite characters from the office in twisted versions of themselves, Aggretsuko must navigate the twists and turns of a world gone mad!

"A brief and majestic debut." —Matías Néspolo, El Mundo Tochtli lives in a palace. He loves hats, samurai, guillotines, and dictionaries, and what he wants more than anything right now is a new pet for his private zoo: a pygmy hippopotamus from Liberia. But Tochtli is a child whose father is a drug baron on the verge of taking over a powerful cartel, and Tochtli is growing up in a luxury hideout that he shares with hit men, prostitutes, dealers, servants, and the odd corrupt politician or two. Long-listed for The Guardian First Book Award, Down the Rabbit Hole, a masterful and darkly comic first novel, is the chronicle of a delirious journey to grant a child's wish.

Newbery Honor author Susan Campbell Bartoletti brings the story of a young girl caught up in a web of murder, lies, and the Great Fire of Chicago to bold life. In the spring of 1871, fourteen-year-old Pringle Rose learns that her parents have been killed in a terrible carriage accident. After her uncle Edward and his awful wife, Adeline, move into the Pringle family's home -- making life for her and her younger brother, Gideon, unbearable -- Pringle runs away with Gideon to Chicago, seeking refuge from the tragedy, and hoping to start a new life. She becomes a nanny for the children of a labor activist, and quickly finds herself caught up in a web of intrigue and lies. Then, when a familiar figure from home arrives, Pringle begins to piece together the devastating mystery of what happened to her parents, and realizes just how deadly the truth might be. But soon, one of the greatest disasters this country has ever known -- the Great Fire of Chicago -- flares up, and Pringle is on the run for her life.

"Tell the doctor where it hurts." It sounds simple enough, unless the problem affects the very organ that produces awareness and generates speech. What is it like to try to heal the body when the mind is under attack? In this book, Dr. Allan Ropper and Brian Burrell take the reader behind the scenes at Harvard Medical School's neurology unit to show how a seasoned diagnostician faces down bizarre, life-altering afflictions. Like Alice in Wonderland, Dr. Ropper inhabits a world where absurdities abound: • A figure skater whose body has become a ticking time-bomb • A salesman who drives around and around a traffic rotary, unable to get off • A college quarterback who can't stop calling the same play • A child molester who, after falling on the ice, is left with a brain that is very much dead inside a body that is very much alive • A mother of two young girls, diagnosed with ALS, who has to decide whether a life locked inside her own head is worth living How does one begin to treat such cases, to counsel people whose lives may be changed forever? How does one

train the next generation of clinicians to deal with the moral and medical aspects of brain disease? Dr. Ropper and his colleague answer these questions by taking the reader into a rarified world where lives and minds hang in the balance. A brilliant, no-nonsense profile of the criminal mind, newly updated to include the latest research, effective methods for dealing with hardened criminals, and an urgent call to rethink criminal justice from expert witness Stanton E. Samenow, Ph.D. "Utterly compelling reading, full of raw insight into the dark mind of the criminal."—John Douglas, author of the #1 New York Times bestseller *Mind Hunter* Long-held myths defining the sources of and remedies for crime are shattered in this groundbreaking book—and a chilling profile of today's criminal emerges. In 1984, Stanton Samenow changed the way we think about the workings of the criminal mind, with a revolutionary approach to "habilitation." In 2014, armed with forty years of additional knowledge and insight, Samenow explored the subject anew, explaining criminals' thought patterns in the new millennium, such as those that lead to domestic violence, Internet victimization, and terrorism. The arenas of criminal behavior have expanded, demanding another updated version, which includes an exploration of social media as a vehicle for criminal conduct, new pharmaceutical influences and the impact of the opioid crisis, recent genetic and biological research into whether some people are "wired" to become criminals, new findings on the effectiveness of cognitive behavioral therapy, and a fresh take on criminal justice reform. Throughout, we learn from Samenow's five decades of experience how truly vital it is to know who the criminals are and how they think differently. If equipped with that crucial understanding, we can reach reasonable, compassionate, and effective solutions.

Alice in Wonderland (also known as *Alice's Adventures in Wonderland*), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influenced generations of fiction writing.

Some of your favorite romance authors present five stories told through the looking glass—including "Wonderment in Death," a Lieutenant Eve Dallas novella from #1 New York Times bestselling author J. D. Robb! You're late for a very important date... Enter a wonderland of mesmerizing tales. It's a place that's neither here nor there, where things are never quite as they seem. Inspired by Lewis Carroll's whimsical masterpiece, ranging from the impossible to the mad to the curiouser, these stories will have you absolutely off your head. Don't be afraid to follow them... **DOWN THE RABBIT HOLE**

Kate, born to abusive, drug addicted parents, identifies an inner God voice when she is very young. This voice, and the support of her grandmother, helps her overcome her circumstances instead of falling victim to them. However, as she grows up she finds that the apple doesn't fall too far from the tree, and she discovers that she is an addict herself.

Deciding not to go down the path her parents went, she rises above her circumstances again and chooses the path of recovery. Now 8 years sober she shares how faith helped her continue to take positive action and avoid victimization every step of the way."Impossible to put down. Both drily funny and yet often terrifying, this is a raw, unflinching account of a chaotic and abusive childhood overcome by inner strength and an enduring sense of humor."

KENDRA BARES ALL Fans of the E! smash hit series *The Girls Next Door* fell in love with sporty Playboy beauty Kendra Wilkinson's care-free spirit, infectious laugh, and down-to-earth nature. Now that she's moved out of the world's most famous bachelor pad and into her own delightfully chaotic world on *Kendra* as wife to NFL star Hank Baskett and mother to their newborn son, we've watched her hilarious antics as she adjusts to domestic life. But how much do we really know about the fun-loving star? In this humorous and optimistic, sometimes heartbreaking, but always unflinchingly honest memoir, Kendra reveals the highs and lows of her extraordinary journey. She wasn't always the quintessential girl next door. Before she was a reality television superstar, Hugh Hefner's girlfriend, or one of the most popular Playboy cover models ever, Kendra was an athletic tomboy whose father walked out on her family when she was a little girl. She grew into a rebellious teenager with a serious drug habit before she quit cold turkey and beat the odds to graduate from a high school that almost didn't give her a second (or third, or fourth) chance. Following her rocky teenage years, an out-of-the-blue phone call from Hugh Hefner changed everything. Kendra dishes candidly about life in the Playboy Mansion: the sex, the parties, the show, and even her relationships with her *Girls Next Door* costars—Hef, Holly, and Bridget. She tells the true story about how she and Hank met and built a relationship in secret while she was still Hef's girlfriend and a public face of Playboy. Finally, she reflects on the slew of unexpected changes in the short space of a year that have brought her sliding into home from Playboy party girl to wife and mother with a blooming Hollywood career. If you think you've seen all of Kendra, think again. She's only warming up. . . .

Kat Parker is dead. And awesome. But mostly dead. She's become a Witness, a spirit with a single goal: save her ex-boyfriend Frosty and win the war against zombies. Okay, she has two goals. Devastated by the loss of Kat, Frosty the zombie slayer chases one dangerous situation after another. He is locked in a fierce battle of good against evil, light against dark, and his recklessness has put him on a collision course with destruction. Not even his fellow slayers can help him. But Kat is determined, and she's willing to do whatever it takes to succeed. Even putting Frosty in the path of a new love... Previously excerpted on Wattpad, this never-before published novella set in the *White Rabbit Chronicles* world provides readers with Kat's point of view during the events of *A Mad Zombie Party*.
