Updated for 2019. Practice the Theory Test questions with this easy to use theory test book. This book contains mock multiple choice questions to help prepare for the real car driving theory test, along with the answers. The best way to prepare and ensure that you pass the official theory test first time is to practice the questions until you get every one right. The book includes questions from all 14 topics of the theory test, which are based off the Highway Code. Each question is multiple choice, meaning there is only one correct answer out of four possible choices. An effective way to use this book is to highlight each of your answers as you go along, and then check them at the end.

Includes 1,257 official questions for car and motorcycle learners from the Driving Standards Agency, with answers at the back of the book. Questions are grouped under key topic headings.
