From USA Today Bestselling author of The Slaver Wars comes a new military science fiction series. Fleet Commander Kamuss of the Voltrex Federation is fighting a desperate battle to keep the massive Trellixian Empire at bay. His fleet pushes deep into the Empire facing impossible odds with stiffer resistance in every fleet engagement. Battle Commander Balforr of the Trellixian Empire has one objective driving him.

Destroy Earth and the Humans that inhabit it! He gathers a fleet to accomplish his goal and sets out to destroy the last of the Human race. Captain Mark Dolan is sent on an impossible mission. With four ships he takes on a journey to the heart of the Trellixian Empire seeking some weakness that Earth and the Voltrex Federation can exploit. He knows that there is a very good possibility that none of his crews will ever see home again. However, the survival of Earth and the Voltrex Federation depends on the success of his mission.

In the epic conclusion of the sci-fi epic The Circuit trilogy, unlikely heroes emerge, ready to die for their cause, and the fate of earth itself is at stake.

In this fresh and innovative middle grade fantasy, imagination matters most in a world where art can keep monsters trapped—or set them free. Lots of twins have a special connection, but twelve-year-old Matt and Emily Calder can do way more than finish each other's sentences. Together, they are able to bring art to life and enter paintings at will. Their extraordinary abilities are highly sought after, particularly by a secret group who want to access the terrors called Hollow Earth. All the demons, devils, and evil creatures ever imagined are trapped for eternity in the world of Hollow Earth—trapped unless special powers release them. The twins flee from London to a remote island off the west coast of Scotland in hopes of escaping their pursuers and gaining the protection of their grandfather, who has powers of his own. But the villains will stop at nothing to find Hollow Earth and harness the powers within. With so much at stake, nowhere is safe—and survival might be a fantasy.

The struggle for human survival continues following an alien invasion of Earth in this second book in the Earthfall trilogy, from the author of the H.I.V.E. series. After the harrowing events of Earthfall, twelve-year-old Sam and his fellow resistance members meet an enigmatic man named Mason who is slowly building an army to fight back against the invaders, the Voidborn. Sam and the others join Mason and his soldiers on a mission to disable Voidborn technology in Tokyo. But Sam soon discovers that Mason has an agenda beyond what he has already admitted: He isn't content just to destroy the Voidborn's machines; he plans to destroy the Voidborn once and for all with a plan that will cost the lives of millions of innocent people. But something is coming, something even worse than the Voidborn. Something very old and very evil. Something that might mean the end for them all.

It's been several months since the events of Earthfall, yet Sam's attempts to rouse the enslaved people of London from their trance-like state have frustratingly failed. Worse still, the enormous Voidborn drilling device which Sam and his friends disabled in London was one of hundreds scattered across the planet, all nearing the final stages of construction. Joining up with another resistance group, they plot to disable a drilling machine in Tokyo and in the process implant viral commands that will cause a catastrophic failure of the entire network. Just as that mission appears to have been successful, Sam and the others are double-crossed by the resistance leader. Earthfall: Retribution will take the series on to a global stage, as the true scale of the conflict being played out on Earth is revealed.

Libby and her big sister Bella used to be close, but lately it's felt like Bella is a closed book: she's sarcastic and mean and obsessed with her boyfriend. Then there's six-year-old Grace, the baby of the family. Whenever Mum and Dad aren't at work, it's all about Grace. So where does Libby fit in? Things change suddenly when the girls move to the tiny village where their dad grew up - as their bossy Aunt Thecla has offered to pay for them to go to a posh new school. Libby doesn't mind, but Bella can't bear to leave her boyfriend behind. Soon there are secrets everywhere ...

**WHEN OUR WORLD ENDED, THEIR MISSION BEGAN** The Sixty Minute War brought humanity to the brink of annihilation. Billions perished. The planet Earth was turned into a virtual graveyard, with the shattered, burned-out skeletons of great cities serving as tombstones marking Mankind's demise. But in the United States, one final outpost remains. Ten years have passed, and Harmony Base, a subterranean U.S. Army installation that survived the nuclear inferno, has yet to receive any response to its continual radio transmissions. Long-range surface reconnaissance missions fail to locate any other survivors. Harmony's personnel, a mix of military and civilian specialists, wonder if they are the only living beings left on the planet. Earthquake damage to the base's vital power plant necessitates a different type of mission: the retrieval of spare parts from a storage depot in San Jose, 1,600 miles distant. Captain Mike Andrews and his crew set out across a Giger-inspired landscape blighted by lightning storms and deadly hazards that could swallow their all-terrain vehicles whole. The last thing Andrews expects to encounter in the nuked ruins of San Jose are survivors led by a twisted freak with mental powers off the scale... Harmony is America's last chance to rise up from the ashes of the nuclear holocaust and help restore civilization. But only if Andrews and his crew can escape San Jose...and the madman who calls himself The Law.

The ninth gripping instalment featuring Otto and his friends from H.I.V.E. Can they come together to defeat their most terrifying enemy yet? Prepare for the ultimate H.I.V.E. adventure when revenge casts long shadows and no-one is safe!

From USA Today Bestselling author of The Slaver Wars comes a new military science fiction series. The Trellixian Empire was constantly expanding, seeking new worlds for their ever-increasing population. If worlds were discovered with existing sentient populations, they were cleansed to make room for colonization. Hundreds of budding civilizations had been eliminated by Trellixian battle fleets. On Earth years in the past, a scout ship fleeing from the Trellixians crashed. Scientists investigating the wreckage discovered what the Trellixians had done to the world the scout ship escaped from. They also discovered it was only a matter of time before the Trellixians reached Earth. A daring plan was implemented involving the major world powers. They would prepare in secret for the coming of the alien invaders. The only question was, how could one world resist a galactic empire?

Far away, in another galaxy, the knights of the Solstar Order, defenders of justice and truth, were ambushed by the evil magicians,

the Dire Wraiths. In the end, the Solstar Order prevailed and began seeking out its scattered enemies. One of these knights has followed the trail of the Dire Wraiths all the way to Earth. This knight, the one the Dire Wraiths fear more than all others has hounded them and kept them underground for centuries and could wipe them off the face of creation. He is ROM, Lord of the Solstar Order, Rom, the Wraithslayer. Collects issues #0 4 and Rom: Revolution #1."

For use in schools and libraries only. Confronting his brother Elemak while on board the starship Basilica, Nafai, the chosen ship's Master, begins a generations-long struggle that will culminate in a return to planet Earth.

Chia Swann makes a secret landing on the nuclear-ravaged earth to see if any humans survive amongst the wandering mutants Centuries after Earth was rendered an uninhabitable wasteland, humanity was forced from its homeworld and founded the Kepler Circuit, a string of colonies throughout the solar system. These settlements provide resources to the remnants of humankind, the most important resource being the newly discovered element—Gravitum—found only in the Earth's unstable mantle. But a powerful religious faction known as the New Earth Tribunal has risen to preside over most of the Circuit. Though there is barely a faction left to challenge them, a string of attacks on the Tribunal's freighters causes them to suspect their mortal enemies, the Ceresians, of foul play.

Otto and Raven are desperate to rescue their friends from the clutches of Anastasia Furan, head of the evil Disciples organisation. First they must track down the location of the Glasshouse, the prison where Furan trains children to become ruthless assassins. But Otto is also being hunted. The three months that Otto has spent following his 'expulsion' from H.I.V.E. have given the Artemis Section – an elite division of the American intelligence services that specialises in capturing the toughest targets and reports only to the President – an opportunity to locate him. Deadlock – the eighth book in the breathtaking H.I.V.E. series – continues the high-octane adventures of the supremely talented criminal team, with central characters forced to question everything that Nero has taught them and to confront the consequences of life as a villain, set against the backdrop of a daring high-tech prison break where nothing is quite as it seems.

Henry thinks he is simply saving a butterfly from being eaten by Mr Fogarty's cat - but he is in fact saving the life of a misdirected exiled fairy prince. A prince who has to get back to his own land in order to thwart a threatened attack by the Faeries of the Night. But time is against Pyrgus Malvae and soon he is relying on Henry and Mr Fogarty not just to get him home but also to solve the puzzle that surrounds his exile. A wonderful, gripping, page-turning read full of the kind of detail that will ensure that this fabulous fantastic novel will have readers young and old holding their breath as the story unfolds.

Sam and his friends embark on one last mission, one final epic final battle against their alien enemies to determine the fate of the Earth in this fast-paced, action-packed conclusion to Mark Walden's Earthfall Trilogy. After the death of his father, Sam is still struggling to come to terms with the Illuminate powers that he inherited, the changes that the alien nanites have wrought on his body, and the mysterious summons calling to him, urging him to come and retrieve "his birthright." After separating himself from his friends, Sam realizes the call is coming from the Primarch, an ancient spaceship and the first of the Voidborn, a digitized Illuminate consciousness, that was driven insane after it was left drifting lost and alone in space for thousands of years. It's calling to him to join the fight and destroy the Vore. But just as Sam thinks he finally has an ally against the Vore, he realizes the Primarch has an agenda all its own... As the final conflict takes place in the skies above the Grand Canyon, Sam is forced to confront the fact that even with some surprising new allies, the price for defeating the Earth's invaders may be vastly more than he is prepared to pay. One thing is certain, whatever happens, life will never be the same for Sam—or for the rest of humanity—ever again.

With a cast of heroic cats and dastardly dogs, "Cat Patrol Delta, Episode #1: Earthfall" is a wonderful romp that readers of all ages are sure to enjoy.

One fairytale setting, two very different families and a lot of strange and magical happenings. From Carnegie Medal winner Sharon Creech

H.I.V.E. (Higher Institute of Villainous Education) is a top-secret school of applied villainy where children with a precocious gift for wrongdoing are sent to develop their talents into criminal mastermind. After all, 'villains have the best lines and wear the best costumes'. One small catch is that the children cannot leave until training is complete, six years later. With villainy comes a certain freedom of thought, and every year one student in particular will show exceptional talent - after all, it takes the best to produce the worst. This year there are two students: Otto Malpense and his new friend Wing Fanchu are both exceptionally bad, and they are definitely not keen on being held against their will for six long years . . .
