know how to play it? If you long to sing and play songs, then this book is for you. This book is not a rote learning tool nor a textbook. We spared you the annoyance of reading a mechanical write-up. We've tried to be as humane and relatable to your troubles as much as we can. Most of the information you'll get from this book is relevant in any style of guitar playing. By the end of this book, you should be able to: -Choose the best guitar for your needs-String and tune your guitar -Play basic chords on the guitar -Play different strumming patterns -Understand how chords are formed -Groove with riffs and the pentatonic scale -And most importantly, you will be able to read music. Book 2 With this book, you'll learn the magic of music and musical instruments. Every modern band has at least one guitar in the group. The guitar is not only easy to play, but it is also versatile. And who doesn't love a great guitar solo? The guitar can fill in the tones ranging from the lows of the bass guitar to the highs of the lead guitar. In this book, you'll learn about the different types of guitars, the material used to make them, and the kind of music you can play. Underlying music is the theory that defines the arrangement of notes and the way you play chords. Learning this will help you understand how the world of music connects each instrument and forms a song. You can open magical doors by understanding how to transition between notes and use chords. In this book you'll discover: -How to care for and maintain your guitar-Gadget, tips, and tricks to help you refine your playing-Basic major and minor chords found in most songs-Diminished, slashed and inverted chords-The basics of playing songs for beginners Book 3 Each chapter of this book focuses on the basics first and then moves on to some intermediate tips for the individuals who want to learn additional information. The guide starts off with the origin of the "modern acoustic guitar" and how it evolved into what it is today. The chapters that follow have been organized in the manner of importance. So, the beginners learn about basic chords first and some background surrounding the guitar. The chapter that follows details different strumming and picking patterns/styles prevalent in the music world. In this book you'll learn- How to understand chord charts-Tips and tricks to get the best tone out of your guitar-How to play open, advanced and barre chords with ease-Strumming techniques and easy patterns to play-Fingerpicking basics, including fingerpicking exercises-How to play popular songs-How to record your guitar and get the best sound-Recording tips and tricks- Everything you need to know about which microphone to choose Each new skill covered in the book is dependent on the skill learned in the previous chapter. If taken step by step, this guide can be useful for attentive beginners who are willing to put in the time and effort. If you love the sound of the acoustic guitar and have always dreamed of playing it, then why put it off any longer? Act now and get your copy of this book today!

Frustrated with those terrible YouTube video guitar tutorials? Well, the feeling is mutual. Spending years researching all popular beginner guitar books out in the market and using them for 20 years teaching my students. There was never a time where I had to jump to other guitar material to cover what was missing in the current book I was teaching off of. Are they ever going to come out with a book that will cover what's needed for beginning guitarists? This is where my journey began to create the ultimate beginners guitar book. Now it can be in your hands today!

"The Only Beginner's Guitar Book You'll Ever Need" gives you everything a total beginner needs from: 1. Covering all 15 basic guitar chords (majors, minors, sevenths) 2. Finger exercises that help build strength and dexterity while playing. 3. Covers eighth notes and rests. (all beginner books do not cover this topic) 4. 10 original tunes. 5. Proper strumming patterns. 6. Play in

different styles, including rock, blues, latin, folk, and classical. 7. Very simple to follow instructions and illustrations. And much more... "The Only Beginner's Guitar Book You'll Ever Need" is a slam dunk for anyone interested in speeding up their guitar process.

The Complete Idiot's Guide songbooks are designed to get novice guitarists playing immediately, and playing the songs that inspired them to pick up a guitar in the first place. Each song in The Complete Idiot's Guide books is preceded by a lesson that focuses on the most important technical and musical features. Fingerings, patterns, and techniques are discussed and broken down to help make learning smooth and simple. Most guitar songs are relatively easy to play, and the arrangements in these books are simplified just enough to show those core, natural guitar parts without being overcomplicated, just the way a friend might show someone how to play a song one-on-one. Learning is made even simpler with each song written in standard music notation plus TAB and guitar chord diagrams. Learn top hits within a matter of hours! The Complete Idiot's Guide to Acoustic Guitar Songs features 30 songs total from artists such as Eric Clapton, Eagles, Fleetwood Mac, Jimmy Buffett, Joni Mitchell, and many more.
