

Easy English Spoken Guide

Learning to Read in English and Spanish Made Easy A Guide for Teachers, Tutors and Parents By: Susie G. Navarijo

Reading is fundamental to every child's growth. It expands their creative experiences and allows them to venture into the unknown. It also expands their vocabulary and develops concepts that are going to help children with communication skills and prepare them for academic success. Reading is the critical foundation for learning. All children should have the opportunity to learn and have the right to excel to the best of their ability, especially in reading. Children come to school with different needs, and because of this, it is a challenge to get through to all of the children. If the expectations are high for everyone, then everyone will have a better chance of reading to their potential. A teacher has to be open to and on the lookout for many ways to teach the same objective because children come to school from different backgrounds, experiences, and abilities. The more the teacher knows of a child's background and language experiences, the more insight there is into his/her learning process. In Learning to Read in English and Spanish Made Easy: A Guide for Teachers, Tutors, and Parents, Susie G. Navarijo shares the unique methods she developed over three decades of teaching reading in the first grade. She also shares experiences she has had in trying to help children with special needs and backgrounds. Her insight and experiences are sure to be of help to anyone who wishes to help children of all ages and abilities.

Collins Easy Learning English Verbs is an accessible guide to English verbs. With simple explanations of English verbs and the way they work, this book will prove indispensable for anyone who wants to improve their knowledge of English verbs.

A simple grammar book - fun, easy to use, with lots of pictures. For learners of all ages. A totally new way of learning English! Learners - This book makes English grammar easy for you to learn and remember. We use pictures and diagrams, and simple exercises. See how the grammar works and do the exercises. There are no difficult explanations. It's simple. Now you can understand and use English grammar! Teachers - Jim Rose and Steve Elsworth are best-selling English language authors. Graphic Grammar is a completely new approach to English grammar using visual explanations. The Graphic Grammar series consists of four books, taking the learner from complete Beginner to Early Intermediate stages of English. Each book has fifty units of grammar, with an illustration to exemplify the grammar point, with grammar tables, examples, and practice sentences. All of the practice sentences have answers for self-checking. The language is carefully graded so that the books can be used at home for self-study, or in class with a teacher. The basis of the Graphic Grammar books is that it is easier to see and understand English grammar than it is to read abstract

descriptions. Learners can see patterns in the English language, making it easier to understand and remember English usage. Difficult grammatical areas are covered - use of definite or indefinite articles, regular and irregular verb formations, verb transformations, pronouns, adjectives and adverbs.. Brilliantly simple - simply brilliant!

The book is a listening and speaking textbook for non-native learners and speakers of the English language, especially those within the West Africa Examinations Council catchment areas. It comprises of 11 chapters, each of which discusses an aspect spoken English beginning with the speech sounds. At the end of each chapter, there is a trial exercise for users to practice. The book comes with 165 audio files to support the listening and speaking activities from the first to the last chapters.

Whether you're a native English speaker or not, you've most likely realized that English is a tricky language. Almost every grammar rule has variations and exceptions, which make the language confusing and challenging. The good news is that English instructor Sitara Maruf has now put her original curriculum into an easy-to-use guide, so you can independently

study and strengthen your grammar. She uses familiar examples from daily life and explains grammar rules and concepts, one topic at a time. She also points to variations and exceptions and how to avoid common mistakes. s Which article can be used before a noncount noun? s Which verb tenses do not need helping verbs? s How is a comma used with quotation marks? From parts of speech and articles to capitalization and punctuation, she also clears up trouble spots, to help you understand, apply, and remember the rules. Moreover, there are worksheets, quizzes, and answers to test your new knowledge. Once you have satisfied your intellectual curiosity, this guide will serve as a future reference and a supplement for English and writing courses. Today, begin your journey toward achieving a greater command of English grammar and increasing your confidence in speaking and writing English.

This 144-page book is a quick-and-easy guide to help children ages 7 through 11 understand English grammar. » Inside the book are clear and simple answers to basic grammar questions. » Fun games and puzzles in each chapter help children quiz themselves on what they learn.

This is a self-study guide to the Japanese language Harvard University's Tazuko Monane teaches you the secret of speaking Japanese fluently in simple 20-minute lessons. Each lesson zeroes in on one everyday activity: introducing yourself, asking directions, ordering sushi, giving directions to a taxi driver, eating with friends, and other everyday conversations. Japanese Made Easy is designed for people living in or going to Japan who would like to learn Japanese but have never studied it before. Obviously, living or traveling in Japan is itself not the secret to learning Japanese—many Westerners live in Japan for a long time and except for a few words learn very little about its language. The important thing will be your motivation to learn. An ability to speak Japanese and read Japanese is vital to understanding your surroundings. Whether you travel to Japan as a tourist, student or businessperson, whether you use this book before or after your arrival in Japan, what could provide better motivation than knowing that a familiarity with the Japanese language (and with the culture it reflects) will help make your stay in Japan much richer and more interesting. If you have the good fortune to know a Japanese person, he or she will surely make your learning even easier—especially when you study pronunciation. But don't be discouraged if you have no "live model" to learn from. By following the simple suggestions given here, you will be able to come out with good understandable Japanese on your own. Key features of this book include: More than 40 social situations commonly encountered by foreigners in Japan—including greetings, asking directions, dining out, visiting places, and shopping. Practice exercises based on over 30 of the most important Japanese sentence patterns, with example sentences and answer keys. Notes on the key points of Japanese vocabulary and Japanese grammar. A comprehensive glossary of important Japanese words and an index of vocabulary and grammar items.

Do you want to learn the English language? Do you want a fun and powerful book to teach you this language? This book is about greetings and how to use them in English language. This book is 6x9 and easy to carry with you as you learn this language. What is the use of English language? Any language has one purpose that is to help us communicate with each other. English language is no different so its purpose is to enable communication and interaction between people.

Learning English as a Foreign Language For Dummies For Dummies

Did you ever hear the one about the Jewish telegram that simply read: 'Start worrying. Details to follow'? Like the one above, there are plenty of stereotypes that exist about Judaism. One thing, though, is for certain. This is a really interesting religion that has been around for thousands of years, and it has an enthralling history. Sometimes that history has been sad, but it's an enduring religion that is still followed by plenty of people today. Woody Allen, Albert Einstein, Mel Brooks, Leonard Bernstein, Natalie Portman and Elizabeth Taylor are all Jewish, and who doesn't like the work they do? (They're not the only Jews; they're just some famous ones we found to get you interested. There are actually more than 13.1 million Jews around today.) So, with that in mind, let's take a look at Judaism and some of the key figures from the religion's history. The "Plain and Simple English" series is part of BookCaps™ growing library of book and history recaps.

Two CD set pronunciation practice guide accompanies the book Creole Made Easy. Ideal for students of the Creole language, newcomers, and visitors to Haiti. The CD set covers: How to pronounce Creole letters and words, the basic elements of Creole grammar, sixteen easy 15-20 minute lessons, and easy practice exercises in English with Creole translation. The Creole words and sentences in each of the sixteen lessons of the book Creole Made Easy are spoken so that the student may listen and practice. The Creole words and phrases are first spoken slowly and deliberately for maximum pronunciation emphasis. They are then repeated at a slow speaking pace with slight inflection for better contextual practice.

Collins Easy Learning English Idioms leaves no stone unturned in its detailed exploration of common English idioms. Comprehensive and indispensable, this guide will help you make head or tail of contemporary English usage and become the cat's whiskers at communication. Providing a helpful and often fun guide to key English idioms, this reference also features explanations of use, real-world examples, usage guidance, and notes on where the idioms come from.

An exciting addition to the Easy Learning range, Collins Easy Learning English Conversation: Book 1 is a unique guide to communicating in English. It has been specially designed for beginners who want to learn how to communicate successfully and with confidence in everyday situations, at work, or when travelling or studying. The text consists of 14 units, each illustrating the language used in a particular situation. The topic-based units cover the language learners need in everyday situations, but also language for more formal situations, such as a seminar or business meeting. Each section contains a list of the most useful phrases, with information on where and when they should be used, and a short sample of a conversation, showing the learner how a typical conversation flows in English. An audio CD contains all the conversations from the book, and allows the user to practice what they have learnt. In addition, the supplement contains all the everyday expressions and language structures that learners need to speak in natural English, organized by function. Each section also contains a glossary of useful vocabulary, making Collins Easy Learning English Conversation: Book 1 an indispensable resource for students who are just starting to learn how to speak in English and want to be sure they can communicate with confidence.
