This practical grammar book is the result of 16 years of teaching online to adults and young students located all over the world. I believe that French grammar should not be a stumbling block to learning the language and should not discourage learners of French to embrace the beautiful journey of becoming fluent. Hence, I felt that it was important to explain the grammar rules in English and in the simplest way possible without including too much grammar jargon, so that a beginner could grasp the essential elements of grammar to build sentences. Every grammar point is followed with exercises to practice what has been taught. Whenever possible, the answers are included in the back of the book (some answers are open ended questions and therefore have no right or wrong answers). This grammar book is aimed to teach A1 levels (total beginners) to the B1 level (intermediate level). Perfect for self-study, but also ideal for supplementary grammar activities in the classroom. Step by step with a teacher or on their own, French learners can learn to construct their sentences and gain plenty of practice.
