Home educator Laura Berquist presents a modern curriculum based on the time-

tested philosophy of the classical Trivium—grammar, logic and rhetoric. She has given homeschoolers a valuable tool for putting together a "liberal arts" curriculum that feeds the soul, as well as the intellect. Her approach, covering grades K - 12, is detailed and practical, and it is adaptable by parents and teachers to any situation. This third revised edition includes a much expanded section for a high school curriculum, and an updated list of resources for all grades.

The premiere guide for choosing homeschool curriculum. For beginners or veterans, Cathy helps you wade through the curriculum jungle to choose what's right for each of your children. Reviews of hundreds of books, games, videos, computer programs, parent helps, and much, much more for all subjects.-- Learning styles: Cathy helps you determine each child's learning style, then choose methods and resources that fit each child.-- What your child needs to know -- what is typically taught at each grade level-- Which resources allow your children to work independently, which work best taught one-on-one-- Identifying and dealing with learning disabilities plus a list of consultants for extra help-- Testing: the good and bad of testing, different kinds of tests, where to get them, testing services-- Addresses, phone numbers, faxes, e-mail, and web sites for all publishers and distributors-- How to consolidate your shopping and save shipping costs Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
