But when he departed, their relationship ended as abruptly as it started. When he next returned to Miami as a successful rock star, most would have thought he had it all. With a gorgeous girl on his arm, Gray had money to burn and already headed for worldwide fame. Stunningly handsome, the lead singer was every girl's dream. He thought he was happy, but he couldn't forget the college girl he'd left behind.

Acontius desires the one thing in life he can't have—a soul mate. Raised by the Greek goddess, Artemis, Acontius swore an oath to serve her for eternity, and abstain from love. Centuries later, when Olympus has fallen and the gods live amongst humankind, Acontius discovers a young woman who mirrors his loneliness and longing. Throwing caution to the wind, he tosses an apple at her feet, engraved with words that bind them to one another. Delia's life is in shambles. She's just lost her job, suffered through a recent breakup and her health is declining. What she needs more than ever is a getaway trip to another country. But when she meets a playful museum worker, Delia decides to let her walls down for once, which unwittingly sparks a goddess's ire. With Delia's life hanging in the balance, Acontius must ensure she falls in love with him—or

else she'll die and he'll become another one of Artemis' hunting dogs for eternity. (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

Bob Wiseman believes most things in life are universal or, as Lauryn Hill says, everything is everything. Bearing in mind that advice, Wiseman writes about finding the link between music and daily life, like what is common between Mary Margaret O'Hara, hiding around the corner with the lights turned off in order to record herself and his 5-year-old insisting he stop hurrying to her dance lesson and marvel at the fluff ball she is blowing toward the ceiling. Each entry is unique and compellingly written, but the themes throughout — on improvisational music, life lessons, and conflict — are ubiquitous.

What if you are stuck between life and death and in midst of it you fell in love with someone who cares for you, who can read between your words and give you the amazing feeling you never experienced before. Doesn't it feel like forever? Ritvika, an introverted teenager, was overthinking about her new school after her dad's transfer. Her mundane life turned into an exciting journey with her selection in the school band. There she met 'Krishna', with whom she developed a strong bond and soul connection. Life was happening, Ritvika was enjoying her moments until she gets to know about her numbered years which her parents intentionally hide from her. Her happy world scattered in pieces but Krishna who knew nothing of her life was collecting all her broken pieces together unknowingly, which made a special place in Ritvika's heart. The Lost Words is the story of a teenager unveiling the eternal connection between love, life

and death.
