

## Edexcel Igcse Ict Theory Revision

????

The only resources designed for the Cambridge IGCSE® Chinese as a First Language syllabus (0509). Take an active approach to first language Chinese with activities that reinforce language learning and expand vocabulary and idioms. The coursebook focuses on building students' reading and writing skills through real Mandarin Chinese texts about different topics, such as Chinese philosophers and sport. It also provides opportunities to develop essential life skills including creative thinking, communication and problem solving. At the end of the course, students should be able to critically analyse literary work written in Chinese and demonstrate a strong writing ability. Suggested answers to the coursebook questions are in the teacher's book.

A flexible suite of resources providing full coverage of the Cambridge IGCSE® Mandarin as a Foreign Language syllabus (0547) for first examination in 2015. With a skills-based approach and an international focus, this coursebook with audio CDs promotes a deeper understanding of the Mandarin language and culture. Engaging texts, images and audio enhance the activities in the coursebook and help students develop language skills. Exam-style questions and clear learning objectives encourage self-assessment and support students through the Cambridge IGCSE® Mandarin as a Foreign Language course.

The only resources designed for the Cambridge IGCSE® Chinese as a Second Language syllabus (0523) for first examination from 2020. With topics ranging from festivals to travel and technology, each unit is based around one authentic Mandarin Chinese text and audio recording. This mix of content helps students engage with the subject and develop their ability to handle real language materials. Audio recordings (available online) help students practise the new listening aspect of the course, while 'Culture boxes' provide interesting insights into Chinese culture. Students will work collaboratively with others - sometimes in pairs and other times in groups - to develop language skills through communication. Answers to the coursebook questions are in the digital teacher's resource.
