

Eggs

Reproduction of the original: *The Nests and Eggs of Indian Birds* by Allan O. Hume

With the horrors of Halloween behind them, Kiko and Dom turn their puzzle solving skills to surviving the holiday season. Dom hasn't had a proper Christmas in years, and Kiko's sister visiting makes him feel almost like family -- until his brother, Devin, decides to show up and throw his disapproval into the mix. Just when it seems like they have enough to deal with at home, local artist Cat asks them to solve her vandalism problem. Still shaken from their last mystery, Kiko and Dom only agree to help her due to the lack of murder. But when the property damage escalates and Kiko begins receiving threatening letters, this harmless little problem turns deadlier than anyone thought. And if they can't get to the bottom of the family drama fast enough, Kiko might never be home for the holidays again.

“A joyous, exuberantly fun-filled novel of second chances. An absolute delight from start to finish!” —Sarah Haywood, New York Times bestselling author “Bracing, hilarious, warm, this novel is as wayward and mad as the human heart.” —Judy Blundell, New York Times bestselling author A hilarious and heartfelt debut novel following three generations of a boisterous family whose simmering tensions boil over when a home aide enters the picture, becoming the calamitous force that will either undo or remake this family—perfect for fans of *Where'd You Go, Bernadette* and *Evvie Drake Starts Over*. When Kevin Gogarty's irrepressible eighty-three-year-old mother, Millie, is caught shoplifting yet again, he has no choice but to hire a caretaker to keep an eye on her. Kevin, recently unemployed, is already at his wits' end tending to a full house while his wife travels to exotic locales for work, leaving him

solo with his sulky, misbehaved teenaged daughter, Aideen, whose troubles escalate when she befriends the campus rebel at her new boarding school. Into the Gogarty fray steps Sylvia, Millie's upbeat home aide, who appears at first to be their saving grace—until she catapults the Gogarty clan into their greatest crisis yet. With charm, humor, and pathos to spare, *Good Eggs* is a delightful study in self-determination; the notion that it's never too late to start living; and the unique redemption that family, despite its maddening flaws, can offer.

Reading portions of chapters before the lecture discussions and laboratory sessions will be helpful in giving students an understanding of the material. Also, this gives the instructor an opportunity to emphasize in the lectures areas of current concern in the industry, and to present topics of his or her choice in greater detail. We wish to acknowledge and thank the following scientists who reviewed and critically evaluated the several chapters and made many helpful suggestions: Dr. Bobby Barnett, Clemson University; Mr. D. O. Bell, University of California; Dr. Donald Bray (retired), University of Illinois; Dr. W. H. Burke, University of Georgia; Dr. Frank Cherms, Nicholas Turkey Breeding Farms, Inc., Sonoma, California; Dr. Wendell Carlson (retired), South Dakota State University; Dr. J. V. Craig, Kansas State University; Dr. K. Goodwin (retired), Pennsylvania State University; Dr. T. L. Goodwin, University of Arkansas; Dr. G. C.
