Paired with the Chaoyue: Advancing in Chinese language text, this workbook completes one of the most sophisticated and comprehensive language instruction tools currently available. The workbook cements students' interpersonal communication skills and their ability to present and interpret Chinese as it is spoken and written. Filled with authentic uses of the language from everyday life, the workbook, just like the textbook, paints a vivid portrait of the Chinese-speaking world for a variety of students to grasp. Also in line with the text, the workbook emphasizes communication, cultures, comparisons, connections, and communities, and includes relatable topics, such as the self, schooling, and social customs, altogether engendering an appreciation of Chinese within a solidly global context. Instructors may request an answer key by sending an e-mail to Jonathan Fiedler at jf2801@columbia.edu. Please provide your name, title, institution, and number of students in the course.

Provides an elementary approach to learning Chinese. Both versions represent the traditional and simplified characters, focusing on the character type represented in the title. Elementary Chinese with exposure to both character types. Practice is given to writing of the character types and there is an abundance of practice with the language and the culture. Intended for those interested in learning Chinese.

Chinese language textbook used in the third year of the Princeton University program.

Modern Mandarin Chinese Grammar provides an innovative reference guide to Mandarin Chinese, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. Part A covers traditional grammatical categories such as phrase order, nouns, verbs and specifiers. Part B is carefully organized around language functions and notions such as: Communication strategies Making comparisons Giving and seeking information Expressing apologies, regrets and sympathies The two parts of the Grammar are closely linked by extensive cross-references, providing a grammatical and functional perspective on many patterns. All grammar points and functions are richly illustrated with examples, with a strong focus on contemporary usage. Main features of the grammar include: Examples given in simplified characters, traditional characters and romanization (pinyin) Clear explanations and accessible descriptions Particular attention to areas of particular difficulty for learners of Mandarin Chinese Implementing feedback from users of the first edition of the Grammar, this second edition has been revised throughout to offer

expanded explanations, examples, cross-referencing, and indexing and brand new chapters on aspect, resultative verbs, directional verbs and "ba" sentences. This is the ideal reference grammar for learners of Mandarin Chinese at all levels, from elementary to advanced. No prior knowledge of grammatical terminology is assumed and a glossary of grammatical terms is provided. This Grammar is accompanied by the Modern Mandarin Chinese Grammar Workbook (978-0-415-83488-9; available for separate purchase) which features related exercises and activities.

With the display of both Zhuyin and Pinyin phonetic notations, this is a study book for elementary school students learning to read and write Chinese characters. The author constructs the stories in frequently misused Chinese characters to demonstrate correct writings, which students will learn by comparing differences from the text. (Volume 5 of the series)

"A veritable feast of concise, useful, reliable, and up-to-date information (all prepared by top scholars in the field), Nienhauser's now two-volume title stands alone as THE standard reference work for the study of traditional Chinese literature. Nothing like it has ever been published." -- Choice The second volume to The Indiana Companion to Traditional Chinese Literature is both a supplement and an update to the original volume. Volume II includes over 60 new entries on famous writers, works, and genres of traditional Chinese literature, followed by an extensive bibliographic update (1985-1997) of editions, translations, and studies (primarily in English, Chinese, Japanese, French, and German) for the 500+ entries of Volume I.

Literary Representations of Christianity in Late Qing and Republican China examines the multiple representations of Christianity through the major genres of Chinese Christian literature (novels, drama and poetry) of the late Qing and Republican periods.

Ni Hao, Level 2 (3rd edition) consists of a student textbook, student workbook and four audio CDs. Lessons 2 and 3 have been renamed but the content is primarily the same. Lesson 6 was eliminated. One more review lesson has been added as Lesson 5. A new section "About Pinyin and characters" has been added to this new edition. It highlights some areas that students would like to know when learning the rules of pronunciation. In the student workbook the first section of each lesson provides word recognition practices instead of listening to statements and identifying the picture as in the 2002 edition. The audio CDs cover all sections in each lesson which provide support to students for independent listening opportunities. The sections in the student textbook and workbook exercises are clearly annunciated.

Elementary Mandarin Chinese Textbook is a new beginner Mandarin Chinese course which enables you to quickly learn the basics of the language. The 24 lessons in this book are meant to be used in 3 hours per week of class instruction over one academic year. Students will need another 2-3 hours of outside practice and review for every hour of class time, using the materials in the accompanying Elementary Mandarin Chinese Workbook. These books can also be used by self-study learners due to the extensive explanations and free supplementary materials available -- including online audio and video recordings and flash cards. The entire course can be completed in 25 to 35 weeks and teaches you the basic skills of listening, speaking, reading and writing Mandarin Chinese at a conversational level. Each lesson starts with a dialogue and includes a list of new and supplementary Chinese vocabulary along with questions and grammar notes about the dialogue, a reading section and extensive exercises (that are in the Workbook). Elementary Mandarin Chinese Textbook offers the following significant advantages over other similar textbooks: Common, everyday Chinese dialogues are used for listening and practice -- complete with vocabulary lists and questions and storylines based on actual everyday experiences in China Chinese grammar is explained in simple, non-technical terms with useful notes and tips given Reading exercises are provided for all new words and phrases in each lesson Free online audio recordings by native speakers from various parts of China help you not only acquire correct pronunciation but
