

English 365 For Work And Life

This is the second book for J C Sum's "Unwritten: A Hands-off Book Test that Transcends Words." "Unwritten" is a professionally designed and produced book that allows you to bring the traditional book test beyond just words by incorporating visual drawings as the focus of the thoughts and revelations. It is perfect for performers looking to present a visual book test routine. The 260-page 5.5" x 8.5" book is in the form of an English language guide for travelers which gives motivation for the book content, layout and format. From a presentation point of view, the English language guide for travelers also allows for a variety of interesting introductory patter presentations. The nature of the book makes it perfect for shows for corporate events, travel fairs, tourist attractions, cruise ships, schools & libraries. The full "Unwritten" routine consists of two different basic effects. Effect 1 - Any Word Drawing A spectator opens the book to any page and chooses a word describing something that she can visualize in her mind. Without asking for the page number or any specifics of the word (such as the length of the word or the letters it contains), the performer correctly draws out the image that the spectator is visualizing. Effect 2 - Imagined Drawing Prediction A spectator opens the book to any page and mentally selects a word from the last line of a chosen paragraph. She makes a simple drawing that represents the word and then uses her imagination to add to the sketch to make it into a larger picture. A sealed envelope that has been in full view from the start of the show is

opened to reveal a prediction drawing that correctly matches the spectator's imagined drawing! Note: Instead of a prediction, you can perform the effect as a drawing duplication. Both effects can be performed individually or together to form a complete routine. The routine can be performed in casual settings or close-up, parlour and large-scale stage shows. "Unwritten" includes the following features: - Can be Performed Completely Hands Free - The Book Can be Freely Examined During Performance - No Pumping for Page Numbers, Length of Word or Specific Letters - No Peeks - No Switches - No Pre-Show Work - No Sleight of Hand - No Memory Work or Cribs - No Assistants - Large Fonts Make the Text Easy to Read - Can Be Performed Stand-Alone or with Other Book Tests

In a small wooded lot a busy woman stumbles upon a strange doll the neighbors possibly left. She attempts to reveal who brought the toy to her home, but she uncovers no real leads. Then when a letter turns up asking her to give the doll away as soon as possible, she ends up on the edge of reason as the doll is in the midst of being reclaimed by someone. The doll although small and cuddly resembles a somewhat black entity similar to a doll she keeps in her home, but when a nearby psychic and fortune teller comes to her home asking her to give up the doll to keep her sanity, but she refuses. The stuffed animal then turns out to be more then she bargained for when the bear starts to grow a tail and red eyes. When she discovers those details, she desperately tries to send it away to a pawn shop owner, but the next day he ends up dead, and a new feeling that the stuffed bear may not be what she considered a stuffed cuddly toy anymore. The story focuses on the character of Mary, and the stuffed bear that she suddenly inherits when the doll is left on her doorstep. She finds that although the stuffed bear did have an owner, he ended up in a mental institution, and the bear was

simply left behind, either by someone else or the bear itself. She doesn't want to come to the terms that it could have ended up on her doorstep, by itself, but when the tale that the previous owner claimed is finally revealed, she desperately searches for an answer to the horror of Truggle.
