

## English Grammar In Use 3ed Edition

Approaching grammar as a process and not a product, this text engages readers in a conversation about English that will help them reflect on how their language works and understand the social judgments that accompany language use--making them feel they are active participants in shaping their language rather than passive victims of grammar rules that someone imposes on them. Employing the terminology of traditional grammar combined with the insights gained by modern linguistic analysis, it describes English as an instrument of communication, and lays the necessary groundwork for thinking about language so that students can extend what they learn to new situations and apply their knowledge of language in ways most useful to them. Three different types of exercises support the learning and review processes and motivate readers to think, talk, and write about English with increasing confidence and sophistication as the term progresses.

The Basic Grammar in Use Workbook provides students with further opportunities to practice difficult grammar points and consolidate their understanding of related topics covered in Basic Grammar in Use, Third edition. It offers a wide range of challenging activities and opportunities to work with grammar structures in meaningful contexts. This edition, with answers, can be used in the classroom or for self-study.

Grammar in Use Intermediate is a highly successful grammar text known for its clear, concise explanations and innovative format. Ideal for students preparing for the TOEFL ® test or other standard examinations, the new edition of this popular North American English grammar title offers even more support, with a larger format to include more explanation and practice, eight new units on phrasal verbs, and 10 pages of Additional Exercises. This edition, with answers, can be used in the classroom or for self-study. It includes a CD-ROM featuring additional practice exercises, progress reports, interactive games, and a link to the Cambridge Dictionaries Online. You can even create your own tests to review the language learned.

A Communicative Grammar of English employs a communicative rather than a structural approach to the learning of English grammar. This edition is divided into three parts: Part One: A guide to the use of this book - looks at the way English grammar varies in different types of English, for example 'formal' and 'informal', 'spoken' and 'written'. Part Two: Grammar in use - the central and largest part of the book, presents grammar through the eyes of the communicator and focuses on the uses of grammar rather than on grammatical structure. Part Three: A-Z in English grammar - provides a useful and alphabetically arranged guide to English grammar. This new edition includes more real examples taken from corpus data. Increased emphasis is given to grammar in spoke language, providing a better balance between written and spoken English. Explanations and examples have been made simpler in order to make the grammar more accessible to students.

This book contains 200 varied exercises to provide students with extra practice of the grammar they have studied in English Grammar in Use Third Edition. The ideal companion to English Grammar in Use, this book includes 200 additional exercises for extra practice of all the grammar covered in the main book. These supplementary exercises, without answers, are ideal for class use.

English Grammar in Use Third edition is a fully updated version of the classic grammar title. It retains all the key features of clarity and accessibility that have made the book popular with students and teachers alike. Designed to be flexible, the book is available both with and without answers, making it ideal for self-study, but also suitable for reinforcement work in the classroom. The 'with answers' version of the book comes with a handy pull-out reference panel which allows students to review key grammar points at a glance. The book is also available with a CD-ROM, giving hundreds of interactive exercises to reinforce the language learned in the book.
