

## English Grammar In Use Raymond Murphy

English Grammar in Use bonus extra CD-ROM contains interactive grammar exercises to accompany the book.

English Grammar in Use is a unique combination of reference grammar and practice book for intermediate students (including both lower and upper-intermediate). Designed as a self-study book, it will enable learners to select and study at their own speed those grammar points which they find confusing and want to clarify. All the traditional grammar problems which intermediate students encounter e.g. tenses, modals, prepositions etc., are thoroughly covered. The page layout of each unit makes for ease of use, with the grammar point explained on the left-hand page and exercises to practise it on the right-hand page. There are 130 units in all, and a contents list and detailed index ensure that students can easily find the units they need.

This new edition has been updated and revised to accompany the Fifth edition of English Grammar in Use, the first choice for intermediate (B1-B2) learners. This book contains 200 varied exercises to provide learners with extra practice of the grammar they have studied.
