

English Made Easy Volume Two Learning English Through Pictures

Whether you're teaching English in Korea, starting a corporate job, or serving as a soldier, knowing a bit of Korean will make your life in Korea that much more awesome - guaranteed. Hi, I'm Chris Backe. (rhymes with hockey) When I moved to Korea, I wasn't sure I'd ever pick up Korean. Why? Every book that taught you Korean did the same thing: they spent about five seconds on the basic parts of the language, then jumped right into full phrases and lecturing about boring points of grammar. Did you really enjoy conjugating verbs in high school? Yawn. Chapters are broken down into simple, easy-to-digest chunks - less thinking required! Sure, I ended up learning Korean - and I realized you will never need to know the phrase 'I am wearing a green sweater', so why learn it? You will need 'Where is the bathroom?' and 'One beer, please!', so you'll learn those two. Learn the Korean you're actually going to use while in Korea. We're going to use words and phrases, not dialogues. We'll pair up the words and phrases you're going to use, show you what it looks like in Korean, then show you how to say it in simple English syllables. It's as simple as that. This e-book is not a dictionary or quick-study book for tourists - it's written specifically for people coming to Korea or living in Korea. You'll start with hangeul, the Korean alphabet. You'll learn the letters, how to put them together to make syllables, and how to make sounds with them. We'll look at some real world examples - a hint that there are thousands of English words secretly disguised as Korean words. Later on, we'll talk about everything from Korean alcohol to getting off the beaten path. So what else are we going to talk about? Getting the pronunciation right - the locals are picky about this. About formalities and honorifics - a big deal in the Confucian-based society. Getting to know people - everyone from co-workers to your students. The holidays Korea really celebrates - including the ones you won't find on most calendars. Eating - with a special section for vegetarians and those with allergies. Korean alcohol - some of the most potent stuff around. Curses - the words and phrases that'll make the old people blush. Handling your students (if you're an English teacher). Talking to your boss and co-workers (using the formal tense). Traveling around Korea - how to read the maps, get help, and get around without a guidebook. What to say when you feel like crap. Korean expressions and slang - stuff some locals have never heard from a foreigner's mouth. And plenty more. Version 6.0 was updated as of January 2020, and plays nice with any modern device or Kindle app (Kindle 1 and 2 won't display Korean characters - if you accidentally buy it, send me an e-mail at chrisbacke@gmail.com and I'll send you a PDF that'll work for you) IMPORTANT: the audio track is not embedded in the e-book file - it's a limitation of the Kindle hardware. Instead, head to <http://is.gd/kmeaudio> for a ZIP file of free, unrestricted MP3 tracks to go with the book. Load them up on your MP3 player or Kindle and hit play - there's at least one track per chapter.

Many men looking for a partner want a woman from Kazakhstan. Are you looking for a Kazakh woman, too? Good for you! A Kazakh woman is not a book with seven seals, but one that needs to be opened carefully because the differences between the Anglo-Saxon-Kazakh mentalities and cultures are huge. Communication challenges are particularly difficult in the getting-to-know phase, as many Kazakh still speak little or no

A story-poem about the activities of such unusual animals as the Nook, Wump, Yink, Yop, Gack, and the Zeds.

Cleared for Takeoff: Aviation English Made Easy is the second book in the comprehensive Mariner Method(tm) series. Author Liz Mariner presents the sensible approach she has been using with remarkable success in pilot training and English for aviation classrooms all over the world for the last 20 years. Cleared for Takeoff has been designed not as a textbook, but as a workbook for use in the ESL or flight training classroom or as a tool for individual study. Students will benefit from group learning exercises and working in pairs or individually by following the simple instructions. The essential Aviation English text for your pilot training or air traffic control training program, Cleared for Takeoff is the proven, practical approach. The accompanying audio recordings accurately recreates the environment pilots and controllers encounter. Students will gain extensive listening practice and opportunities to practice speaking what they have learned from the wide variety of interactive exercises. The audio recordings are embedded in the iBook version, downloadable in the kindle and pdf versions, and in the print version. In this book, students will understand and use the most common terms in: Communications with air traffic control Student and instructor communications Airport features and the traffic pattern Aircraft features The ATIS The basics of flight

The authors are experienced English language teachers with strong backgrounds in language analysis and language learning.

Learning to Read in English and Spanish Made Easy A Guide for Teachers, Tutors and Parents By: Susie G. Navarajo Reading is fundamental to every child's growth. It expands their creative experiences and allows them to venture into the unknown. It also expands their vocabulary and develops concepts that are going to help children with communication skills and prepare them for academic success. Reading is the critical foundation for learning. All children should have the opportunity to learn and have the right to excel to the best of their ability, especially in reading. Children come to school with different needs, and because of this, it is a challenge to get through to all of the children. If the expectations are high for everyone, then everyone will have a better chance of reading to their potential. A teacher has to be open to and on the lookout for many ways to teach the same objective because children come to school from different backgrounds, experiences, and abilities. The more the teacher knows of a child's background and language experiences, the more insight there is into his/her learning process. In Learning to Read in English and Spanish Made Easy: A Guide for Teachers, Tutors, and Parents, Susie G. Navarajo shares the unique methods she developed over three decades of teaching reading in the first grade. She also shares experiences she has had in trying to help children with special needs and backgrounds. Her insight and experiences are sure to be of help to anyone who wishes to help children of all ages and abilities.

English Made Easy Volume Two: British Edition A New ESL Approach: Learning English Through Pictures Tuttle Publishing

Books are always our best companion. The idea of writing or editing a book remains always in our mind. Our students come from semi-urban background and not very fluent in English reading, writing and speaking. English is not just a Second language to them, but it is completely a foreign language to the rural background pupils. So, we research innovative techniques to make them familiar. This continuous research motivates us to edit a book on the topic. We can well see the potential of the book as it is not just about the 'Teaching' of English but basically about 'Learning' English as such. But of course it will be very helpful for ELT, per se. The book making is a long process and it needs a careful study of area, topics and research methodologies, along with very intensive and extensive genuine research work before we start. The very first thing which struck our mind was to choose the topic which could be beneficial for students and teachers both. Our undergraduate students, who actually lack Basic English speaking, reading and writing standard, gave us many new topics to write. They

Read Book English Made Easy Volume Two Learning English Through Pictures

and their problems motivated us to collect opinions of our fellow colleagues on the wider perspectives of the chosen topic and edit a book on the subject. We have endeavored to cover many areas which need to be given emphasize when we teach or learn English. Our main focus is to give tricks and useful tips to enhance and learn English as a second language.

Spelling can be fun! [Do you have a student who struggles with spelling? [Have you wondered how to teach your student the difference between similar words? [Would you like a spelling program students enjoy using? Spelling Made Easy is what you're looking for! Spelling Made Easy uses homonyms and puzzles to make spelling instruction easy and painless for middle-grade students. As a bonus, students build vocabulary as they are studying each homonym group! There are 290 homonym groups in the book. Every ten groups form a lesson, which includes the list of homonyms with word definitions plus four puzzles. I have placed suggested assignments on every lesson page. They're suggestions only, but they may make your life a little easier. Daily assignments are adaptable to your student's pace. Spelling Made Easy is designed to be used over two years, but is flexible enough to be done in more or less time. Connie Schenkelberg has taught English in a variety of settings. She worked in private and public schools. She also home schooled her own children in the upper grades and served as a co-op teacher for a home school group. As an English teacher, she was expected to teach reading/literature, writing, research skills, grammar, and spelling.

This book has been written to help students prepare for the Key Word Transformation part of the Use of English paper (grammar) of the Cambridge English : B2 First exam. It will give you a good understanding of the different grammatical structures commonly used in this part of the Use of English test, e.g. passive - active voice , conditional sentences , phrasal verbs, idioms, set phrases, comparative-superlative, causative verbs, linking words,etc. If you want to learn how to do Key word transformation exercises effectively, this book is for you.

I have often been frustrated and amused by natives who want to be understood only by the collusive, other natives and thus resort to the use of esoteric expressions the meanings of which are only privy to their people or even group. The most enduring manner to memorialize the truth is to render the language understandable, even if it entails going back to its proper roots. Typical of me, I chose the hardest of them all: English, specifically because its rules have been intentionally overlooked or, in some cases, glossed over in favor of a wider comprehensibility, as happened in plastics, computer science or military jargon. Let me put it this way: if there already is a way to say something well, there is no need to create a new way of saying itto the glaring degradation of the language. The purpose of a language is universal understand of what is said. In the case of the English language, make that what is said, how it is said, how it is written and even how it is pronounced. It is pointless for English-speaking people to wrongly

The authors are experienced English language teachers with strong backgrounds in language analysis and language learning. English Made Easy, Volume 1 consists of a total of 20 units arranged in groups of five. The first four units present language and provide learners the opportunities to practice as they learn. The first page of each unit has a list of all the words and phrases to be learned in that unit, together with a pronunciation guide. At the end of each unit, an entertaining story which uses the language that has just been learned is presented. The fifth unit in each group contains exercises designed to reinforce the language learned in the first four units.

The method that's helped thousands in the U.S. and Japan learn Japanese successfully. The Japanese language has two basic writing systems, hiragana and katakana, in addition to the one that uses Chinese characters or Kanji. This handy book teaches you a new mnemonics-based method to read and write the basic 92 hiragana and katakana characters. Along with its sister book: Japanese Kanji for Beginners it provides a complete introduction to written Japanese. Memorable picture mnemonics help you to learn the characters by associating their shapes and sounds with combinations of images and English words already familiar to you. Clear examples and entertaining exercises offer opportunities to read, write, use and practice all 46 basic hiragana and 46 basic katakana characters, plus the remaining kana that stand for more complex sounds. Polish your knowledge with word searches, crossword puzzles, fill-in-the-blanks, timed recognition quizzes, and other interesting activities. The downloadable audio allows you to print out your own flash cards (featuring the same mnemonic images taught in the book) to help you review and practice, even while you're on the go.

The celebrated pre-Code Crime Does Not Pay comics are finally collected into a series of unflinching and uncensored deluxe hardcovers! The infamous Crime Does Not Pay stories, focusing on criminal scum, nefarious mobsters, and urban legends, made Crime Does Not Pay one of the most popular comics of the 1940s. This series was a favorite target of censors and is partially responsible for the creation of the stifling Comics Code Authority! Revered, influential, and very hard to find, Crime Does Not Pay issues #26 to #29 are collected for your enjoyment and education!
