A practical guide to Dr. John Dee's angelic magic • Contains instructions for performing Enochian magic meditations • Examines John Dee's original diaries from the British Library • Includes a CD of Enochian calls taught to Dee by the angels Enochian magic is a powerful, ancient system for opening portals to heavenly realms and enabling the ascent to God. The basis for many of the modern systems of magic, including the Golden Dawn, Enochian magic is named after the biblical prophet Enoch, who received the same knowledge and wisdom that was later conveyed to the astrologer to the court of Queen Elizabeth I, Dr. John Dee, by angels in the 16th century. In *The Lost Art of Enochian Magic* John DeSalvo traces the history of magic--from the earliest civilizations of the Akadians and Egyptians through the Greco-Roman period and up to the present time--to reveal how magic has penetrated and influenced our religious beliefs and practices today. Through his unprecedented investigation into the angelic magic of Dr. John Dee, during which time he deciphered Dee's original phonetic notations in the margins of Dee's 16th-century diaries, DeSalvo learned to properly reproduce the "Enochian calls," which act like mantras in opening higher realms and invoking angels, key to this type of magical practice. DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies. In addition to providing detailed instructions for performing the magical meditations, this book includes a CD of Enochian calls to demonstrate and guide the correct pronunciation needed to practice Enochian magic.

There is an archetype of a powerful magician who, in a dark robe, uses a colorful and powerful wand to direct magical energy and achieve goals. Now you can learn how to make the robe and wand, along with hundreds of other traditional magical items in *Creating Magical Tools* (a revised and expanded section of the previously published *Secrets of a Golden Dawn Temple*) by Chic and Sandra Tabatha Cicero, Senior Adepts of the Hermetic Order of the Golden Dawn. Information on the nature of virtually every magical tool and device used in the initiations and magic of the Golden Dawn is included in this book. That way you can choose which ones you would like to add to your magical practices. Then, after you choose, the book includes full directions for making everything from the wands and altars to the pillars and Enochian tablets. The Ciceros have spent over two decades refining their construction methods, so you will be able to learn from their extensive experience. This book has something to offer to those uninterested in the Golden Dawn tradition itself, but interested in learning how to make and use the magical tools. Here you will find the secrets of the wand and dagger, chalice and pentacle. You also may choose to use the pillars and banners, or any of the hundreds of tools and symbols described in the book. Whether you are a Wiccan, Witch, Thelemite, or Ceremonial Magician, you will find lots of value here. Readers who do not want to be part of a group, but would like to link into the Golden Dawn tradition will also find this book helpful. With these tools, and the information about their meaning, you can link into the "Golden Dawn Current" and practice real Golden Dawn magic. And finally, if you are a member of a group that follows the Golden Dawn tradition, you will find that having these tools will enhance your rituals and give them even greater vitality. Excerpt: John Dee (13 July 1527-1608 or 1609) was an English mathematician, astronomer, astrologer, occultist, navigator, imperialist and consultant to Queen Elizabeth I. He devoted much of his life to the study of alchemy, divination and Hermetic philosophy. Dee straddled the worlds of science and magic just as they were becoming distinguishable. One of the most learned men of his age, he had been invited to lecture on advanced algebra at the University of Paris while still in his early twenties. Dee was an ardent promoter of mathematics and a respected astronomer, as well as a leading expert in navigation, having trained many of those who would conduct England's voyages of discovery. Simultaneously with these efforts, Dee immersed himself in the worlds of magic, astrology and Hermetic philosophy. He devoted much time and effort in the last thirty years or so of his life to attempting to commune with angels in order to learn the universal language of creation and bring about the pre-apocalyptic unity of mankind. A student of the Renaissance Neo-Platonism of Marsilio Ficino, Dee did not draw distinctions between his mathematical research and his investigations into Hermetic magic, angel summoning and divination. Instead he considered all of his activities to constitute different facets of the same quest: the search for a transcendent understanding of the divine forms which underlie the visible world, which Dee called "pure verities." In his lifetime Dee amassed one of the largest libraries in England. His high status as a scholar also allowed him to play a role in Elizabethan politics. He served as an occasional adviser and tutor...

Of course, Magic is Magic wherever. But Ceremonial Magic - with or without a k ending - is perceived as largely European in origin and practice. The Golden Dawn, Aurum Solis, O.T.O were European and even AMORC, B.O.T.A., G.B.G. were mostly European inspired. As valid as these esoteric orders were and are, they are at best schools and the knowledge taught is now widely available. What is key is not the knowledge but the self-accomplishment that comes only through personal experience (otherwise known as "self-initiation"). The essence of Magic is a simple formula based on the exercise of Will, Imagination, and Gnosis or Magical Trance. It is a "technology" and must be mastered like any technology through understanding and practice. Like playing the piano, it takes discipline to continue practicing basic exercises until it all becomes second nature and can function as an art as well. "And, what for?" Not to perform tricks or miracles. Not to wear fancy robes and chant barbarous words. Not to reach high degrees with grand titles in a secret order. No, it is to transform and transmute your own self and thus to become more than you were, not merely to accelerate normal human evolution but to actually move beyond and be a co-creator. And to finally answer those questions: "Who am I? Where did I come from? Where am I going?" High Magic is an active program for self-discovery and Self-Realization. This book by a famed contemporary German magician self-instructs the student through a series of basic exercises and real magical practices that train the magician through a consistent program combined with examples and explanations. Each step is thorough without extravagance; the program is effective and entirely self-directed (as must be all real learning); the book is encyclopedic in depth and inclusive even of chaos and cyber magic. Tables and Charts simplify the learning process. The system starts with immediate immersion in ritual practice starting with the Kabbalistic Cross and Lesser Banishing Ritual of the Pentagram and moves through beginning to advanced levels of Practical Sigil Magic, Ritual Magic, Elemental Magic, the Greater Ritual of the Pentagram,

Planetary Magic, the Hexagram Ritual, Mantra Meditation, the Magical Gaze, Magical Trance, the Pan Ritual, Money Magic, Talisman Magic, Moon Magic, Chaos Magic and Cyber Magic. In each case, practice is used to instruct - nothing is presented as "theory only." You will find everything analyzed, explained and justified with refreshing and truly uncommon common sense! The author fully dispels the myths and subterfuges of archaic magical orders and explores the role of the Unconscious Mind, the issues of Religion and Mysticism, the nature of High and Low Magic, the function of Myth and the role of Drama in Ritual, the Magical Nature of Reality and Magical Perception, Dream Work in relation to Magical Training, the Magical Imagination and training for Visualization, Psychic Protection, Invocation and Evocation, the Calling and Movement of Energies, Charging, Paradigm Shifting, what is really means "to Keep Silent, " the power of Intention & definition of Magical Goals, the ritual use of Symbols and Gestures, the power of Words, the Magician's Universe, the magical pronunciation of Hebrew Letters, the Magician's Tools, Mantric Sigils, the IAO formula, and much more. High Magic is as central to Western culture as are science, technology, the rule of law, democracy and the entrepreneurial economy. Its practice and application should be part of your daily life starting now.

A comprehensive look at the life and continuing influence of 16th-century scientific genius and occultist Dr. John Dee • Presents an overview of Dee's scientific achievements, intelligence and spy work, imperial strategizing, and his work developing methods to communicate with angels • Pieces together Dee's fragmentary Spirit Diaries and examines Enochian in precise detail and the angels' plan to establish a New World Order • Explores Dee's influence on Sir Francis Bacon, modern science, Rosicrucianism, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey Dr. John Dee (1527-1608), Queen Elizabeth I's court advisor and astrologer, was the foremost scientific genius of the 16th century. Laying the foundation for modern science, he actively promoted mathematics and astronomy as well as made advances in navigation and optics that helped elevate England to the foremost imperial power in the world. Centuries ahead of his time, his theoretical work included the concept of light speed and prototypes for telescopes and solar panels. Dee, the original "007" (his crown-given moniker), even invented the idea of a "British Empire," envisioning fledgling America as the new Atlantis, himself as Merlin, and Elizabeth as Arthur. But, as Jason Louv explains, Dee was suppressed from mainstream history because he spent the second half of his career developing a method for contacting angels. After a brilliant ascent from star student at Cambridge to scientific advisor to the Queen, Dee, with the help of a disreputable, criminal psychic named Edward Kelley, devoted ten years to communing with the angels and archangels of God. These spirit communications gave him the keys to Enochian, the language that mankind spoke before the fall from Eden. Piecing together Dee's fragmentary Spirit Diaries and scrying sessions, the author examines Enochian in precise detail and explains how the angels used Dee and Kelley as agents to establish a New World Order that they hoped would unify all monotheistic religions and eventually dominate the entire globe. Presenting a

comprehensive overview of Dee's life and work, Louv examines his scientific achievements, intelligence and spy work, imperial strategizing, and Enochian magick, establishing a psychohistory of John Dee as a singular force and fundamental driver of Western history. Exploring Dee's influence on Sir Francis Bacon, the development of modern science, 17th-century Rosicrucianism, the 19th-century occult revival, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey, Louv shows how John Dee continues to impact science and the occult to this day. The ultimate source text of Enochian Magic never before available in book form • Contains the actual and complete Tables of Enoch given to Dr. John Dee by the Angels • Explains the difference between Dee's Tables of Enoch and the apocryphal Book of Enoch • Includes directions for powerful magic rituals and meditations using these tables • Presents a reconstruction of the possible 49th missing Table of Enoch Originally considered a vital part of inspirational literature used by the early church, the Book of Enoch never made it into the canon or accepted books of the Old Testament because of its strange and mysterious content about Enoch's experiences in the higher realms, or heavens. The real Book of Enoch, which is a set of almost 100 mystical tables, was given again to humankind in the 1580s, when it was conveyed directly by angels to Dr. John Dee, a 16th-century mathematician, scientist, occultist, and the astrologer of Queen Elizabeth I. Called "the most important book ever given to man by God" by Dee's angelic messengers, the Book (or Tables) of Enoch is said to hold all the secrets of heaven and earth and the physical and spiritual realms. Decoding the Enochian Secrets reproduces for the first time ever the exact and complete copy of these tables, which are housed in the British Library. The tables are written in the handwriting of Dr. Dee and Edward Kelly, Dee's assistant and scribe. The tables also include the phonetic pronunciations, written by Dee in the margins, of all the magical Enochian Calls. Covering the history of this Book or Tables of Enoch, John DeSalvo explains the difference between these tables and the apocryphal Book of Enoch and examines how later magicians such as Aleister Crowley used them. Including Enochian Magic Meditations and rituals, Decoding the Enochian Secrets presents the source text to the most powerful form of magic known to mankind. A step-by-step guide to the rituals of Enochian magic for reaching the higher spiritual realms • Reveals missing practical instructions for the Enochian magic system received by John Dee and Edward Kelley • Explains that the angelic realm is only the first and farthest away of the spiritual realms surrounding God • Shows how to connect with the higher worlds beyond the angels to tap more fully in to the magical power of the Divine In this comprehensive introduction to Enochian magic and beyond, John DeSalvo explains how the magic system transmitted by the angels to John Dee and Edward Kelley in the 16th century has until now remained incomplete and thus not as powerful as the angels intended. Drawing on his in-depth study of John Dee's diaries, DeSalvo explains how Dee and Kelley were given the Enochian tables and calls but their communications with the angels were severed before they received the full practical instructions for Enochian magic. To this day, most magical groups improvise and make up rituals based on their own ideas and imagination--the magic they practice is not true angelic magic. After many successful Enochian magic rituals and years of his own spiritual work, DeSalvo has discovered additional key pieces to the magical system of Dee and Kelley, a system now known as Power Magic. He provides step-by-step instructions for more complete and accurate Enochian magic rituals and reveals how the angelic realm is only the first and farthest away of the spiritual realms surrounding God. He explains how to penetrate this angelic realm with Power Magic to reach higher spiritual worlds and receive more powerful knowledge and energy. He shows that by connecting with the higher worlds beyond the angels, we can tap more fully in to the magical power of the Divine and begin restoring the planetary magic of our most ancient ancestors.

Some magicians say it is the most powerful magical system ever. The Golden Dawn used it. Aleister Crowley used it. A growing number of magicians use it. And now, you can use it too thanks to Donald Tyson and his book, *Enochian Magic for Beginners*. Revealed to John Dee and Edward Kelley over 400 years ago, much of this system has been ignored or misunderstood, even by famous magicians. Some of the source material has been fragmented, obscure, or unavailable. Thankfully, Mr. Tyson has worked long and hard to rediscover what was missing and piece together what had been changed. Make no mistake—this is not a superficial treatment of Enochian magic. Yes, it is written for beginners, but it is also a vital and important resource for those who are currently practicing the Enochian system. Most people today follow the Golden Dawn's method of Enochian magic. But did you know that they left out a major portion of the system? It's true! They did not include the *Heptarchia Mystica*, a manuscript discovered amongst John Dee's belongings. In *Enochian Magic for Beginners*, you will learn the secrets of the *Heptarchia Mystica*, including such things as the Angelic seven rulers, the preparations for practice of the system, and how to perform the ritual of the system. But the Golden Dawn Enochian system is also quite powerful, and you will learn all of the inner secrets of this system so you can practice it on your own. Also included are two new designs for Enochian typefaces, Donald Tyson's reconstruction of the Enochian *Book of Spirits*, and much more. This ten-volume collection had remarkable variety, depth, and the utility of its contents encompass Qabalah, tarot, yoga, and the essential papers of Crowley's teaching order, A.A. Unfortunately, much of this material is currently out of print. Now, renowned scholar and U.S. Deputy Grandmaster General of the O.T.O., Lon Milo DuQuette offers readers *The Best of the Equinox*, Volume One of this four-volume collection presents readers with the Enochian selections from *The Equinox* and contains the Enochian Magic of John Dee and Edward Kelley--perhaps the most powerful and most popular of all magical systems. Selected by DuQuette from both in-print and out-of-print editions of *The Equinox*, this is an affordable volume for Crowley fans, packed with high magick.

"The warm-hearted glances of the smiling innocent woman will turn into hatred, and this hatred will be the end of all the people who caused that." The Enochian Magic System had been brought into the literature with the works of prophet John Dee and Edward Kelly published in the 16th century on their work on Ancient Egypt. The system that had been introduced as the language of the angels finds its roots in times way earlier than the time in which it was re-discovered. Such times were those which were way before the emergence of the human form and it was actually around the times during which our higher selves were first descended bringing the knowledge into the planet. The Enochian alphabet consists of 21 letters and it is a language with cosmic roots and is the ancestor of all the Canaanite languages of today. The purpose of Enochian language is far away from serving as a language to continue daily communication between human beings. The language is the secret language of the 'psyche' and is the basis of the thousand-year-old temple traditions namely rituals, magic, talismans, and other similar occult subjects. The symbols that bring the Enochian language into being, are codes of the existential software that have their roles within the framework of the flow of infinite energy and information between among all of the levels of consciousness and each of which serves the universe as a whole. 21 letters in the Enochian alphabet creates the symbolism of 21 Universal Archangels.
