For courses in Introduction to Speech Communication A streamlined approach to communication that emphasizes real-world applications Revel(TM) Essentials of Human Communication provides a streamlined overview of the essential theories, research, and especially the skills of human communication, highlighting practical applications in the workplace and beyond. Author Joseph DeVito gives students the knowledge and tools they need to build greater competence in three key spheres: interpersonal communication, small group communication, and public speaking. The 10th Edition fully integrates the latest research as well as updated examples, photos, and cartoons to keep the text current and pedagogically effective. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience -- for less than the cost of a traditional textbook. NOTE: This Revel Combo Access pack includes a Revel access code plus a loose-leaf print reference (delivered by mail) to complement your Revel experience. In addition to this access code, you will need a course invite link, provided by your instructor, to register for and use Revel.

Essentials of HRM combines a commentary on organizational behaviour with an explanation of human resource management techniques, and also acts as an introduction to industrial relations. It will prove an invaluable aid to those studying for professional qualifications, such as Membership of the Institute of Personnel Management or the Diploma in Management Studies, and for students on general business or social service courses. Equally, the practising manager will find this book a useful and practical guide.

This book introduces the essential skills and applications of interpersonal, small group, and public speaking communication. Built around five major themes (skills development, intercultural perspectives, critical thinking, ethical issues, and self-empowerment), the new edition provides increased coverage of ethics in communication.
