

Everything You Need For A Treehouse

With a refreshing new design and fully updated information, the Everything You Need to Know About... series is a first-rate homework reference guide for 4th- 5th- and 6th-graders and their parents! The newly revised and updated Everything You Need to Know About... series provides kids and parents with a quick refresher to 4th through 6th grade curriculum topics. The organization and scope of these concise homework-help guides make them an essential reference resource. Researched according to middle-grade curriculum and current textbooks, and created in conjunction with subject experts, these titles answer kids' most frequently asked homework questions. In GEOGRAPHY, students will find everything from longitude and latitude to the longest rivers on Earth.

Communities and schools across the United States have recently been shocked by reports of the frequency of rape and sexual assault. Sexual consent has become an increasingly important issue. This title examines this difficult issue and reveals campus and community efforts to educate students about sexual consent, shortcomings in addressing rape accusations, and current laws pertaining to consent. Call-outs share special tips, like what to ask a specialist and how to recognize common myths and facts. Most importantly, readers will learn how to set their own and respect each others boundaries and what to do if those boundaries are ignored.

Problems with behavior are a common thing in canines. If you look back at the history, and lineage of dogs, their relatives being coyotes, wolves, and various other animals of pure aggression puts them in the middle of a difficult situation. When you decide to handle your dog's behavioral issues, you need to understand the multiple, different causes of them. Every issue can be grouped with others and canines will continue to do them and they will evolve into worse things later if not restrained, and trained. Dogs with aggression express it in a couple of different types of behaviors including the most common, which are biting and barking. This book will tell you everything you need to know about owning, buying, breeding, and taking care of your new dog or puppy. It will show you ways to stop aggression in your dog, and tell you everything you need to know about dog aggression, and all kinds of information about the breeds of dogs.

Everything You Need To Ace World History In One Big Fat Notebook kicks off with the Paleolithic Era and transports the reader to ancient civilisations - from Africa and beyond; the middle ages across the world; the Renaissance; the age of exploration and colonialism, revolutions, and the modern world and the wars and movements that shaped it. The Big Fat Notebook series is built on a simple and irresistible conceit -- borrowing the notes from the smartest kid in class. There are five books in all, and each is the only one book you need for each main subject taught in the first years of high school: Maths, Science, English, and World History. Inside the reader will find every subject's key concepts, easily digested and summarised: Critical ideas highlighted in marker colours. Definitions explained. Doodles that illuminate tricky concepts. Mnemonics for a memorable shortcut. And quizzes to recap it all.

A renowned expert on bodybuilding introduces readers to information that will change their lives, including fifty new routines, tips on preventing injury, specialized training tailored for each body type, the latest research on exercise and nutrition, and much, much more. Original.

Discusses, in terms understandable to the layperson, three hundred medical treatments, explaining when they are used and why. The loss of someone or something we hold dear a parent, friend, pet, or home causes deep emotional distress. The author guides readers through the stages of grieving and provides concrete suggestions for coping with loss.

Presents guidelines that show managers how to cope with complexities by focusing on essentials in areas such as management, leadership, marketing, long-term planning, and motivation.

The latest in our successful series of titles in Old Age Psychiatry, this new volume will have great appeal as it brings readers right up to date on clinical aspects of psychiatric disease in the elderly, with a particular emphasis on new developments in the dementias. The book is divided into three sections, the first two of which are devoted to Dementia: Section I Laboratory of Clinic, which tackles the molecular biology of Alzheimer's disease, risk factors for dementia, clinical genetics, prion diseases, Lewy body and vascular dementia, and Section II Treatments and Ethical Considerations which includes chapters on drug treatments for the cognitive symptoms of dementia, residential care, forensic psychiatry, and the arguments For and against assisted death in dementia. The seven chapters of Section III deal with the Management of Functional Disorders and include chapters on antidepressants, treatment-resistant depression, ECT therapy, rational treatment of anxiety and panic in the elderly, novel antipsychotics and schizophrenia,

and family therapy.

Baby-sitting is a great way for teens to earn extra money, but many responsibilities and challenges are involved.

Weintraub offers advice to teens on all aspects of baby-sitting, including child care, staying safe, handling emergencies, negotiating fees, and networking for new clients.

Readers will learn about the different identities associated with bisexuality, the history of attraction to multiple genders, and the prejudice bisexual people face from both the LGBTQ+ community and society at large. Issues surrounding coming out of the closet, biphobia, bisexual representation and misrepresentation in the media, and heterosexual privilege will be addressed in a straightforward and sensitive manner. Additional resources include a glossary of commonly used terms, a list of organizations that support the bisexual community, and sidebar elements about the bisexual pride flag, LGBTQ+ Pride events, and other topics.

Cultural appropriation is a form of identity theft. It happens when someone adopts another culture's identifiable, tangible elements without honoring their cultural importance or significance. It includes everything from hairstyles to clothing to jewelry to musical style. Using historical context, current events, teen-friendly examples, and useful sidebars, this resource helps readers grasp the magnitude of the problem, including how they may be participating in appropriation without even knowing it. When teens better understand cultural appropriation, and become actively involved in helping reduce harm, they will be better able to connect meaningfully with other cultures.

Looks at the factors that cause some teenagers to practice self-mutilation, and how they can be helped.

Master dog groomer to the stars Jorge Bendersky bathes, brushes, trims and pampers some pretty important pooches. Nevertheless, the fundamental skills and techniques he uses every day in his Manhattan salon can and should be in every dog owner's repertoire. From breed identification to tool selection, clipping to scissoring, Bendersky shares, in his unmistakably playful way, the tricks of his trade, ensuring your canine companion will never again suffer a bad hair day.

Everything You Need to Score High on the GRE with Computer-adaptive Tests on DiskUser's ManualEverything You Need to Know about GrantsHow to Write the Grant--How to Get the Grant--Where to Get the GrantiUniverse

Gathers information about diseases affecting the heart, lungs, nervous system, muscles, digestive system, liver, kidneys, sexual organs, eyes, ears, skin, blood, and immune system

Defines bipolar disorder and manic-depressive illness, explains how they effect teenagers, and how they are treated.

The right to vote is one of the most fundamental rights in the United States. Voting rights in the United States slowly expanded over the country's history. Even today, though, the right to vote is not always easy to exercise. Readers will learn about the history of voting rights in America and the struggles faced by many groups to gain citizenship and their right to vote. This book also explores modern-day obstacles to voting, the consequences of disenfranchisement, and what we can do to make voting accessible to everyone.

A male perspective on sorting love from loss, faith from fear—brimming with humor and romance. Phillip's sophomore year is off to a rough start. One of his best friends ditches him. His track coach singles him out for personalized, torturous training sessions. And his dad decides to clean out all of the emergency supplies from the basement, even though the world could end in disaster at any moment...and even though those supplies are all Phillip has left of his dead mom. Not that he wants to talk about that. But then Phillip meets Rebekah. Not only is she unconventionally hot and smart, but she might like him back. As Phillip gets closer to Rebekah, he tries harder and harder to turn himself into the kind of person he thinks she wants him to be. But the question is, can he become that person? And does he really want to?

Domestic violence affects millions of people every year, yet many people don't recognize it when they see it. Those who are aware of a domestic violence situation, whether it is happening to them or a loved one, often don't know how to stop it. This book covers physical abuse as well as other forms of abuse that are harder to spot, such as psychological, emotional, financial, and sexual abuse. Readers will learn how to read the signs that a relationship is abusive, understand the abuser's mindset, and learn strategies for getting free and breaking the cycle of abuse.

Explains the principles of peer mediation and offers advice on how to participate in or start such a program as a way to manage conflict and resolve problems.

Explains the types of grants that are available, developing a fundable project, understanding the funder, creating quantitative goals and assessments, and writing a successful proposal.

Everything You Need to Know About Nature By: Dorothy LaRock Skinner God has created so many wonders in nature for us to enjoy and explore. Learn all about God's creation in this book. The more we learn and the more we're out in nature, the closer we will feel to our Creator!

This book explains everything that Australians need to know about the proposal to recognise Aboriginal peoples in the Constitution. It details how our Constitution was drafted, and shows how Aboriginal peoples came to be excluded from the new political settlement. It explains what the 1967 referendum – in which over 90% of Australians voted to delete discriminatory references to Aboriginal people from the Constitution - achieved and why discriminatory racial references remain. With clarity and authority the book shows the symbolic and legal power of such a change and how we might get there. Concise and clear, it is written by two of the best-known experts in the country on matters legal, indigenous and constitutional. Recognise is essential reading on what should be a watershed occasion for our nation.

Navigating the world of birth control can be overwhelming. Many teens don't know where to turn for factual information without judgment. This book lays out the facts about the many forms of birth control, including condoms, the Pill, IUDs, abstinence, and more. It includes vital information about the effectiveness of the various methods and tips on how to maximize their effectiveness. Readers will also learn about the history of birth control and the politics surrounding it. This insightful resource provides readers of all genders with the knowledge they need to make smart, informed choices about their bodies and their lives.

Explains how to get a job, including information on everything from social security cards to resumes and networking tips.
