'This is a splendidly fresh and clear account of the main political events in England between the Norman Conquest and King John's Magna Carta.' Michael Clanchy FBA, Emeritus Professor of Medieval History at the Institute of Historical Research, University of London 'Lucid and perceptive, striking an effective balance between primary and secondary authorities, Huscroft's book is both a significant statement in its own right and an ideal introduction to other work in the field.' Professor David Carpenter, Kings College London 'Ruling England' is about the exercise of political power in England at a time of formative change in the country's history. Framed at one end by the Norman Conquest and at another by Magna Carta, it describes what happened, why and with what consequences in politics, government, law and the church. It analyses developments from a royal perspective and focuses on the policies and priorities of the English kings, the limitations of the political system within which they operated, and the efforts they made to expand their power. It explains how the ruler of the most sophisticated kingdom in twelfth century Europe was eventually compelled to submit to the humiliation

Carriage of Goods By Sea Fifth Edition John F Wilson Review of a previous edition ...deserves a place on the shelf of every law teacher in the subject, and at least on the reading list of all its students. - The Cambridge Law Journal The fifth edition of Carriage of Goods by Sea has been brought up to date with the latest judicial decisions, statutory developments and changes in shipping practice. It provides an authoritative, comprehensive and critical survey of the law relating to the carriage of goods by sea. While dealing primarily with charterparties and bills of lading, attention is also given to new forms of documentation and problems involving through and combined transport. A separate chapter is also devoted to dispute settlement. Throughout, legal principles are examined against the background of current

documentation and factors involved in the prosecution of a cargo claim, thus lending the legal analysis a useful practical orientation. to sue, and bailment on terms\*significant decisions, in particular on the interpretation of the provisions of the Hague and Hague/Visby Rules in the areas of limitation liability, time limits, straight bills and the Himalaya Clauses\*a comprehensive update of references to shipping documents and related literature\*consideration of e-commerce issues, particularly in relation to transport documentation. area of international trade law, and is suitable for recommendation to students on courses on international trade law, carriage of goods by sea and maritime law. It is also a useful reference for newly qualified and trainee professionals working in legal firms, P & I clubs, shipbroking firms, cargo insurance firms and at Lloyd's. John Wilson is an active member of the Institute of Maritime Law at the University of Southampton and is Emeritus Professor of Law at the university.
