There are a range of quite tricky calculations to perform as well as issues and techniques to explain and discuss. F9 is a middle level paper in the ACCA qualification structure, with some links to F2, and a direct link to P4, which thinks strategically. The key syllabus areas in F9 are: * Financial management function * Financial management environment * Working capital management * Investment appraisal * Business finance * Cost of capital * Business valuations * Risk management. The F9 revision kit contains the pilot paper and additional highly-focused question practice designed to help you to understand and apply financial management techniques. Questions are based on realistic scenarios as they will be in the exam.
