Monsters are a part of every society, and ours is no exception. They are deeply embedded in our history, our mythos, and our culture. However, treating them as simply a facet of children's stories or escapist entertainment belittles their importance. When examined closely, we see that monsters have always represented the things we fear: that which is different, which we can't understand, which is dangerous, which is Other. But in many ways, monsters also represent our growing awareness of ourselves and our changing place in a continually shrinking world. Contemporary portrayals of the monstrous often have less to do with what we fear in others than with what we fear about ourselves, what we fear we might be capable of. The nineteen essays in this volume explore the place and function of the monstrous in a variety of media – stories and novels like Baum's Oz books or Gibson's Neuromancer; television series and feature films like The Walking Dead or Edward Scissorhands; and myths and legends like Beowulf and The Loch Ness Monster – in order to provide a closer understanding of not just who we are and who we have been, but also who we believe we can be – for better or worse.

lead one astray. Rosalyn Landor's pacing keeps this exciting adventure moving along. The fairies' voices are distinct and easy to follow as the story switches locales and characters. Landor's cadence is soothing yet upbeat enough to keep listeners engaged. This listening experience continues where FAIRY DUST AND THE QUEST FOR THE EGG left off. Those interested in both the lives of fairies and the magic of Neverland will enjoy listening to this series.

One fairy... One pirate... A prophecy fulfilled Mascar, the pirate, has stolen the Gold of Youth a substance that controls the fairy dust in the Crystal-Glass and Blue-Water Realms. Jddah, a fairy princess, is frightened when she discovers Mascar wants to steal her fairy dust and become immortal. She then goes on the run with Ignatius, the skunk. On their long journey, they meet many creatures, including monkeys, a forgetful badger, and dragons. Will the future be bright for the Fairy Realms, or will they be vanquished?

Can fairy tales subvert consumerism? Can fantasy and children's literature counter the homogenizing influence of globalization? Can storytellers retain their authenticity in the age of consumerism? These are some of the critical questions raised by Jack Zipes, the celebrated scholar of fairy tales and children's literature. In this book, Zipes argues that, despite a dangerous reconfiguration of children as consumers in the civilizing process, children's literature, fairy tales, and storytelling possess a uniquely powerful (even fantastic) capacity to resist the "relentless progress" of negative trends in culture. He also argues that these tales and stories may lose their power if they are too diluted by commercialism and merchandising. Stories have been used for centuries as a way to teach children (and adults) how to see the world, as well as their place within it. In *Relentless Progress*, Zipes looks at the surprising ways

Life happens to all of us. Sometimes life is sweet and fair and perfect. Most of the time life is tough. It grabs you around the ankles and shakes you like a snow globe full of kooky people and strange events. This is one description of what life is like living in a snow globe of blizzard proportions where up is down, normal is a fantasy, and karma fuels the chaos that pops up in the most unexpected places. This is the reality we were never told to expect, but that most of us find ourselves trying to shovel our way out of.

textual history, exploring its origins in the Harlequinade theatrical tradition and British pantomime in the nineteenth century. Stirling investigates potential textual and extra-textual sources for Peter Pan, the critical tendency to seek sources in Barrie's own biography, and the proliferation of prequels and sequels aiming to explain, contextualize, or close off, Barrie's exploration of the imagination. The sources considered include Dave Barry and Ridley Pearson's *Starcatchers* trilogy, Régis Loisel's six-part Peter Pan graphic novel in French (1990-2004), Andrew Birkin's *The Lost Boys* series, the films *Hook* (1991), *Peter Pan* (2003) and *Finding Neverland* (2004), and Geraldine McCaughrean's "official sequel" *Peter Pan in Scarlet* (2006), among others.

Harri has to find a way to cross time and find her family. There are many obstacles in her way, and only Arianna can help her. Together they have fun, learn new things, meet some wonderful and strange characters in their adventures, and ultimately work together to link past, present, and future. Fears can be overcome, and beauty isn't always about looks.

Aza is far from beautiful. With pale skin and blood-red lips (not to mention ungainly size), she is seen as odd, at best. But Aza does have one blessing: a voice of astonishing beauty. In Ayortha, where singing is the main mode of communication, this gift is no small thing, and soon Aza finds herself rising at court. But, as she will discover, unexpected good fortune can also bring unexpected danger. Funny and
