This boxed set starter collection includes: The Rest Falls Away Rises the Night The Bleeding Dusk All five books are now available. ----- Praise for The Gardella Vampire Hunters Series "The Rest Falls Away, Gleason's publishing debut...turns vampire stories--and romances--on their ear with a decidedly dark, decidedly unsentimental Regency heroine who stakes the undead with the best of them." —Detroit Free Press "The undead rise to great heights through Gleason's phenomenal storytelling. She creates a chilling world with the perfect atmosphere of fear and sexual tension." —Romantic Times "Gleason keeps upping the ante with each novel, weaving the characters around her readers with each engaging conversation and narrative, every stage set of all the appropriate gothic gloom and melting beauty." —Book Fetish "...Above all, the writing is what recommends this book most. Gleason's writing is sharp and taut, which makes for excellent action sequences, and a plot that travels quickly from the start. The writing strength alone gives me ample reassurance that this potentially plot-heavy series is in the right hands. I'm definitely looking forward to the next installment." —Smart Bitches, Trashy Books

The simplicity of children's picture books--stories told with illustrations and a few well chosen words or none at all--makes them powerful tools for teaching morals and personal integrity. Children follow the story and see the characters' behaviors on the page and interpret them in the context of their own lives. But unlike many picture books, most children's lives don't feature monsters. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px 'Times New Roman'} This collection of new essays explores the societally sanctioned behaviors imparted to children through the use of monsters and supernatural characters. Topics include monsters as instructors, the normalization of strangers or the "other," fostering gender norms, and therapeutic monsters, among others.

Traditional Chinese edition of Rules of Summer by Shaun Tan (Arrival). Tan's vivid oil paintings showing a big brother teaching the younger brother the rules - rules impossible for the younger brother to anticipate and to follow. Anyone with a brother, or even sister, can identify with the palpating heart of the younger, with fear, and the older, with sheepish delight of the holding authority. In Traditional Chinese.
