With the growing trend of licensing apparel, accessories, and home fashions under a single logo, today's students must expand their portfolios to include concepts with broader applications. Marker Rendering for Fashion, Accessories, and Home Fashions provides detailed instructions for marker rendering methods relevant to a variety of products. Allowing designers to express their ideas immediately, the marker is an essential tool for the design professional. The author's step-by-step instructions provide a sound introduction to the skills that students need, and teaches methods of overlapping media applications for an assortment of colors, patterns, and materials. The lessons are taught as a progression of skills, building slowly from basic to complex rendering methods used in the design industry today. "Find your unique fashion illustration style with Draw Fashion Now!" "Draw Fashion Now" is a combination how-to guide and workbook that teaches the best techniques for illustrating and envisioning 21st-century fashion. Professional fashion illustrator Danielle Meder shares lessons she's learned over fourteen seasons of sketching fashion and style in every fashion capital, offering readers solid illustration techniques that demystify the enigma of fashion "attitude." Start by learning the development and rendering process of contemporary male and female figures, each in three essential fashion poses--runway, street style, and red carpet. Then, master basic sketching through rendering garments and fabrics directly on the figure in a range of mediums, both traditional and digital with plenty of blank space throughout to sketch and draw alongside the given examples! Become an expert at "fashion on the fly" quick sketches for when inspiration strikes while viewing runway or street style. Two beautiful, sophisticated paper dolls are also included, with contemporary, high-fashion wardrobes by critically acclaimed designers to dress them up! "Draw Fashion Now" is a uniquely creative and interactive learning experience for fashion illustrators, designers, and enthusiasts at all levels of experience.

Esta obra é fonte inestimável para qualquer artista, ilustrador ou designer, mas é de particular valor para estudantes de design de moda. Desenho de moda é a referência e ferramenta de aprendizado mais atualizada de sua área.

Organizado racionalmente e com conteúdo apresentado de modo lógico, é o único livro de ilustração de moda que incorpora estrutura vertical de design de moda e sequência de apresentação de tipos: desde os primeiros esboços ao desenho de ilustração, de planos a specs técnicos. Todos os tópicos - mesmo silhuetas, têxteis e tratamento de tecidos - são cuidadosamente abordados, como acontece no mercado de moda. Por meio de sua abordagem prática ao desenho, feita a partir de diagramas, o leitor achará o método e as técnicas de Bina fáceis de seguir e sintetizar.

#La moda non riguarda solo la moda. È qualcosa nell'aria che ci circonda, sono le brezze che portano con sé il nuovo grido, ne sentirete arrivare e ne sentirete il profumo nel cielo e per strada; La moda è legata alle idee, al nostro stile di vita e a ciò che sta accadendo intorno a noi. Coco Chanelln qualche modo, ad un certo punto della tua vita, qualcosa deve aver innescato la tua #creatività. Forse quando eri bambino, ti sei sbarazzato del vestito originale che portava la tua Barbie e lo hai reso un vestito molto più elegante. O quando hai iniziato a crescere, sei rimasto molto colpito dall'aspetto di tua madre mentre la guardavi vestirsi per una notte in città; mentre osservavi il suo vestito, le scarpe, i gioielli ei capelli. Qualunque cosa ti abbia spinto a decidere di intraprendere la carriera di stilista, sei il benvenuto. Nessun campo è più gratificante e soddisfacente di fashion design; Qualcuno con una visione creativa - partendo solo da un'idea e da un brainstorming - #crea una serie di abiti vendibili che vengono presentati in sfilate di moda, nei negozi, nei cataloghi e su persone di tutto il mondo. Dall'idea al prodotto finale, quello che fanno gli stilisti va oltre il #designing; in una normale giornata lavorativa, un #designer potrebbe selezionare i modelli che presenteranno una sfilata imminente, incontrare un responsabile delle pubbliche relazioni per discutere della copertura della stampa globale, risolvere un problema di misurazione con il team di progettazione tecnica e chiedere di consultare l'ufficio legale per assicurarsi che l'etichetta dell'abbigliamento non violi i regolamenti governativi. , E discute i capi di abbigliamento più venduti la scorsa stagione con il reparto merchandising. #fashion #sketchbook for girls fashion #sketchbook with figure models fashion sketchbook for kids fashion sketchbook with #templates fashion sketchbook male figure template fashion sketchbook bina abling

This book and accompanying CD-ROM are a complete step-by-step guide to fashion model drawing. Expanding on Chapter 3 of Fashion Sketchbook, 3rd edition, Abling explains and decodes the process of sketching women, men and children in accordance with fashion industry standards, while still leaving room for the students own aesthetic interpretation. Numerous photos and detailed illustrations accompany simple, easy-to-follow instructions. The addition of grids for practice drawings throughout each chapter makes Model Drawing both a textbook and workbook.

An essential primer for students and first-stop reference for professionals, The Fashion Design Reference & Specification Book takes the fashion designer through the entire design process, from conceiving a garment to marketing it. This valuable handbook contains the information and ideas essential to planning and executing fashion projects of every scale and distills them in an easy-to-use format that is compact enough to slip into a tote. Linking six central phases in the cycle of fashion—research, editing, design, construction, connection, and evolution—The Fashion Design Reference & Specification Book helps designers develop effective strategies for building a cohesive collection and communicating their vision. The Reference & Specification Book series from Rockport Publishers offers students and practicing professionals in a range of creative industries must-have information in their area of specialty in an up-to-date, concise handbook.

This handy studio reference teaches draping, drafting, and drawing the way they are practiced in the industry: by integrating them throughout the creative process. Integrating Draping, Drafting, and Drawing illustrates the design process, encompassing sketch and garment pattern development, and creates bridges between studio methods and design illustration. Chapters are presented as hands-on learning experiences with lessons that mimic classroom demonstrations. Step-by-step photographs portray the draping process in a sculptural way rather than using illustrations, which cannot truly depict the response of fabric draped on a dress form. Throughout the book, instructions for producing patterns and slopers—skirts, bodices, necklines and collars, and sleeves—are presented, along with variations, so that students will be able to drape, draft, and draw complete garments. The concluding chapter of the book is devoted to drawing exercises based on the work of 20th century designer Donald Brooks.
