Twins are everywhere these days! You see them in their double strollers, at the park, on the street, in baby classes, and hogging the aisles in stores-everywhere. Since when did having twins become so

popular? And how in the heck do these moms of twins do it? How do you cope when you find out you're expecting twins? And how do you get through the first year without ending up in the loony bin or bankrupt? Unlike other books on twins, HEART TWO HEART is written by twin moms for other twin moms. (Even the book's editor is a twin mom!)

Where other books on twins focus mainly on medical issues, psychological, educational, or parenting issues, HEART TWO HEART tells twin moms what they need to know about what it's like day to day for that first year of having twins. Where are twin moms supposed to go to figure out what to buy in terms of twin gear? What happens if an expectant mom of twins ends up on bedrest? How do you feed two squalling infants at the same time-alone? What might the father of twins experience? What kind of changes might twin moms expect from their bodies? HEART TWO HEART tells it like it is. Authors: a clinical psychologist, attorney, educator, commercial claims representative, corporate trainer, entrepreneur/professional ballet dancer, food service manager, and a published author/book editor who have now added to their titles in life: mother of twins.

Jesús Ramiro lost his job in the bullet factory and is in need of some money to pay his student loans. A sketchy individual approaches him offering him some money in exchange for the bullet molds and the

blueprints to the bullets from his job site. Jesús Ramiro desperate for cash and not wanting to ruin his credit score steals the bullet molds and the bullet blueprints. Now the police are after him as he is trying to stay one step ahead of them. February 28 is when the flu outbreak begins in the United States of America. The government quickly moves to vaccinate everyone with free flu vaccines. People start to die a few days after they receive the free flu vaccines. Jesús Ramiro is sure that the flu vaccines have something to do with it all after his parents die from the flu. Now he is in trouble since the bullets have been declared illegal by President Kris Kitty Kleptomaniac's executive order. President Kris Kitty Kleptomaniac of the Government of the Rich (G. O. P.) party declares martial law in the country. Now President Kris Kitty Kleptomaniac is able to decide who is legally and illegally in the country. He creates an executive order to take away the United States of America citizenship from anyone who has less than \$1,000 in their bank account. Thus fulfilling his campaign promise of, "Make America 4 the Rich Again" to his loyal followers in the rich one percent. Those that do not have the minimum amount required are labeled illegals and subject to deportation by Dump-water Deportation Services to México. The survivors of the flu epidemic are now living in refugee camps along the northern Mexican border. (Word Count 65,081)
