Proceedings of a seminar held in Cannes, France, in 1995 during the 49th congress of the International Fiscal Association. Survey of the international tax treatment of non-resident entertainers and athletes under both domestic law and tax treaties.

Introduction summarizes the main issues including source and characterization of income, loan out companies and definition of entertainers and athletes.

•Africa continues to be a region with strong commitments to religious freedom and religious pluralism. These, however, are rarely mere facts on the ground ? they are legal, political, social, and theological projects that require considerable effort to realise. This volume ? compiling the proceedings of the third annual conference of the African Consortium for Law and Religion Studies ? focuses on various issues which vastly effect the understanding of religious pluralism in Africa. These include, amongst others, religious freedom as a human right, the importance of managing religious pluralism, and the permissibility of religious practice and observance in South African public schools.

As part of its on-going public dialogue program on progress in Ethiopia's development and public policy the Forum for Social Studies is undertaking a project of research and public dialogue on a number of selected topics on the theme of 'Prospects and Challenges for Inclusive and Participatory Development in Ethiopia'. The aim is to

## Read Online Federal Income Tax Proclamation 2016 Mofec

enable researchers and professionals to present evidence-based papers to stimulate debate and reflection. This first book in the program looks at the impact of development or lack of it, on specific social groups, namely women, young people and vulnerable groups that should be entitled to decent social care.

Darwin Awards commemorate those who perish through some "astonishing misapplications of judgment." Special recognition goes to the work of Joseph Stalin, V.I. Lenin, Leon Trotsky, Mao Zedong, Kim Il-sung, Pol Pot, Ho Chi Minh, Karl Marx, Fidel Castro, Che Guevara, Adolf Hitler, and their ilk. What were the historical origins of their notorious multi-year prize-winning death races? The old roots are diverse and even include the USA. From 1892 through 1942, the Nazi salute was performed by public officials in America. Where are the old photographs and films of the American Nazi salute performed by federal, state, county, and local officials? Those photos and films are rare because people don't want to know the truth about the globe's scary past. Public officials in the USA who preceded the German socialist (Hitler) and the Italian socialist (Mussolini) were sources for the stiff-armed salute (and robotic chanting) in those countries and other foreign countries. The "ancient Roman salute" myth originated from the city of Rome in the state of New York (not Italy), Francis Bellamy's hometown. Later, Mussolini presented a strange gift to the city of Rome, NY: a statue of two human male infants suckling on a female wolf. That statue remains on display in Rome, NY. Boy Scouts and Girl Scouts helped spread the Nazi salute and the swastika

## Read Online Federal Income Tax Proclamation 2016 Mofec

to Germany and elsewhere. The author is Supermodel and Superwriter Lin Xun and she joins the Dead Writers Club to expose many amazing discoveries, including: (1) Congress and the Flag Code confirm that the military salute was the origin of the Nazi salute. (2) The USA's Pledge of Allegiance inspired Nazi rituals. (3) Public schools spread Nazi behavior. (4) Swastikas represented crossed "S" letter shapes for "socialist" under Hitler. They are eye-popping revelations that are undisputed by the New York Times • The Washington Post • Los Angeles Times • San Francisco Chronicle • Tampa Bay Times • Chicago Tribune • Newsday • The New York Times Book Review • Tampa Tribune • Library Journal • Publishers Weekly • Saint Petersburg Times • History Journal • Scholar's Weekly Because she speaks truth to power with her ground-breaking revelations, Lin Xun has been subjected to harassment (including risqué images of her posted on the internet). She doesn't care! In this book, Lin spans history's bottom, leaving red hand prints. Hop in Lin's pink Cadillac and take a ride to the land inside of your mind. Nazi salutes and Nazi behavior originated from the USA's Pledge of Allegiance to the flag, created by Francis Bellamy, an American socialist. The author Lin Xun searches for old photos and film footage of the early Pledge of Allegiance showing the origin of the USA's notorious stiff-armed salute. Many of those artifacts have been found among Dr. Rex Curry's historical archival work. Curry's discoveries are changing the history books. Please send any images or inquiries to the email address of the publisher mentioned in the book. Each book is

## Read Online Federal Income Tax Proclamation 2016 Mofec

personally handled, wrapped, and mailed by Lin Xun IN THE NUDE! Or by the publisher, depending on who's available. This empowering book gives everyone a voice to transform his community. To everyone who threw up on Hitler's election night, who sobbed on the bathroom floor at Stalin's power grab, who dry heaved trying to imagine how to tell the children what had happened under Mao, who couldn't stop physically shaking due to the Kim thugs, who felt the horror of what was to come under all socialism, I say this: WE KNEW. WE KNEW. WE KNEW. "There is rumor of a Pulitzer Prize for exposing the Pledge of Allegiance as the origin of Nazi salutes and Nazi behavior; and the swastika as alphabetical 'S' letter shaped symbolism for 'socialist.' Hooray!" - Ward Toolen, Stop The Pledge (STP) Foundation. "The symbol presently known as Lin Xun wrote a game-changer with this book." – Francis Hannah Cruz

The planetary emergency is SOCIALISM. This book details the factors contributing to the growing crisis, describes changes to the world caused by global socialism, and discusses the shift in policy that is needed to avert disaster. One of the many inconvenient truths is that American socialists share in the guilt. Numerous annoying politicians have abetted a long history of American socialists, including the notorious Francis Bellamy and Edward Bellamy. Both Bellamy cousins wanted government to take over all schools, to teach socialism to all children. Francis Bellamy was the author of the Pledge of Allegiance to the flag, the origin of the infamous stiff-armed salute adopted later under German socialism and Adolf Hitler. Long before the Deutschland

## Read Online Federal Income Tax Proclamation 2016 Mofec

fad began, American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy. Anyone who rejected the ritual in the schools was persecuted. This astonishing book explains the following revelations: 1. Hitler never self-identified as a "Nazi". 2. Hitler never self-identified as a 'Fascist'. 3. The term 'Nazi' never appears in "Mein Kampf" nor in "Triumph of he Will." 4. The term 'Fascist' never appears in Mein Kampf as a self-description by Hitler. 5. The term "Socialist" appears throughout Mein Kampf as a self-description by Hitler. Hitler and his followers self-identified as 'socialists' by the very word in voluminous speeches and writings. 6. Hitler used the swastika to represent 'S'-letter shapes for 'socialist'. 7. Hitler was influenced by American socialists - the USA's Pledge of Allegiance to the flag was the origin of Nazi salutes and Nazi behavior. 8. A socialist started fascism. Before he coined the term 'Fascist,' Mussolini was a long-time socialist leader, with a socialist background, raised by socialists to be a socialist. 9. German socialists partnered with Soviet socialists to launch WWII, invading Poland together, and going onward from there, killing millions. Much of the amazing historical material comes from the archives of the historian Dr. Rex Curry.

In recent years, Ethiopia has experienced a rapid expansion of Khat production, marketing and consumption that has put her in a double bind. Her economy is becoming increasingly dependent on the production and export of Khat, the same way a significant section of her population is getting progressively enticed into its unbridled consumption. Khat abuse/addiction

## Read Online Federal Income Tax Proclamation 2016 Mofec

has led to serious and manifold socioeconomic problems including those relating to health. In spite of the fact that several millions of her citizens are preoccupied with Khat in the capacities of growers, traders, and chewers, the country has no clear policy to guide its production, distribution or use. The study, the findings of which are reported in this volume, focused on the unravelling the intertwined socioeconomic impacts of Khat consumption and addiction, and culminates with the identification of feasible national-level strategies and policy responses to the Khat conundrum.

Tax simplification - An African Perspective Edited by Chris Evans, Riël Franzsen, Elizabeth (Lilla) Stack 2019 ISBN: 978-1-920538-96-5 Pages: 347 Print version: Available Electronic version: Free PDF available About the publication Why are tax systems so complex and what are the causes and consequences of such complexity? The simplification of tax systems is one of the most important issues faced today in worldwide efforts to modernise and strengthen government finance and revenue raising capacities. Nowhere is it more important than throughout the rapidly emerging economies of the dynamic African region. This volume brings together contributions in this field from a conference held in South Africa in October 2018 and provides a unique synthesis of knowledge and understanding gained from the specialist expertise and diverse backgrounds brought to the tax simplification debate by those authors. Featured topics include: Taxpayers' rights to simplicity The African experience of tax simplification Simplification trends among small and medium sized entities Pension tax simplification Sources of complexity in value added taxation Simplification of recurrent property taxes Complexity and approaches to international taxation Complexity and taxation of multinational enterprises Lessons from overseas. The analysis of these topics includes timely

and relevant perspectives from the experience in other jurisdictions including Australia, Canada, New Zealand, the United Kingdom and the United States. The volume will be an essential reference for researchers and others interested in the field from academia, government, legal and accounting practice and public policy organisations in African and other countries worldwide.

Adolf Hitler's European tour started with small gigs in German beer halls. It grew to sold-out crowds of worshipful fans raising their arms and chanting in adulation. They came for his hypnotic voice and signature mustache, outrageous costumes, rituals, and symbols. From there Hitler's band took Europe by storm with a swift series of top hits! This book exposes the dark side of Hitler: His plagiarism from earlier inspirations far beyond Germany; some deep inside the USA. The USA was the origin of Nazi salutes and Fascist behavior through the work of an American socialist: Francis Bellamy, author of the USA's Pledge of Allegiance to the Flag. The American Nazi salute was often performed by public officials in the USA from 1892 through 1942. What happened to old photographs and films of the American Nazi salute performed by federal, state, county, and local officials? Those photos and films are rare because people don't want to know the truth about the government's past. American youth groups (Scouting) adopted Bellamy's American Nazi salute AND saluted swastika badges worn by fellow scouts. Many Americans were accustomed to "Nazi salutes for swastikas" long before German socialism adopted similar behavior under Hitler. That helps to explain another shocking revelation: swastikas were worn by American soldiers before Hitler did it. There are photos in the book! The military salute was the origin of Nazi salutes, via the USA's flag pledge in government schools. Public officials in the USA who preceded the German socialist (Hitler) and the Italian socialist (Mussolini) were sources for the stiff-armed salute (and brainwashed chanting) in those countries and other foreign countries influencing the worst reprobates, including these other socialists: Joseph Stalin, Vladimir Lenin, Mao Zedong, Adolf Hitler, Pol Pot, Kim Il-sung, Ho Chi Minh, Karl Marx, Leon Trotsky, Kim Jong-il, Benito Mussolini, Kim Jong-un, Fidel Castro, Che Guevara and more! They showed that Killing socialists is

## Read Online Federal Income Tax Proclamation 2016 Mofec

trademark socialism. Millions died. Yet, the world's worst killers escaped justice and many continue to be glorified as "great leaders." Bernie Sanders self-identifies the same as Hitler: SOCIALIST; Alexandria Ocasio-Cortez self-identifies the same as Hitler: SOCIALIST; So do their fans. (Hitler and his supporters did not call themselves "Nazi" nor "Fascist"). "Socialism" was touted by the very word in voluminous speeches & writings by the socialists Hitler, Stalin, Mao, Pol Pot, the Kim thugs, etc. Soviet socialism joined German socialism to launch the socialist war (WWII) invading Poland etc. It led to socialism's many genocides. Who was worst: Stalin, Mao, or Hitler? Stalin shares guilt for genocides of Mao, Hitler & himself, and Pol Pot, and the Kim thugs and other socialists. German socialism and Soviet socialism joined to launch the socialist war (WWII), invading Poland and going onward. Stalin assisted Mao. It led to genocide under many other socialists. The importance of this book cannot be overstated. It is a microcosm of the amorality of what remains of world socialism. It shines a floodlight on the ethical vacuum that is collectivism and its overlords. America is following them into that hell. Author Ian Tinny provides eye-popping revelations from the historian Dr. Rex Curry's decades of work that are undisputed by the New York Times • The Washington Post • Los Angeles Times • San Francisco Chronicle • Tampa Bay Times • Weekly Standard • Vogue • Chicago Tribune • Newsday • The New York Times Book Review • Tampa Tribune • Library Journal • Publishers Weekly • Saint Petersburg Times • History Journal.

The new series Stellenbosch Handbooks in African Constitutional Law will engage with contemporary issues of constitutionalism in Africa, filling a notable gap in African comparative constitutional law. Separation of Powers in African Constitutionalism is the first in the series, examining one of the critical measures introduced by African constitutional designers in their attempts to entrench an ethos of constitutionalism on the continent. Taking a critical look at the different ways in which attempts have been made to separate the different branches of government, the Handbook examines the impact this is having on transparent and accountable governance. Beginning with an overview of constitutionalism in Africa and the different influences on modern African constitutional developments, it looks at the relationship between the legislature and the executive as well as the relationship between the judiciary and the political branches. Despite differences in approaches between the different constitutional cultures that have influenced developments in Africa, there remain common problems. One of these problems is the constant friction in the relationship between the three branches and the resurgent threats of authoritarianism which clearly suggest that there remain serious problems in both constitutional design and implementation. The book also studies the increasing role being played by independent constitutional institutions and how they complement the checks and balances associated with the traditional three branches of government.

Adolf Hitler was a socialist. Most of what is written about Hitler is deceitfully designed to hide the fact that he touted “socialism” by the very word. Consider the following revelations explained herein (with special thanks to archives of Dr. Rex Curry’s work): 1. Hitler called himself a “Socialist.” The word "Socialist" appears throughout Mein Kampf as a self-description by Hitler. Hitler and his supporters self-identified as “socialists” by the very term in

## Read Online Federal Income Tax Proclamation 2016 Mofec

voluminous speeches and writings. 2. Hitler never called himself a "Nazi." There was no "Nazi Party" nor "Nazi Germany" as those are lies to hide the true names of the entities. 3. Hitler never called himself a "Fascist." 4. The term "Nazi" isn't in "Mein Kampf" nor in "Triumph of the Will." 5. The term "Fascist" never appears in Mein Kampf as a self-description by Hitler. 6. The term "swastika" never appears in the original Mein Kampf. 7. There is no evidence that Hitler ever used the word "swastika." 8. The symbol that Hitler did use was intended to represent "S"-letter shapes for "socialist." 9. Hitler altered his own signature to reflect his "S-shapes for socialism" logo branding. 10. Hitler was influenced by American socialists - the USA's Pledge of Allegiance to the flag was the origin of Nazi salutes and Nazi behavior. 11. The classic military salute (to the brow) also contributed to the creation of the Nazi salute (with the right-arm extended stiffly). 12. Mussolini was a long-time socialist leader, with a socialist background, raised by socialists to be a socialist, and he joined socialists known as "fascio, fasci, and fascisti." 13. Fascism came from a socialist (e.g. Mussolini). Communism came from a socialist (e.g. Marx). Fascism and Communism came from socialists. 14. German socialists partnered with Soviet socialists to launch WWII, invading Poland together, and going onward from there, killing millions. Hitler, Mussolini, Stalin, Mao, and other tyrants were influenced by propaganda in the USA, including the childish American socialists Francis Bellamy and Edward Bellamy. Both Bellamy cousins wanted government to take over all schools, to teach socialism to all youngsters worldwide. Francis Bellamy was the author of the Pledge of Allegiance to the flag, the origin of the infamous stiff-armed salute adopted later under German socialism and Adolf Hitler. Long before the Deutschland fad began, American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed

Academic Paper from the year 2019 in the subject Business economics - Accounting and Taxes, grade: 79, Addis Ababa University, course: MBA in Accounting and Finance, language: English, abstract: This research investigates the effect of the new income tax Proclamation 979/2016 on the employee's disposable income, tax liability and the income inequalities among the high and low income earning groups of employees. For this, the quantitative research method is used and secondary payroll data is collected through the survey by using email and hard copy. The data is analyzed using the summary of descriptive statistics and paired sample means t-Test. Besides this, Gini-coefficient analytical tool is also used to measure the income inequalities among

## Read Online Federal Income Tax Proclamation 2016 Mofec

1120 employees. The payroll data is gathered from 8 different public and private companies in Addis Ababa. The sample is selected by applying purposive sampling techniques and the sample size is determined using a statistical formula for an unknown population. The result shows that the tax reform brings a 9% increases on a disposable income and 30% decreases on the income tax liability of employees under this investigation. But on the contrary, the new tax reform doesn't play its role in reducing the income inequality among different income earning groups of employees rather it shows 0.4% marginal increases in income inequalities. This is because of reform gives higher disposable income for the top 20% income earning groups than the lower one. Furthermore, the study evidences the existence of high-income inequality among employees which is 0.41 Gini coefficient. It is slightly higher than the national Gini coefficient it is because of the size and scope of the study. Finally, the research indicates that 73% of the income tax revenue has paid by the top 20% income earning groups. So, it is advisable for policymakers to improve the minimum taxable income from birr 601 to birr1500 to reduce the income inequality by minimizing the tax burden of lower income earning groups.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session.

Academic Paper from the year 2016 in the subject Business economics - Accounting and Taxes, , language: English, abstract: The significance of good governance in ensuring effective tax administration in the public sector and enhancing tax collection is an undeniable fact that is generally accepted. Yet, there is scanty empirical evidence on the actual application of the principles of good governance in the structure and operation of public sector institutions and its outcome, particularly in the tax administration system. Hence, purpose of this study is to investigate the measures taken to institutionalize the principles of good governance within the Ethiopian Revenues and Customs Authority (ERCA). More specifically, the study assessed the

## Read Online Federal Income Tax Proclamation 2016 Mofec

level of conceptual understanding and commitment to the principles of good governance, measures taken to create ownership of the principles; the extent to which the ERCA put in place organizational policies, standards, strategies and structures to institutionalize good governance, and measures taken to improve human resource capacity to implement the principles of good governance. In terms of scope, the study focuses on the assessment and collection of taxes from category “C” taxpayers in selected sub-city branches of the ERCA. The research is essentially a case study that uses quantitative and qualitative data gathered from primary and secondary sources to inform its findings. The bulk of the data for this study was generated from primary sources namely, the leadership and staff of the ERCA and category ‘c’ taxpayers as clients of the Authority. The study accessed these informants through key informant interviews, knowledge, attitude and perception (KAP) questionnaires and survey questionnaires. The research also utilized secondary sources in the form of documentation on the activities of the ERCA. Secondary data was gathered from both print and electronic sources including academic literature, laws and policies, organizational documents, and the ERCA website. The study found that, while there have been efforts to institutionalize the principles of good governance in the structure and operations of ERCA, these measures have not had the anticipated level of impact felt by the employees and clients of the Authority. This has been expressed in the limited confidence of employees and clients on the limited extent to which good governance principles have been internalized by the Authority, and the inadequate capacity of the Authority to identify and address instances of misconduct and corruption. [...]

Story provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

A 5-step program for success on the AP U.S. History exam. The unique Cross-Platform format enables you to study the entire program in print, online, or on a mobile device. 5 Steps to a 5: AP U.S. History will guide your preparation program and help you build the skills, knowledge, and test-taking confidence you need to succeed. This fully revised edition covers the latest course syllabus and matches the latest exam. Features include: 6 complete practice AP U.S. History exams All the terms and concepts needed to get a top score 3 separate study plans to fit a test-taker's learning style About the Cross-Platform format: The Cross-Platform format provides a fully comprehensive print, online, and mobile program: Entire instructional content available in print and digital form Personalized study plan and daily goals Powerful analytics to assess test readiness Flashcards, games, and social media for additional support For the time-pressured AP student, this unparalleled digital access means that full study resources are always at hand.

"Hot History" is a juicy jaunt through time with Supermodel and Superwriter Lin Xun as your main-squeeze. Top historical discoveries of the century are revealed, including: (1) Congress and the Flag Code confirm that the military salute was the origin of the Nazi

## Read Online Federal Income Tax Proclamation 2016 Mofec

salute. (2) The USA's Pledge of Allegiance inspired Nazi rituals. (3) Public schools spread Nazi behavior. (4) Swastikas represented crossed "S" letter shapes for "socialist" under Hitler. They are eye-popping revelations that are undisputed by the New York Times • The Washington Post • Los Angeles Times • San Francisco Chronicle • Tampa Bay Times • Chicago Tribune • Newsday • The New York Times Book Review • Tampa Tribune • Library Journal • Publishers Weekly • Saint Petersburg Times • History Journal • Scholar's Weekly • Vogue • O: The Oprah Magazine! Because she speaks truth to power with her ground-breaking news, Lin Xun has been subjected to harassment (including racy images of her posted on the internet). She doesn't care! In this book, Lin spans history's bottom, leaving red hand prints. Nazi salutes and Nazi behavior originated from the USA's Pledge of Allegiance to the flag, created by Francis Bellamy, an American socialist. The Nazi salute was performed by public officials in the USA from 1892 through 1942. What happened to old photographs and films of the American Nazi salute performed by federal, state, county, and local officials? Those photos and films are rare because people don't want to know the truth about the government's past. Public officials in the USA who preceded the German socialist (Hitler) and the Italian socialist (Mussolini) were sources for the stiff-armed salute (and robotic chanting) in those countries and other foreign countries. The "ancient Roman salute" myth originated from the city of Rome in the state of New York (not Italy), Francis Bellamy's hometown. Later, Mussolini presented a strange gift to the

city of Rome, NY: a statue of two human male infants suckling on a female wolf. That statue remains on display in Rome, NY. Boy Scouts and Girl Scouts helped spread the Nazi salute and the swastika to Germany and elsewhere. Swastikas were used to represent crossed "S"-letters under Adolf Hitler's National Socialist German Workers Party. The author Lin Xun searches for old photos and film footage of the early Pledge of Allegiance showing the origin of the USA's notorious stiff-armed salute. Many of those artifacts have been found among Dr. Rex Curry's historical archival work. Curry's discoveries are changing the history books. Please send any images or inquiries to the email address of the publisher mentioned in the book. Each book is personally handled, wrapped, and mailed by Lin Xun IN THE NUDE! Or by the publisher, depending on who's available. "There is rumor of a Pulitzer Prize for exposing the Pledge of Allegiance as the origin of Nazi salutes and Nazi behavior; and the swastika as alphabetical 'S' letter shaped symbolism for 'socialist.' Hooray!" - R. Yates Bloodsworth, Stop The Pledge (STP) Foundation. "The symbol presently known as Lin Xun wrote a game-changer with this book." – Timothy Cruz

AMERICAN GOVERNMENT AND POLITICS TODAY is known nationwide for its balanced, unbiased, and modern coverage of constitutional, governmental, political, social, and economic structures and their processes. The book provides the knowledge that allows students to make informed choices, encourages them to play an active role in the decision-making process, and promotes their enthusiastic participation in the

world around them by giving them the tools they need to get involved. The 2017-2018 edition's updates include in-depth coverage of the 2016 elections. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Small taxpayers should pay their appropriate revenue share while their compliance costs should be reduced. This assumes importance as restructuring in emerging markets has meant rapid growth in services through self-employed small entrepreneurs, who have good revenue potential. Administrative facilitators such as a single tax covering income tax, VAT, and social security tax, at a reduced rate, do not lower tax evasion. They increase vertical and horizontal inequity, and lead to adverse resource allocation. A strategy is needed, extending modernization achieved in large taxpayer units (LTUs) to small taxpayers, including rationalization of collection and reporting of revenue data for policy formulation.

'Honor' is used as a justification for violence perpetrated against women and girls considered to have violated social taboos related to sexual behavior. Several 'honor'-based murders of Kurdish women, such as Fadime Sahindal, Banaz Mahmud and Du'a Khalil Aswad, and campaigns against 'honor'-based violence by Kurdish feminists have drawn international attention to this phenomenon within Kurdish communities. Honor and the Political Economy of Marriage provides a description of 'honor'-based violence that focuses upon the structure of the family rather than the

perpetrator's culture. The author, Joanne Payton, argues that within societies primarily organized by familial and marital connections, women's 'honor' is a form of symbolic capital within a 'political economy' in which marriage organizes intergroup connections. Drawing on statistical analysis of original data contextualized with historical and anthropological readings, Payton explores forms of marriage and their relationship to 'honor', sketching changing norms around the familial control of women from agrarian/pastoral roots to the contemporary era.

McDonald's started in 1940 in the USA. At that time much of the planet was being terrorized by Stalinization and Hitlerization. German socialism and Soviet socialism had partnered in a pact to divide up Europe, launching World War II, invading Poland together and going onward, leading to the socialist Wholecaust (of which the Holocaust was a part). It was a globalization conspiracy to make everyone in the world as equal as a cog in a collectivist wheel. After the Allies defeated German socialism, Soviet socialism continued the sordid plot on its own. Stalin's anti-consumption dogma had already starved millions to death under his collectivization of food. His get-poor-quick scheme continued to impoverish multitudes for decades. In contrast, in the USA, McDonald's began posting the number of hamburgers sold in 1955. The signs over the golden arches said, "over a million served." Soviet socialists colluded with Chinese socialists (despite Stalin's earlier experience cooperating with German socialists). The Chinese mimicked Stalin's one-size-fits-all food bureaucracy. Soon, Mao's death toll

## Read Online Federal Income Tax Proclamation 2016 Mofec

by starvation rivaled Stalin's. Their bogus "right to free socialized medicine" could not cure stage-4 hunger (not even pain pills nor palliative care was provided). Soviet socialism and Chinese socialism both independently caused cannibalism (think of it as "slow food"; not "fast food"). While McD's asked "Do you want fries with that?" socialists asked, "Do you want flies with that?" (Due to the lack of reliable electricity and refrigeration). Similar unhappy meals followed the same irrational socialization chaos in other countries. Socialism is a high-mortality dogma. In 1991 the Union of Soviet Socialist Republics ceased to exist because its socialization economy collapsed. In 1993 "The McDonaldization of Society" (by George Ritzer) was published. In the book, Ritzer writes as if he is ignorant that members of Hitler's group did not call themselves "Nazis," but called themselves "socialists" and touted "socialism" by the very word in voluminous writings and speeches. In that regard, Ritzer perpetuates widespread ignorance among college students. Ritzer seems ignorant of the death tolls under Stalin and Mao, who also glorified "socialism" voluminously by the very word. It says more about Ritzer than it does about McDonald's. In 1994 McDonald's stopped counting hamburgers served because the quantity surpassed 99 billion. Today McDonald's is so loved that it can boast that "billions and billions have been served." During that same time, socialists can boast that millions and millions have been starved. To death. The USA has avoided many monotonous horrors of collectivization and socialism's trademark mass starvations. McDonaldization (and other all capitalism)

## Read Online Federal Income Tax Proclamation 2016 Mofec

saved us from McStalinization, McHitlerization, McMaoism, and defeated other McSocialization in America. Even so, “The McDonaldization of Society” is used as a textbook in American college classes that bad-mouth capitalism and glorify socialism. Young people are being brainwashed in schools and universities. In how many other ways is the USA being victimized by anti-capitalist propaganda? The USA was the origin of Nazi salutes and Fascist behavior through the propaganda of an American Socialist: Francis Bellamy, author of the USA's Pledge of Allegiance to the Flag. America's Nazi salute was often performed by public officials in the USA from 1892 through 1942 (near McDonald's start). What happened to old photographs and films of the American Nazi salute performed by federal, state, county, and local officials? Those photos and films are rare because people don't want to know the truth about the government's past. American youth groups (Scouting) adopted Bellamy's American Nazi salute (with Bellamy's encouragement) AND saluted swastika badges (?) worn by fellow scouts. Many Americans were accustomed to “Nazi salutes for swastikas” long before German socialism (and Hitler Youth) adopted similar behavior under Hitler. That helps to explain another shocking revelation: swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism. There are photos in this book!
