

Federer The Biography Of Roger Federer

Roger Federer is an icon. One of the greatest tennis players of all time, he is also one of the most highly regarded and best-loved figures in the sporting world. Veteran tennis writer René Stauffer has been closely covering Federer's career for nearly twenty-five years. In this comprehensive biography, Stauffer talks at length to the man himself as well as family, friends, coaches and rivals to paint an unrivalled picture of this extraordinary athlete, family man, philanthropist, businessman and sporting ambassador. From Federer's early life in Basel, Switzerland, where he first picked up a tennis racquet, to the heights of his twentieth Grand Slam victory and all points in between, Stauffer explores the secrets of Federer's success, the hardships and doubts that he has faced and examines Federer's legacy in the modern game. Insightful, touching and revealing, this is the most definitive biography on Roger Federer ever written.

Roger Federer is called the greatest men's tennis player of all time. He has won more major tournaments than any other player in history. He has played in more than 1,000 professional matches over 20 years, yet has trained his body and mind with such focus that he has never withdrawn from a match due to injury. Learn how Federer continues to set records and defy the odds.

Illustrated colour biography

For much of the past decade, William Skidelsky has not been able to stop thinking about Roger Federer, the greatest and most graceful tennis player of all time. It's a devotion that has been all-consuming. In *Federer and Me*, Skidelsky asks what it is about the Swiss star that transfixes him, and countless others. He dissects the wonders of his forehand, reflects on his rivalry with Nadal, revels in his victories and relives his most crushing defeats. But this is more than just a book about Federer. In charting his obsession, Skidelsky explores the evolution of modern tennis, the role of beauty in sport and the psychology of fandom, weaving his own past into the story. Thought-provoking and beautifully written, *Federer and Me* is a frank, funny and touching account of one fan's life.

Learn about the inspirational story of Roger Federer In *Roger Federer: A Biography of the Tennis Legend* you will learn about the life, professional career, and accomplishments of Roger Federer. In this biography you will read about Roger Federer's incredible life story. Federer is arguably the greatest tennis player of all time, having won 17 Grand Slam titles, more than any other tennis player. He has been a force in the tennis world for the past ten years, and has had legendary matches against rivals, such as Nadal, Djokovic, and Murray. Federer began his tennis career in Switzerland, where he was very successful as a junior player. He rose through the ranks, and gained international recognition after winning his first Wimbledon title in 2003. Since then, he has won with grace on the world stage. In addition to tennis, Federer has been part of many large marketing campaigns and philanthropy events. Read this biography to gain insight on the career, rivalries, and personal life of this tennis great. Here is a preview of this biography: An Introduction to the Legacy of Roger Federer Discovering a First Love in Tennis Early Career and Establishment as a Title Contender International Super-Stardom, Rivalries, and the Ascent of a Tennis Icon At Home: The Personal Life of Roger Federer Making a Tremendous Impact: Roger's Emotional Connection with Philanthropy Federer's Tennis Legacy Here is an excerpt from the book: Roger Federer, the Swiss-born tennis legend, has become one of the most well-rounded and professionally accomplished humans in the history of sport. As a whole, the sporting world watches closely as talented athletes vie for victory on a public platform and engage in competitive battle for all to admire. Federer embodied the spirit of the "alpha-dog," just as fellow "alphas" like Tiger Woods and Michael Jordan similarly have. Not a single part of Federer's career is underwhelming or anti-climactic. From the tumultuous rivalries to utter domination of his sport, Federer lives up to the designation so many professional athletes chase but never quite achieve: Legend.

The tennis virtuoso strikes each ball with a watchmaker's precision. But he's more than a Swiss national hero, enthraling the masses across the world with his elegant play, his groundedness and his resilience. At 37, the father of four is still diligently increasing his stardom. He is considered not just the best tennis player in history, but one of the greatest athletes of all time. This book is a bestseller in Europe and is now available in English for the first time.

- The outstanding English-language biography of the great Swiss star, arguably the greatest tennis player of all time, now exhaustively revised and updated

Learn the Inspiring Story of One of Tennis' Greatest Stars, Novak Djokovic! Read on your PC, Mac, smartphone, tablet or Kindle device! In *Novak Djokovic: The Inspiring Story of One of Tennis' Greatest Legends*, you will learn the inspirational story of one of tennis' premier legends, Novak Djokovic. Novak Djokovic has come a long way since reaching his first Grand Slam final in the 2007 US Open. There was little doubt that even in his defeat to fellow legend, Roger Federer, that Djokovic was going to be embarking on an illustrious tennis career. He has since validated this belief. At the age of twenty-nine, Novak Djokovic is a 12-time Grand Slam champion, and has held the top spot of the ATP Tour for more than 220 weeks. The most impressive part has been his absolute dominance in the last half decade of tennis, as he has won multiple Australian Opens, Wimbledons, and US Opens. In this unauthorized biography, we'll explore Djokovic's journey to becoming one of the greatest, and learn what it has taken him to reach where he is today. Here is a preview of what is inside this book: Early Life and Childhood Junior Years and Early Career Djokovic's First Major Title, The 2008 Australian Open Years of Dominance and Key Majors Most Notable Rivalries Djokovic's Personal Life Djokovic's Impact on Tennis and Beyond The Legacy of Novak Djokovic An excerpt from the book: He is combustible while competitive; temperamental, yet oh so talented. He is prickly, yes, but a definite prodigy. The owner of a swashbuckling style he has ridden to success. He is controversial at times, sure, but a champion without a doubt.

No one word is ever going to fully fit all of who Novak Djokovic is because the sum of all who he is transcends a mere one-word description. He is one of the greatest tennis players of his generation who has transcended into being one of the most impactful tennis players of any generation. He has willed himself from a talented yet scrawny Serbian teenager into a multiple-time Grand Slam winner who has the chance to do the unthinkable - surpass Roger Federer's record haul of Grand Slam titles, something once thought impossible for Federer himself to achieve. But how did he get here from there? How did the tennis player adored by many with chants of "No-le" arrive at the crossroads of greatness in a sport in which he has shared traits of both its heroes and villains? How has he come to thrive at a time where the division is enjoying some of its greatest depth of talent in its extensive history? Sacrifices were made by both him and his family. There were the perseverance and persistence to improve, first to simply be one of the "Big Four" who has defined the current state of men's tennis, and then to hold its throne. There was also an emotional maturing, one that has created a grounding in both his professional and personal worlds which helped him reach the pinnacle of his sport as the number one ranked player in the world and stay among its elite for a prolonged period. A major biography of the greatest men's tennis player of the modern era. There have been other biographies of Roger Federer, but never one with this kind of access to the man himself, his support team, and the most prominent figures in the game, including such rivals as Rafael Nadal, Novak Djokovic, and Andy Roddick. In *THE MASTER*, New York Times correspondent Christopher Clarey sits down with Federer and those closest to him to tell the story of the greatest player in men's tennis. Roger Federer has often made it look astonishingly easy through the decades: carving backhands, gliding to forehands, leaping for overheads and, in his most gravity-defying act, remaining high on a pedestal in

a world of sports rightfully flooded with cynicism. But his path from temperamental, bleach-blond teenager with dubious style sense to one of the greatest, most self-possessed and elegant of competitors has been a long-running act of will, not destiny. He not only had a great gift. He had grit. Christopher Clarey, one of the top international sportswriters working today, has covered Federer since the beginning of his professional career. He was in Paris on the Suzanne Lenglen Court for Federer's first Grand Slam match and has interviewed him exclusively more than any other journalist since his rise to prominence. Here, Clarey focuses on the pivotal people, places, and moments in Federer's long and rich career: reporting from South Africa, South America, the Middle East, four Grand Slam tournaments, and Federer's native Switzerland. It has been a journey like no other player's, rife with victories and a few crushing defeats, one that has redefined enduring excellence and made Federer a sentimental favorite worldwide. THE MASTER tells the story of Federer's life and career on both an intimate and grand scale, in a way no one else could possibly do.

A revised and updated edition of the biography of one of the greatest living tennis players, and his relationship with his homeland of Serbia Novak Djokovic is not just one of the world's great tennis players--he is a de facto ambassador for his country, Serbia. It is no easy task, given the country's role in the Yugoslav wars of the 1990s; indeed, some people still associate the name "Serbia" with "atrocities." In this study of both Djokovic and Serbia, Chris Bowers paints two profiles. He traces the story of the boy from modest surroundings, showing how he met the woman who not only taught him tennis but how to deal with life as a high-profile figure, charts his battle with illness and the relationship with his volatile father, and how he is representing his country internationally. Yet interwoven into his narrative of the brilliant tennis player is the story of Serbia, pulling no punches about the country's role in the 1990s wars but offering a sensitive interpretation of the hopes and aspirations of a nation and a people with a troubled past, but bright hopes for the future. Bowers, biographer of Swiss tennis star Roger Federer and the British Deputy Prime Minister Nick Clegg, weaves together the sporting and geopolitical strands to present a sensitive portrait of a man and his people, and of how determination married to sensitivity can create a sporting statesman. Now revised and updated to include the 2015 Australian Open, this is the definitive study of a very remarkable player.

Roger Federer: 20 Grand Slam Wins On August 8, 1981, a star was born in Basel, Switzerland and the baby's happy parents named him, Roger Federer, not knowing the world stage was waiting for the star-studded kid. At the age of 11, Roger had all the trappings of a force to reckon with in the tennis field having become the top 3 best Swiss tennis players for the junior team. He had a strong drive, he had a passion for the game, his goal was the world stage and nothing, absolutely nothing was going to deter young Federer from fulfilling his dreams. Roger Federer practiced relentlessly. At age 14 he would spend six hours per week practicing and participating in two to three tournaments in a month. Federer arguably became one of the youngest lawn tennis player at age 18 and in the Swiss David Team. He didn't go the whole haul alone as he learned from his idols, Stefan Edberg and Boris Becker. By 1998, Federer had gone professional, having won the Wimbledon titles for boy's singles and doubles. He was then 'The New Kid' in the block to beat. Surprisingly, he took on erstwhile tennis champion Pete Sampras at the Wimbledon 2001 and knocked him out at the fourth round. So, began the story of the Swiss kid now turned a world tennis giant in the making, a sensation loved by his emerging fans, scoffed by some and dreaded by others, who were his opponents. So, what's it going to be? At last, Roger Federer has written his name in the sands of time. He made history repeatedly and became the Greatest Of All Times (G.O.A.T). As his active days in the lawn tennis court gradually draw to an end, Roger Federer has everything to be thankful for. With over 1,500 matches played in his life as a professional player, 103 career wins, 20 Grand Slam titles from 31 final matches, over 10 consecutive finals, and more 8 consecutive finals, Roger Federer has set a record to emulate for years to come. To know more about this champ and menacing player, his games, intrigues, bad days, special moments, style of play, emotions, victories and more, let's delve into the life of Roger Federer and his 20 Grand Slam title win.

Since 2004, two names have dominated men's tennis: Rafael Nadal and Roger Federer. Each player is legendary in his own right. The Spanish Nadal is the winner of sixteen Grand Slam titles, including five consecutive French Open singles titles from 2010-2014, and is the only player ever to win a Grand Slam for ten straight years. Federer, from

turning points in the lives of these great athletes, while also giving the context in which they occurred. Our books are especially great for children who look up to sports figures. Hopefully these athletes can serve as a source of inspiration and their stories can provide life lessons that are practical for fans of any demographic.

Latest updated version of the classic biography written by the Swiss journalist René Satuffer about the great tennis player. Stauffer has known Federer since he was playing children and has accompanied him and his family throughout his professional career. A broad portrait of the human being, beyond the tennis player, who has made sport in general great and who has become a symbol of elegance and chivalry, as well as effort and dedication.

Learn the Inspiring Story of One of Tennis' Greatest Legends, Roger Federer! Read on your PC, Mac, smartphone, tablet or Kindle device. This holiday season, if you buy the print edition as a gift, you can keep the Kindle edition for yourself! In *Roger Federer: The Inspiring Story of One of Tennis' Greatest Legends*, you will learn the inspirational story of one of tennis' premier players, Roger Federer. Few players have dominated the game of tennis as much as Federer. As of early 2017, Federer holds eighteen Grand Slam singles titles, the most in history for a male tennis player. When Federer ultimately retires, he will easily go down as one of the greatest to ever play the game. Federer has demonstrated not only what it means to be a champion, but how to carry oneself as a champion on and off the court. In this unauthorized biography, we'll explore Federer's journey to becoming one of the all-time greats, and learn what it has taken him to reach where he is today. Here is a preview of what is inside this book: Early Life and Childhood Junior Years and Early Career First Major Title 2003 Wimbledon Rise to Number 1 and Dominance Federer's Rivals Federer's Personal Life Roger Federer's Impact The Legacy of Roger Federer An excerpt from the book: There are four things for which Switzerland is globally renowned: Chocolate, precision timepieces, neutrality, and Roger Federer. The last allows the Swiss people to blissfully ignore the third when it comes to discussing where the superstar tennis player ranks in the sport's pantheon. Federer has enjoyed a playing career that is at the sunset of a second decade, and his recent recovery from knee surgery and Renaissance to win the Australian Open in January 2017 shows that the Swiss maestro still has something left in his bag of tricks, even at age 35. His 18 Grand Slam singles titles are the most of any player in the Open Era. That number is more impressive considering that his career intersected the sport's history at a time where Rafael Nadal and Novak Djokovic tied for second and fourth place in that category with 14 and 12, respectively. These three players have had a stranglehold on major titles for nearly a generation, winning the Australian Open, French Open, Wimbledon, and the U.S. Open a combined 44 times dating to Federer's first Wimbledon crown in summer of 2003. But it is the elegant Federer who currently stands above the gritty Nadal and the jack-of-all-surfaces Djokovic, due in large part to his metronome-like consistency at an elite level for more than a decade. On the path to becoming arguably the greatest of all time in his sport, Federer's rise was one seen in the distance, starting with his play in juniors. He had to mature from petulant teenager to talented and promising young player on the ATP Tour. Federer then had to absorb match and life lessons from his peers to become a better player. And since the summer following his first victory at the all-England club, Federer's place in tennis lore has come by way of reaction and evolution. He has honed his already finely tuned all-around game and enhanced it with strategy. That often kept him one step ahead of the chasing pack, though now in the autumn of his playing days, it is helping him try to emerge from it. The must-have biography for all fans of the electric Olympic gold medalist and six-time grand-slam champion, updated to include the full 2009 season, including injuries and successes Here is the unbelievable story of Spanish tennis legend Rafael Nadal. He was 19 years old when he won the 2005 French Open in his very first appearance at the event. A left-hander with a booming forehand, Nadal had been known as a clay-court specialist since playing his first pro tournaments in 2001. His aggressive style, flowing hair, and muscular build have made him a fan favorite as well. He won his first singles title in 2004, and had a breakout season in 2005, winning at Monte Carlo, Rome, Barcelona, and Stuttgart as well as at Roland Garros. He won the French Open again in 2006, 2007, and 2008, defeating rival Roger Federer in the final each time. In 2008 he broke through at Wimbledon, beating Federer to win the men's singles title in a spectacular fashion. No Nadal fan will want to be without this comprehensive biography.

Get this book now and enjoy the rise to stardom of Roger Federer.

Looks at the life and career accomplishments of the formerly top-ranked professional tennis player.

Tennis smashed onto the worldwide athletic scene soon after its modern rules and equipment were introduced in nineteenth-century England. Exciting, competitive, and uniquely accessible to people of all ages and talent levels, tennis continues to enjoy popularity, both as a recreational activity and a spectator sport. Life imitates sport in *Tennis and Philosophy*. Editor David Baggett approaches tennis not only as a game but also as a surprisingly rich resource for philosophical analysis. He assembles a team of champion scholars, including David Foster Wallace, Robert R. Clewis, David Detmer, Mark Huston, Tommy Valentini, Neil Delaney, and Kevin Kinghorn, to consider numerous philosophical issues within the sport. Profiles of tennis greats such as John McEnroe, Roger Federer, the Williams sisters, and Arthur Ashe are paired with pertinent topics, from the ethics of rage to the role of rivalry. Whether entertaining metaphysical arguments or examining the nature of beauty, these essays promise insightful discussion of one of the world's most popular sports.

The MasterThe Brilliant Career of Roger FedererTwelve

Roger Federer could live anywhere in the world, but he always returns to the place he loves most: Switzerland. Dave Seminara is a mad traveler and tennis lifer who has written about Federer for *The New York Times* and other publications. A pair of autoimmune diseases and a knee surgery kept Dave from playing tennis for years, but as he inched toward recovery, he had a bright idea: why not start his tennis comeback on hallowed ground—courts that his hero Roger Federer graced in Switzerland. *Footsteps of Federer* is a funny, novella-length account of Seminara's travels across seven Swiss cantons in search of insights into Federer's character, which is inextricably linked to his deep roots in, and love for, his country. Seminara timed his unique pilgrimage to the 2019 Swiss Indoors, where he had a chance to ask Roger a number of offbeat questions before and after

Federer hoisted his record tenth title there. Seminara's Federer pilgrimage took him to Switzerland's most important abbey, where he prayed with Abbot Urban Federer; to the vineyard of Jakob Federer from Berneck, where the Federer clan originated from; to the stunning villa where Roger and Mirka were married; and to many of the neighborhoods and tennis clubs where Roger has lived and trained at over the years.

He is recognized as the greatest tennis player of all time. An all-around, all-court player known for his exemplary fluid style in tennis play, with incredible speed and extraordinary shot making, his versatility in the court is simply one of a kind. He is also one of few highest-paid athletes, making around 40-50 million euros annually. Generally speaking, he is one of the few extremely successful athletes, specifically in the tennis field. But the greatest thing about him is his big heart. He's a monster in the tennis court but an angel in the real world. He never kept his achievements and wealth for himself, rather, he chose to share it to the less fortunate fellow men. He is a genuine man who is always willing to extend a helping hand, and that makes him a true champion not just in the realm of sport but in the hearts of people whom he helped and who witnessed his greatness. Yes, we're talking about Roger Federer here. Many people out there may perhaps ponder how this mega successful athlete achieved their success or probably wonder what they've gone through in their journey or simply wish to follow their path. These same questions are what drive this book. This book is written for both tennis enthusiast, Federer fanatics, and even random individuals who wish to know all about Roger Federer- his life, achievements, obstacles he faced, his contribution to the world and learn something important from him, something which can help or guide them on their journey towards their achievement.

There have been other biographies of Roger Federer, but never one with this kind of access to the man himself, his support team, and the most prominent figures in the game, including such rivals as Rafael Nadal, Novak Djokovic, and Andy Roddick. In THE MASTER, New York Times correspondent Christopher Clarey sits down with Federer and those closest to him to tell the story of the greatest player in men's tennis. Roger Federer has often made it look astonishingly easy through the decades: carving backhands, gliding to forehands, leaping for overheads and, in his most gravity-defying act, remaining high on a pedestal in a world of sports rightfully flooded with cynicism. But his path from temperamental, bleach-blond teenager with dubious style sense to one of the greatest, most self-possessed and elegant of competitors has been a long-running act of will, not destiny. He not only had a great gift. He had grit. Christopher Clarey, one of the top international sportswriters working today, has covered Federer since the beginning of his professional career. He was in Paris on the Suzanne Lenglen Court for Federer's first Grand Slam match and has interviewed him exclusively more than any other journalist since his rise to prominence. Here, Clarey focuses on the pivotal people, places, and moments in Federer's long and rich career: reporting from South Africa, South America, the Middle East, four Grand Slam tournaments, and Federer's native Switzerland. It has been a journey like no other player's, rife with victories and a few crushing defeats, one that has redefined enduring excellence and made Federer a sentimental favorite worldwide. THE MASTER tells the story of Federer's life and career on both an intimate and grand scale, in a way no one else could possibly do.

Roger Federer's astounding all-around ability has led to him being referred to as one of the most complete players the game has ever seen and with 17 Grand Slam wins and an Olympic Gold Medal under his belt, the Swiss star has already achieved legendary status in the game. This authoritative and affectionate biography traces Federer's rise, from his first tentative strokes with a tennis racket to how he dealt with being sent away to a training academy where he struggled to communicate in a French-speaking part of Switzerland, as well as how he handled the sudden death of his first real coach and mentor. It also examines how Roger has bounced back from arguably one of the most challenging periods of his career following a serious illness and a dip in form, he broke his run of successive Wimbledon championship wins and was toppled from the number one spot by rival Rafael Nadal—but in characteristic style, silenced his critics by once again returning to winning form. This biography explains how Roger's professionalism and charm, as well as the time he devotes to his charitable foundation, have won him huge amounts of respect from both his fellow athletes and tennis professionals alike.

Novak Djokovic is not just one of the world's greatest tennis players - he is a de facto ambassador for his country, Serbia.

A biography of one of the greatest living tennis players, and his relationship with his homeland of Serbia Novak Djokovic is not just one of the world's great tennis players, he is the de facto ambassador for his homeland, Serbia. Not an easy job, given the lingering resonance of Serbia's role in the 1990s Yugoslav wars in the world's news bulletins. To this day, the words "Serbia" and "atrocities" are linked in the minds of many. This study of both Djokovic and Serbia paints two powerful portraits. It traces the story of the boy from modest surroundings, telling how he met the woman who not only taught him tennis but how to deal with life as a high-profile icon, charts his battle with illness and his relationship with a volatile father, and how his on-court accomplishments have made his country proud. But it also tells the story of Serbia, pulling no punches about its role in the 1990s wars but offering a sensitive interpretation of the hopes and aspirations of a people with a troubled past. This book weaves together these sporting and geo political strands to present a sensitive portrait of a man and his people, and how determination married with sensitivity can create a sporting statesman.

This admired biography traces the rise of Roger Federer, from his first tentative strokes with a racket to legendary status, and perhaps even the title of greatest tennis player ever. It looks at his development as a sportsman and how he has matured into a family man after his marriage and the birth of twin girls, followed by twin boys in 2014. With his remarkable return to top-level form after his grim 2013, culminating in his sealing Switzerland's Davis Cup triumph in November 2014, and his narrow loss to Novak Djokovic in the 2015 Men's Singles at Wimbledon, a fuller picture of the player's career can be painted. Far from being an endless recitation of tennis matches won and, sometimes, lost, however, the book also examines how Federer bounced back from arguably one of the most challenging periods of his career when he suffered a serious illness and a dip in form. In characteristic style, he silenced his critics by winning the French Open title for the first time, reclaiming his Wimbledon crown, winning Olympic gold, and in 2015 recording his 1,000th career win--a feat achieved by only two other players--as well as beating both
