

Fired Up

More than three centuries ago, Nicholas Winters irrevocably altered his genetic make up in an obsession-fueled competition with alchemist and Arcane Society founder Sylvester Jones. Driven to control their psychic abilities, each man's decision has reverberated throughout the family line, rewarding some with powers beyond their wildest dreams, and cursing others to a life filled with madness and hallucinations. Jack Winters, descendant of Nicholas, has been experiencing nightmares and blackouts - just the beginning, he believes - of the manifestation of the Winters family curse. The legend says that he must find the Burning Lamp or risk turning into a monster. But he can't do it alone; he needs the help of a woman with the gift to read the lamp's dreamlight. Jack is convinced that private investigator Chloe Harper is that woman. It doesn't take long for Chloe to pick up the trail of the missing lamp. And as they draw closer to the lamp, the raw power that dwells within it threatens to sweep them into a hurricane of psychic force.

Indisputable evidence has revealed the greatest threat to America's economy. Is it off-shoring labor? Unethical corporate practices? A turbulent market that forces downsizing? No. A Gallup Organization survey of more than one million

Americans show that nearly 75 percent of all workers are disengaged. Employee disengagement is a widespread malady in American organizations, causing the loss of billions of dollars, hours of dissatisfaction, and work lives lacking true value. In his book, *Fired Up or Burned Out*, Michael Stallard shares the three key actions necessary to transform even a lethargic, disconnected organization or office into an impassioned, innovative, and thriving workplace.

"I'm loving it! Laura has managed not only to write a clear and incredibly important book, she's really funny too! Her way of writing, the images in her language, and the diagrams make this book really stand out; there's no way to misunderstand the concepts she's presenting." —Emelie Johnson Vegh, co-author of *Agility Right from the Start*

Some dogs need a little help. Some dogs are afraid, or excited, or reactive. Dogs that “don't listen” and “go crazy” don't live the lives we—or they—want. *Fired Up, Frantic, and Freaked Out* can change that. Simple steps and an accessible, conversational tone from award-winning, internationally-known trainer Laura VanArendonk Baugh CPDT-KA KPACTP make calming the agitated dog not only possible, but pleasant. Inside you'll learn how to:

- Achieve change in short, simple training sessions of a minute or less
- Maximize the effects of natural brain chemistry
- Know when to call in medical help
- “Clean up” unreliable behaviors in both overexcited sport dogs and pets at

home - Recognize how fear, aggression, and excitement are variants of the same root problem. The conversational tone is both informative and fun—very accessible, and it feels like the reader has a consulting trainer standing at her shoulder! Bring your dog from emotional to thoughtful, and enjoy a calmer, more enriched life with your best friend.

"Part of series intended for young adults (16-25). Decades after abortion was legalized and decriminalized in Canada, the U.S. and the U.K., why are we still fighting for reproductive rights? Shattering the myth that the battle for reproductive rights was won in the sixties, seventies, and eighties, *Fired Up* about Reproductive Rights shows us the many ways our reproductive lives remain subject to state control. From the fight for safe, legal and accessible abortion services to the fight against coercive sterilization, eugenics, and population control, threats to our reproductive control remain alive and well in our communities. Far from just debates over morality or religion, the regulation of sexuality, fertility and reproduction has been a major way that societies have ensured the domination of men over women, rich people over poor people, and white people over people of colour. Engaging with the reproductive justice framework advanced by women of colour, the book presents the fight for reproductive rights as continuous with other social justice issues, and forces us to

grapple with the weaknesses of the feminist and reproductive rights movement as it exists. Accessible and engaging, this book gives readers the tools to understand--and fight against--contemporary threats to our reproductive rights."-- Catch this action-packed adventure about Ash, Pikachu, and their friends! This chapter book features classic characters featured on Netflix and in Pokémon Go. Ash wants to be a great Pokémon Trainer. But sometimes Trainers have to make big sacrifices. Charizard can only get stronger if it leaves Ash -- forever. But that means Ash has no Fire-type Pokémon at all. Have his dreams of becoming a Pokémon Master gone up in flames? This chapter book is based on a thrilling storyline from the top-rated animated series now on Netflix. Black-and-white illustrations throughout.

The origins of raku can be traced back hundreds of years to Japan, where it was used as the traditional method of creating clay bowls for the tea ceremony. Over the years potters have embraced and adapted the methods, celebrating the remarkable but unpredictable results achieved using raku techniques. The author, who has specialized in raku for over twenty years, considers the origins of raku before offering over 300 glaze recipes. A selection of other potters also share their ideas, and with one hundred photographs of raku-fired pieces, *Fired Up With Raku* offers inspiration to all potters and is an invaluable source of

information and advice for all ceramicists. Includes over 300 glaze recipes. Superbly illustrated with one hundred colour photographs of raku-fired pieces. Irene Poulton has specialized in raku firing for over twenty years and her work is exhibited in both Australia and the USA.

A unique and gloriously nostalgic account of one eventful year in the fire service for readers who loved books such as *CALL THE MIDWIFE* and *TRUST ME, I'M A VET*. Nothing about the county fire service was quite what Malcolm expected when he joined the watch in Shrewsbury. As the newest member of the service he was first in line when swans terrorised the high street - and when a flock of owls got stuck on the roof of his local pub. Eighteen years old and more than ready to rush into burning buildings to save fair damsels in distress, young Malcolm soon realised he was more likely to be jumping into slurry pits and rivers to rescue any number of unfortunate animals. But for

all the embarrassing situations Malcolm found himself in there were heart-stopping dramas too - and tragic farm and house fires. As he learns on the job and begins to win the respect of the old-timers, Malcolm starts to feel that maybe, one day, he just might make it as a fireman. But first he has to catch the eye of the smiley secretary in the office opposite the station ... Funny, moving and gloriously nostalgic, All Fired Up paints a unique portrait of rural Britain - and shows just how surprising a fireman's life can be. He's tantalizing trouble she can't resist... Charlotte Parrish has always wanted a certain kind of man: someone responsible, settled, boring. Bad boys need not apply. But when her car leaves her stranded and a mysterious stranger with brooding eyes and a protective streak comes to her rescue, she can't deny how drawn she is to him. In town searching for family he's never met, Mitch is everything she never thought she wanted—and suddenly everything she craves. Finding his half brothers after all these years is more than Mitch Crews has allowed himself to wish for. Finding love never even crossed his mind...until he meets Charlotte. She's sweet, warmhearted, sexier than she knows—and too damn good for an ex-con like him. But when his past comes back to haunt him, putting Charlotte—and the family he's come to care for—in danger, Mitch isn't playing by the rules. He's already surrendered his heart, but now he'll risk his life.

Once bitten. Twice burned. Forever bonded. Don't miss this riveting and romantic spin-off series from Jenn Burke, author of *Not Dead Yet*. Paranormals are dying. All over the city, with no explanation and only one thing in common: their magic is missing. Vampire and private investigator Evan Fournier isn't supposed to be taking on paranormal cases, but when the murderer hits close to home, he agrees to look into it. The last thing he expects is to become a target himself—and then to become irrevocably bonded to the man who just tried to kill him. With his memory gone and his soul bonded to a stranger, former firefighter Colin Zhang wants to be anywhere else. He doesn't have a damn clue why he just tried to kill Evan, and he didn't even know about magic until just now. The sooner he can get back to his real life, the better. But every time either of them tries to leave, pure agony stops them short. Forced to work with Evan or suffer the consequences, Colin must excavate the secrets buried in his missing memories while battling two rising threats: the conspiracy behind the murder, and his mutual attraction to the bond mate he never wanted. *Ashes and Dust Book 1: All Fired Up Not Dead Yet Book 1: Not Dead Yet Book 2: Give Up the Ghost Book 3: Graveyard Shift*

According to the World Health Organization, one in three women will be sexually or physically assaulted in her lifetime. These rates are very similar for non-binary people and other

feminized people, too. This is rape culture, and young adults are living through it here and now. *Fired Up about Consent* is a practical, survivor-informed primer for young people who want to learn how to build joyful, mutually satisfying sex lives and relationships. In these pages, author Sarah Ratchford defines rape and sexual assault, busts the myths behind toothless messaging and outdated advice, and provides sex-positive scripts on how to ask for and offer a clear, enthusiastic, and freely given “Yes!” Along the way, Ratchford touches on topics such as #MeToo, gender identity, masturbation, virginity, porn, sex work, reporting assault, and more, all through a radically inclusive and intersectional lens. The message is loud and clear: not only is consent sexy, it’s mandatory—and everyone deserves frank and empowering literacy around it. Only with empathy, compassion, and resistance can we move forward into a new culture of consent.

ASHTON If there's one thing I know, it's how to play the game...both on and off the field. If it hadn't been for that one teenage slipup where I kissed Beau Campbell, I'd be able to keep fooling myself. Football is the one thing I use to distract myself from the truth, and when I screw-up and lose the game I love, I find myself right back in Fever Falls. And right back face-to-face with Cranky Campbell, who hates me even more than he did when we were kids. Whatever magic he held over me then is still there. As much as I fight it, I still want him. And I always get what I want...well, except with Beau, who constantly calls me on my crap. Why do I like that so much? BEAU I might've spent years watching Ash live out my dream-without the off-field antics and orgies with women, at least-but I've made a good life for myself. I'm a firefighter, and I coach my brother's football team for those with developmental disabilities. But when Ash swings back into town armed with his monster ego and an arsenal of stupid nicknames, everyone is in awe of him. Nope, not me. I don't care if our kiss years ago was responsible for my sexual awakening. I won't fall for Ashton Carmichael. Though that resolution would be a whole lot easier if he wasn't so tempting. Once he finds his way into my bed, I'm screwed-in more ways than one. But there's more to Ash than meets the eye, buried beneath his ego, sarcasm and how we burn up the sheets together. Soon, it's more than a game. We don't just get each other fired up, we just might win each other's hearts. Too bad things are never that simple...

In the South, barbecue is king. Barbecue grills are ubiquitous fixtures in backyards across the region, and every Southerner looks forward to the "firing-up" season. This book is a follow up to the best-selling Big Book of BBQ and is filled with expert techniques and know-how enables every cook to start grilling like an award-winning pit master in his own backyard. As a professional pit master, Troy Black has traveled the country competing in — and often willing — professional barbecue contests and teaching the art and techniques of low and slow smoking. With full-color "how to grill" photos, this book shares Troy's secrets that are guaranteed to elevate basic backyard fare to gourmet grill status. Whether you prefer charcoal grilling or gas grilling, this book has it all. In addition to techniques, Troy also shares his top-secret, all time best, tried-and-true recipes that have won him countless awards nationwide. These include his favorite sauces and rubs that give his recipes uniquely scrumptious flavors not to be found in any barbecue joint — anywhere! Special features throughout the book make it an indispensable grilling guide: Take it from Troy is a mini-forum for tips and insightful reflections gleaned from his years as a professional pit master; for busy weeknights when time is of the essence, cooks will appreciate Troy's Take a Shortcut suggestions; for make-ahead ideas, On 'Cue ensures a barbecue meal that's perfectly planned from start to finish.

I'm the station's youngest fire chief, a grown man, and fully in my right mind—which means I'm not going to fall for the One Who Got Away. That's not the kind of person I am. Second chances are like skipping leg day—I don't do that. Ever. But I wasn't counting on Naomi buying me at the firefighter charity auction. Now I'm forced into a month of dates with the one woman who cuts through my defenses like no one else, and I'm starting to think maybe she's right...maybe we are different people than the teenagers who failed at love. Maybe this isn't a

fire I have to put out. Maybe for the first time in my life I can relax and just...let it burn. Or maybe we're both about to learn that fire isn't something you should underestimate—especially the kind that burns between a man and a woman.

Gotta catch this action-packed adventure about Ash, Pikachu, and their friends! This chapter book features classic characters featured on Netflix and in Pokémon Go!

Praise for *Fired-Up Fundraising: Turn Board Passion into Action* "Fired-Up Fundraising is honest, realistic, practical, and inspiring. It transforms the whole concept of fundraising from obligation and drudgery into passion and fun. Every CEO, development director, development consultant, and board chair needs to have and use this book." —Charles F. (Chic) Dambach President and CEO, Alliance for Peacebuilding Former Senior Consultant, BoardSource "A breakthrough! *Fired-Up Fundraising* takes the mystery out of engaging your board in the ongoing work of fundraising. In this well-organized little book, Gail Perry lays out a commonsense, four-step process that will fire up your board and help you meet your fundraising goals, year after year." —Mal Warwick author of *How to Write Successful Fundraising Letters* "*Fired-Up Fundraising: Turn Board Passion into Action* is by far the best book I have ever read on how to involve board members in the entire process of fundraising, from identifying prospects, cultivating them, and finally making 'the ask.' Just as important, it is an invaluable

guide on how to select, enlist, train and especially inspire board members so they take ownership of their institutions. Every nonprofit CEO and development officer should read this book." —Robert L. Gale President Emeritus, Association of Governing Boards of Universities and Colleges and founder of BoardSource (formerly known as the National Center for Nonprofit Boards) "This is the book for which EVERY nonprofit chief executive has been yearning since time immemorial. Every nonprofit needs money to survive and thrive, and every nonprofit has a board of trustees to help raise it, but few nonprofits come anywhere near using their boards to maximum benefit. Fired-Up Fundraising, a reader-friendly, realistic, and practical playbook written by a richly experienced, highly literate fundraiser turned consultant, takes readers by the hand and leads them step-by-step through eminently doable ways of inspiring the greatest possible engagement of-and return from-their trustees. It will instantly become the gold-standard guide for building successful boards." —Joel Fleishman Professor of Law and Public Policy and Director, The Foundation Research Program, Duke University

Rollicking Wild West Adventure and Romance from Bestselling Author Mary Connealy
Dare Riker is a doctor who saves lives, but someone seems determined to end his. It may have something to do with the traitors he dealt with during the Civil War, or it might be related to the recent incident with Flint Greer and the ranch. Whoever the culprit is, he or she seems really fired up, and Dare can't let his guard down for a moment, which is a challenge, since right now he's trying to win the heart of the recently widowed Glynna. Glynna Greer came west as a mail-order bride and ended up in a bad situation. Now her husband, Flint, is dead, and she's determined to care for her son and daughter on her own. She wants to believe Dare Riker is as decent as he seems, but she's terrified to lock herself into another marriage. She plans to support her small family by opening a diner--never mind that cooking is not her greatest talent. The men in *Broken Wheel, Texas*, are so desperate for home cooking that they seem willing to

overlook dried-out beef and blackened biscuits. Glynna can't help but notice that danger follows Dare wherever he goes. There's the avalanche. And then the fire. But things really get out of hand when someone plunges a knife from Glynna's diner into Dare's back. Are Flint's cronies still plotting revenge? Is Glynna's son engaged in a misguided attempt to protect his mother? Is a shadowy outsider still enraged over past injustices? And can Dare survive long enough to convince Glynna to take another chance on love?
