contained, remaining appropriate for both standard and open enrollment situations. Student Book Features Student Book interiors are now in 4-color with more real-life photographs. New vocabulary is introduced twice in each student unit along with practice exercises. It is then recycled throughout the series for maximum exposure. Specific workbook practice, plus one activity master per unit in the Teacher's Edition extends this exposure. Grammar structures are presented then recycled twice throughout the series - first in an informal review and second in a formal review - to enable students to revisit and expand upon their grammar acquisition. The 2nd edition provides for a more logical progression of grammar scope and sequence. Organizing Your Ideas (Books 1 and 2 only) teaches students how to think graphically using organizers like idea maps, Venn Diagrams, and T-charts. Graphic Literacy Activities (Books 3 and 4 only) familiarize students with bar graphs, tables, and charts to help them understand what they read on the job or in the newspapers. Community involvement focus - one page per unit, tied in specifically with the unit topic - helps students become more participatory in their jobs, communities, and families. Notes in the Annotated Teacher's Editions also provide more ideas for student participation.
