This book puts the pulse of the pop years 1980-1989 at your fingertips - week-by-week, chart-by-chart, positio-by-position, with each actual "Hot 100" chart reproduced exactly as it originally appeared in the pages of Billboard magazine. Hardcover.

Compiled from the author s own enormous collection and years of research, this book lists approximately 6,200 films and the music that was a part of them. Each entry gives the movie title, studio, year of release, stars, songs sung during the film (over 15,000 throughout the book), composers and/or lyricists, and a brief description of the album cover. This book is a necessity for sheet music collectors, musicians, historians and the general public who are interested in a greater knowledge of film music."

The Bloomsbury Encyclopedia of Popular Music Volume 1 provides an overview of media, industry, and technology and its relationship to popular music.
