CJ Adams pens a warm and entertaining tale of life with an exceptional dachshund. A friendship that endured paralysis and a cure through acupuncture and holistic medicine. You will enjoy every page of this heartwarming journey through the lives of the very precocious Sasha; the devoted, but not too smart Miniature Pinscher/Chihuahua mix, Squirt; the enduring pack-leader and CJ's husband, Mel; and CJ, the woman who loves them all with every fiber of her being. All animal lovers understand that each pet that comes into our lives is special but that sometimes you are blessed with an extraordinary animal. For CJ that was Sasha. This memoir is about a cycle of life involving family, friends, paralysis, other pets, aging and loss. When faced with the possibility of euthanizing a 4-year-old Sasha, a desperate CJ turns to holistic veterinary medicine and acupuncture to save her Extraordinary Dachshund and learns how to use this "alternative medicine" to complement traditional veterinary medicine. Be prepared to laugh out loud, wonder and learn something new. ENJOY!!

Their clownish behavior, unwavering loyalty, and go get 'em attitude has made this breed exceptionally popular throughout the world. These spunky little dogs come in a variety of sizes, with the largest specimens reaching nearly thirty pounds in size and the smallest topping out at just ten pounds or so. They have three distinct coat types to choose from—smooth, wirehaired, and longhaired. This is a fearless little breed, developed hundreds of years ago in Germany to track and hunt animals that went to ground, like badgers, and pull them out of their dens. While the majority of Dachshund dogs today are pampered pets rather than independent hunters, they still retain both their high prey drive and their tenacity. The traits that made them great hunters can also make them somewhat difficult to train. With this thorough guidebook, you will discover everything you need to raise your Dachshund from an impulsive puppy into a confident and well-mannered adult dog.
