

## Formaggi Francesi Ediz Illustrata

'An optimistic, accessible way to start thinking about change' - Financial Times Who Moved My Cheese? offered millions of readers relief for an evergreen problem: unanticipated and unwelcome change. Now its long-awaited sequel digs deeper, to show how readers can adapt their beliefs and achieve better results in any field. Johnson's theme is that all of our accomplishments are due to our beliefs: whether we're confident or insecure, cynical or positive, open-minded or inflexible. But it's difficult to change your beliefs - and with them, your outcomes. Find out how Hem, Haw, and the other characters from Who Moved My Cheese? deal with this challenge.

L'idea di un libro dedicato a un proverbio può sembrare eccentrica. Ma l'occhio dello storico – un occhio attento a leggere ciò che non è più letto e ciò che è nascosto – ci dimostra quanto possa essere istruttivo e avvincente avventurarsi in una impresa come questa. Carlo Petrini, Slow Food Mettere insieme il formaggio e le pere significa riscattare cacio e stracchino dalla loro umiltà contadina e trasfigurarli in cibo degno di una tavola nobile. Perché il gioco sia completo bisogna che i contadini non lo sappiano. Ecco la nascita del proverbio che si finge saggezza popolare ma una volta smascherato rivela la sua natura ferocemente classista. Alessandro Barbero, "Il Sole 24 Ore"

I'm off to Egypt! I climbed onboard a crabby old camel that would take me across the desert to the Great Cheese Pyramid. There, among mummies and hieroglyphics, I would learn the secret of the Seven Wonders of the Ancient Mouse World....

Geronimo travels to Ratzikistan to help his grandfather write a guide book about this remote area.

This is the story of pasta. Guardian columnist and award-winning food writer Rachel Roddy condenses everything she has learned about Italy's favourite food in a practical, easy-to-use and mouth-watering collection of 100 essential pasta and pasta sauce recipes. Along with the recipes are short essays that weave together the history, culture and the everyday life of pasta shapes from the tip to the toe of Italy. There is pasta made with water, and pasta with egg; shapes made by hand and those rolled a by machine; the long and the short; the rolled and the stretched; the twisted and the stuffed; the fresh and the dried. The A-Z of Pasta tells you how to match pasta shapes with sauces, and how to serve them. The recipes range from the familiar - pesto, ragù and carbonara - to the unfamiliar (but thrilling). This is the definitive guide to pasta from one of the best food writers of our time. \_\_\_\_\_ 'I love this book. Every story is a little gem - a beautiful hymn to each curl, twist and ribbon of pasta.' Nigel Slater 'Rachel Roddy describing how to boil potatoes would inspire me. There are very, very few who possess such a supremely uncluttered culinary voice as hers, just now' Simon Hopkinson 'Rachel Roddy's writing is as absorbing as any novel' Russell Norman, author of Polpo 'Roddy is a gifted storyteller, and a masterful hand with simple ingredients' Guardian Cook
