Mother Jones is an award-winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues.

From the villainous beast of "Little Red Riding Hood" and "The Three Little Pigs," to the nurturing wolves of Romulus and Remus and Rudyard Kipling's *The Jungle Book*, the wolf has long been a part of the landscape of children's literature. Meanwhile, since the 1960s and the popularization of scientific research on these animals, children's books have begun to feature more nuanced views. In *Picturing the Wolf in Children's Literature*, Mitts-Smith analyzes visual images of the wolf in children's books published in Western Europe and North America from 1500 to the present. In particular, she considers how wolves are depicted in and across particular works, the values and attitudes that inform these depictions, and how the concept of the wolf has changed over time. What she discovers is that illustrations and photos in works for children impart social, cultural, and scientific information not only about wolves, but also about humans and human behavior. First encountered in childhood, picture books act as a training ground where the

young learn both how to decode the “symbolic” wolf across various contexts and how to make sense of “real” wolves. Mitts-Smith studies sources including myths, legends, fables, folk and fairy tales, fractured tales, fictional stories, and nonfiction, highlighting those instances in which images play a major role, including illustrated anthologies, chapbooks, picture books, and informational books. This book will be of interest to children’s literature scholars, as well as those interested in the figure of the wolf and how it has been informed over time.

Poor old Fox has lost his socks -- can you help him find them? Are they in the kitchen or under the stairs? Are they inside the clock or hidden in a chest? Lift the flaps and find out! With sturdy flaps on every spread and rhyming stories that are a joy to read aloud, the TALES FROM ACORN WOOD have been delighting both parents and toddlers for twenty years.

American folklife is steeped in world cultures, or invented as new culture, always evolving, yet often practiced as it was created many years or even centuries ago. This fascinating encyclopedia explores the rich and varied cultural traditions of

## Download Free Foxs Socks Tales From Acorn Wood

folklife in America - from barn raisings to the Internet, tattoos, and Zydeco - through expressions that include ritual, custom, crafts, architecture, food, clothing, and art. Featuring more than 350 A-Z entries, "Encyclopedia of American Folklife" is wide-ranging and inclusive. Entries cover major cities and urban centers; new and established immigrant groups as well as native Americans; American territories, such as Guam and Samoa; major issues, such as education and intellectual property; and expressions of material culture, such as homes, dress, food, and crafts. This encyclopedia covers notable folklife areas as well as general regional categories. It addresses religious groups (reflecting diversity within groups such as the Amish and the Jews), age groups (both old age and youth gangs), and contemporary folk groups (skateboarders and psychobillies) - placing all of them in the vivid tapestry of folklife in America. In addition, this resource offers useful insights on folklife concepts through entries such as "community and group" and "tradition and culture." The set also features complete indexes in each volume, as well as a bibliography for further research.

Anniversary edition of the story about a fox searching his house for his missing socks, with flaps to lift.
