

Freddy The Frogcaster And The Terrible Tornado

Get ready for a whirlwind of adventure with Freddy the Frogcaster when a famous storm chaser visits Lilypad! In her fourth book, well-known meteorologist Janice Dean tackles some scary weather. Freddy the Frogcaster is faced with one of the most ferocious and devastating kinds of weather: the tornado. Young readers will learn all about how big storms occur and produce some of nature's most destructive weather. Chock-full of storm science lessons in the back, children and adults alike will learn valuable life-saving information. As Freddy reminds us, please be prepared and know what to do and where to go when the next bad storm comes your way!

Freddy the Frogcaster and his friends are hoping for rain. Their town of Lilypad is dry, and plants and trees are brown because of a terrible drought. Freddy gets excited as he sees a storm coming that could bring water to thirsty trees and grass. He leaps into action to warn everyone to "be prepared!" Suddenly there's a change in the forecast that could affect everyone's plans—and make Freddy wonder if he's meant to be a frogcaster. Sometimes valuable life lessons can be learned from making mistakes. Once again, award-winning meteorologist Janice Dean introduces young readers to different weather conditions and gives valuable information to help them understand and avoid dangerous weather situations. The fifth title in this series, *Freddy the Frogcaster and the Flash Flood*, explains droughts, storms, floods, and flash floods, and encourages kids of all ages to be weather ready, just like our friend Freddy!

When Chester the raccoon is reluctant to go to kindergarten for the first time, his mother teaches him a secret way to carry her love with him.

This is the story of the adventure of a little boy named Sheldon and his dog, Jet. When Sheldon's best friend moves away, Sheldon spies the word "Jupiter" painted on the side of the moving truck. Sheldon feels sad at first, but realizes that this is a sign—what he needs is a rocket ship! So Sheldon and Jet do some sketching and some scrounging, and, with a wagon full of equipment and supplies, the two future astronauts head to the backyard. With a glop and a wham, piece by piece the ship begins to take form, and soon it's Commander Sheldon A. Flyer and Space Cadet Jet ready for takeoff! The duo jets around satellites, zooms by planets, speeds through space storms, and zips past other flying saucers . . . until plop, they've arrived, somewhere with a green, alien life-form and a furry black blob. This book encourages children to channel loneliness and boredom with creativity and imagination, and ultimately it is a story of new friendship. Featuring vibrant illustrations by debut author and illustrator

Russ Cox, this action-packed story is sure to appeal to young readers in search of something that is out of this world! Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Fox & Friends meteorologist Janice Dean explains how she purposefully finds the silver lining in every cloud, no matter what challenge she faces. Janice is well-known for the infectious joy she brings to segments on Fox & Friends, no matter the weather. Yet many of her fans know there's more to her story than blizzards that are brewing or National Pancake Day celebrations. In this honest yet optimistic book, Janice reveals obstacles she's faced that could have severely impacted any professional woman's career, from online trolls to health issues to abusive and sexist bosses. In *Mostly Sunny*, she talks about it all, including the fateful path meeting her firefighting husband after he lost his colleagues on 9/11; the day she had to talk to her two small children about her multiple sclerosis; and how the pressure on women in television led her to a cosmetic procedure that could have ended her career. But no matter what storms life throws at her, Janice refuses to let setbacks and challenges rain on her parade or cloud her outlook. Thanks to supportive coworkers and an upbeat attitude, she's mastered turning countless would-be losses into victories. Now, she shares her stories, alternately funny, heartwarming, and touching, in the hopes that they will help others make it through their rainiest days.

This book will help young readers become familiar with the dangers of blizzards and how to best prepare for them. After reading about this occurrence, adults and children can discuss ways in which families can stay safe during this ferocious natural disaster. Este libro ayudará a los jóvenes lectores a familiarizarse con los peligros de las tormentas de nieve y cómo prepararse. Después de leer acerca de esto, adultos y niños pueden hablar sobre las formas en que las familias pueden mantenerse seguras durante este fuerte desastre natural.
