"Bibliography found online at [tonyrobbins.com/masterthegame](http://tonyrobbins.com/masterthegame)"--Page [643].  
Build your strongest-ever portfolio from anywhere in the world. *Millionaire Expat* is a handbook for smart investing, saving for retirement, and building wealth while overseas. As a follow-up to *The Global Expatriate's Guide to Investing*, this book provides savvy investment advice for everyone—no matter where you're from—to help you achieve your financial goals. Whether you're looking for safety, strong growth, or a mix of both, index funds are the answer. Low-risk and reliable, these are the investments you won't hear about from most advisors. Most advisors would rather earn whopping commissions than follow sound financial principles, but Warren Buffett and Nobel Prize winners agree that index funds are the best way to achieve market success—so who are you ready to trust with your financial future? If you want a better advisor, this book will show you how to find one; if you'd rather go it alone, this book gives you index fund strategies to help you invest in the best products for you. Learn how to invest for both safety and strong returns. Discover just how much

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly

retirement will actually cost, and how much you should be saving every month Find out where to find a trustworthy advisor—or go it alone Take advantage of your offshore status to invest successfully and profitably Author Andrew Hallam was a high school teacher who built a million-dollar portfolio—on a teacher's salary. He knows how everyday people can achieve success in the market. In *Millionaire Expat*, he tailors his best advice to the unique needs of those living overseas to give you the targeted, real-world guidance you need.

More than ever before, people in their twenties and thirties need help getting their financial lives in order. And who could blame them? These so-called millennials have come of age in the wake of the worst economic crisis in memory, and are now trying to get by in its aftermath. They owe record levels of student loan debt, face sky-high rents, and struggle to live on a budget in an uncertain economy. This boo will show you: How to take immediate control of your financial life, making small changes to go from zero to \$1 million net worth How to increase your income by 50% or more, with precise steps and scripts to land raises, promotions, and better jobs How to prioritize your spending to make you happier and wealthier How to passively invest in the stock market and make more money while you sleep than you do in your job How to achieve financial independence, retire early, and live the rest of your

life without worrying about money

With proper planning, we can all retire at a younger age than we ever dreamed. Hayes explains the practical, concrete steps you can take to start your retirement when you're young enough to thoroughly enjoy it. He covers the development of a personalized retirement plan, as well as ways to maximize income and assess and reduce debt. By selecting the right investment vehicles and sticking to the plan, you can achieve financial independence and enjoy an active, happy retirement.

We tend to assume that if we work hard and save money then one day we will end up wealthy. This is wishful thinking. We are more likely to end up with some modest but useful savings. If you want to accumulate serious wealth then there a number of approaches you can use and some are much more effective than others. In this book, you can find many things interesting for life. You aren't scrambling to pay the bills. Your means exceed your lifestyle and you enjoy the peace of mind financial surplus brings. You aren't rejected for loans. You're able to grow your assets on your terms and timeline. In this life, you are independent. You own the ground beneath your feet. Now, realize that it's not a fairy-tale-it's possible. I know because I'm living it right now. Over the last seven years, I have risen from a broken man with a failing marriage and empty pockets to the life I just described. How? I have found the system for

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly

achieving: - financial independence, - time freedom, - improved relationships, - peace of mind, - and abundant wealth in every area of life. The best part is, the secrets of this system will work for anyone. Yes, that means YOU! Buy this book now.

Adopt the investment strategy that turned a school teacher into a millionaire Millionaire Teacher shows you how to achieve financial independence through smart investing — without being a financial wizard. Author Andrew Hallam was a high school English teacher. He became a debt-free millionaire by following a few simple rules. In this book, he teaches you the financial fundamentals you need to follow in his tracks. You can spend just an hour per year on your investments, never think about the stock market's direction — and still beat most professional investors. It's not about get-rich-quick schemes or trendy investment products peddled by an ever-widening, self-serving industry; it's about your money and your future. This new second edition features updated discussion on passive investing, studies on dollar cost averaging versus lump sum investing, and a detailed segment on RoboAdvisors for Americans, Canadians, Australians, Singaporeans and British investors. Financial literacy is rarely taught in schools. Were you shortchanged by your education system? This book is your solution, teaching you the ABCs of finance to help you build wealth. Gain the financial literacy to make smart

investment decisions Learn why you should invest in index funds Find out how to find the right kind of financial advisor Avoid scams and flash-in-the-pan trends Millionaire Teacher shows how to build a strong financial future today.

Money isn't just about money. It's about security. It's about choices - to live our lives the way we want. It's about everything money enables you to do and just as importantly what it allows you not to do. Money is complex. Women know that they need to be smart about money, but are often stopped short- they don't know where to go, how to start, or who to trust. They feel that most material on money is skin-deep - it's either about budgeting or investing in the share market. They want expert guidance about money that explains the detail and the big picture, which is the genesis of the Joy of Money. The Joy of Money starts with the personal foundations of money - what matters most to us, our values, goals and priorities. It then covers the practical elements at the intersection of money and life- creating a system for managing money, career, family, relationships, investment, superannuation, insurance, wills and estate planning and retirement planning. This comprehensive money guide is designed to bring money to life - to put the joy back into money. You can read it cover to cover or dip in and out of the more pertinent chapters. We can't guarantee you instant financial freedom - we can give you financial knowledge and step-by-step

guides to set you well on your way.

"I have known Michael for over twenty years. He has one of the smartest business minds I know. When he gives me advice, I pay attention, and you should, too. Automatic Wealth is full of wisdom and insight filtered by a master and brought to you in a well-written and delightful style." -John Mauldin, Editor of the bestselling book, Just One Thing: Twelve of the World's Best Investors Reveal the One Strategy You Can't Overlook "I am not usually a fan of this kind of book. One entitled Automatic Wealth made me suspicious. But I am a fan of Michael Masterson, and when I read the book, I was impressed. Masterson manages to go beyond the theory to tell you exactly how real people make real money in the real world. That, I think, is his genius. He's able to open his own eyes and see for himself what actually works. The result is original, clever, and very helpful to anyone who is serious about building wealth." -Bill Bonner, coauthor of Empire of Debt: The Rise of an Epic Financial Crisis "Michael Masterson has been a great friend of mine for over twenty years. I know for a fact that the strategy he teaches is the exact same strategy he has personally used to amass extraordinary wealth and prosperity for himself. He's reduced a normally daunting process down to six simple and unfailing steps YOU can absolutely use to vastly and rapidly increase your financial situation, often times doubling and redoubling your wealth

every few years. This book will become your financial bible." -Jay Abraham, author of *Getting Everything You Can Out of All You've Got: 21 Ways You Can Out-Think, Out-Perform, and Out-Earn the Competition* "Michael Masterson's book is brilliant and concise, packed with breakthrough insights and unique wealth-building tips. Best of all, it's practical because it combines proven investment and financial planning advice with street-smart business and real estate secrets." -Robert Ringer, author of *Action!, Looking Out for #1, and To Be or Not to Be Intimidated?*

"A startling new philosophy and practical guide to getting the most out of your money-and out of life-for those who value memorable experiences as much as their earnings"--

The Money Plan is for you. If you've ever wondered why some people make money easily, enjoy great holidays, have nice things and retire rich, while others always seem to struggle, it's not because they are more intelligent or just lucky. It's simply because they have better beliefs about money and a system that works.

'Time poor' is the catch-cry of our era, and yet end-of-life retirement means we have an average of two decades of feeling time rich to look forward to . . . when we're old. How arse-about is that? But there is an alternative to working your butt off for decades and retiring when you're worn out: it's called

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly

financial independence, and it means being able to cover life's essentials and afford the luxuries you want without having to turn up to a job each day. Imagine: the freedom and flexibility to work if, when and where you like, go travelling, spend time with family or start that business you've been dreaming of. And with enough time and a way to earn, it's achievable for most people through the power of passive income. Lacey Filipich knows because she's done it herself – and has been teaching the strategies and steps for financial independence for a decade through her education company, Money School. Now, she'll teach you all her tried-and-true lessons for redesigning your personal finances to create the life you really want. From maximising your income and cutting costs without big sacrifice, to property, shares and retirement funds, Money School explains exactly how to build a passive income that will completely change your life. Take control of how you spend your time and money to make them work for you – and get on the fast track to being financially independent and time rich. Achieve early retirement through financial independence with the F.I.R.E. plan Living your best life someday starts with saving smarter for retirement. Start Your F.I.R.E.: A Modern Guide to Early Retirement can help by giving you the most direct approach to success and security. It's a perfect addition to what you're probably already

market, starting the next Snapchat in her garage, or investing in hot real estate. Learn how to cut down on spending without decreasing your quality of life, build a million-dollar portfolio, fortify your investments to survive bear markets and black-swan events, and use the 4 percent rule and the Yield Shield - so you can quit the rat race forever. Not everyone can become an entrepreneur or a real estate baron; the rest of us need Shen's mathematically proven approach to retire decades before sixty-five.

## From Zero to Financial Independence in Less Than 10 Years Tools and Techniques to Escape the Rat Race Quickly

Want to be financially secure way before normal retirement age? This book is a Must Read! Out of the Rat Race is the book which gives you the foundations to get financially independent on auto-pilot. Through entertaining stories, Eric leads us to rediscover what money really is, helps us build a bulletproof attitude to overcome adversity, shares a new light on personal finances, and then... we jump! A new world opens up, made of human capital, a view on employment like never seen before, a step by step guide for operating profitably a side property business, and a refreshing take on debt. In this book, debt surprisingly becomes a tool to improve oneself, not a hindrance. Eric also takes us way beyond mere concepts by sharing with us over 20 years of learning, tricks and investments. A first very badly executed deal soon transforms into a succession of

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly

better and better investments, all made thanks to sophisticated simulators, and zero down payment. A lot of Rich Dad Poor Dad's Robert Kiyosaki's timeless ideas are floating in the background of these investments, but the originality is how the investment process was systematically built and improved via sophisticated simulators, to the point where the risk is totally controlled. Finally, Eric shares his most important findings during his quest to financial freedom, and helps you ask the right questions for being financially free and becoming a better person. This book tells you all you need to know on your arduous journey to financial freedom in order to pause, reflect, analyse, take action, succeed, deal with failure, learn, and improve beyond all expectations, to finally get financially free, out of the Rat Race, and become the best person you could ever be. This is not "just another" FIRE (Financial Independence Retire early) template book, as you will find very little recipes for saving and being thrifty in there. And it does not promote a lifestyle first approach, such as advocated by Tim Ferris's 4 hour workweek for example. On the contrary, you will find stories and advices relating to money management, personal finance, and personal success, that you can read again in 10 years, and they will not loose any of their value. Out of the Rat Race is the book which gives you the foundations to get financially independent on auto-pilot, and to allow you getting out of the Rat Race, from the financial freedom door first.

Many people are struggling to pay their bills. And I wish this isn't true, but the statistics say it all. According to CNBC, 34% of Americans, which is over 100 million people, have zero savings, and exactly 63% of Americans, which is nearly a two-third of Americans, live from paycheck to paycheck every year, including those that earn six-figure income monthly. More so, research by Charles Schwab reveals that only 28% of American households have a financial plan to help them get through their finances, while Forbes research states that 69% of households have below \$1,000 as their emergency funds which reveal the poor state of personal finance in the United States. These statistics reveal that struggling to pay bills isn't about being unemployed or

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly

underpaid; rather, it is about the high cost of living and expenses skyrocketing in the different parts of the world that cause people to be financially dependent but their inability to apply for healthy financial practices that would enable them to get past overwhelming bills and attain financial freedom. However, in the midst of it all, there are people who are living the world, financially free and secured. People who don't experience panic when the month is about to end, people who don't say, "how are we going to pay for that?" when they see the bill for an unexpected emergency because they are always prepared. There are people who will never run into debts or depend on the Government when a pandemic hits, and they miss their monthly paycheck because they don't live from paycheck to paycheck. So, what sets these people apart from those that are struggling financially? The answer is simple; these people aren't financially independent because they earn more or because they do not have expenses to foot; rather, it's because they have all the tips on how to manage their money effectively. And in this book, I'm going to be teaching you just that: all the secrets, tips, and strategies you need to manage your income effectively and become financially free. At the end of this book, you will be equipped with all the knowledge you need to attain financial freedom so when recession hits and you miss your monthly paycheck; you won't panic or put your survival in the hands of the Government, rather you will be at peace, knowing you have enough in store to foot your bills for the future. Tending to emergency situations from major issues like health and natural disasters down

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly

to seemingly trivial issues like paying for an emergency car repair won't be a heartache because you know you can foot all your bills conveniently. More so, you won't have to worry about retirement or quitting your job early to pursue your dreams because you know you've got your finances on the right track. However, I must inform you; this book isn't a get-rich-quick scheme because attaining financial freedom isn't an overnight event; rather, it's a process that requires implementing all the effective strategies and tips contained in this book. Ready to begin your journey into financial independence? Let's get started!

"How to retire in your 20s and 30s (without winning the lottery). This book provides a robust strategy that makes it possible to stop working for money in less than a decade."--P. [4] of cover.

A fully revised edition of one of the most influential books ever written on personal finance with more than a million copies sold "The best book on money. Period." –Grant Sabatier, founder of "Millennial Money," on CNBC Make It "This is a wonderful book. It can really change your life." -Oprah For more than twenty-five years, *Your Money or Your Life* has been considered the go-to book for taking back your life by changing your relationship with money. Hundreds of thousands of people have followed this nine-step program, learning to live more deliberately and meaningfully with Vicki Robin's guidance. This fully revised and updated edition with a foreword by "the Frugal Guru" (New Yorker) Mr. Money Mustache is the ultimate makeover of this bestselling classic, ensuring that its time-tested wisdom applies to

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly

people of all ages and covers modern topics like investing in index funds, managing revenue streams like side hustles and freelancing, tracking your finances online, and having difficult conversations about money. Whether you're just beginning your financial life or heading towards retirement, this book will show you how to:

- Get out of debt and develop savings
- Save money through mindfulness and good habits, rather than strict budgeting
- Declutter your life and live well for less
- Invest your savings and begin creating wealth
- Save the planet while saving money
- ...and so much more!

"The seminal guide to the new morality of personal money management." -Los Angeles Times

Now available for Pre-Order! A common resolution set at the beginning of a new year is to "get my financial house in order." But how can you build a house, let alone pour any kind of foundation, without a blueprint? There are dozens of books and gurus trying to push their advice and tell you how to spend and invest your money. And then, there are three suburban dads just trying to make the world a little bit better. Meet Brad Barrett and Jonathan Mendonsa of the award-winning ChooseFI podcast and Chris Mamula of the popular blog "Can I Retire Yet?". They have walked the talk and now want to share their knowledge with you. Together, these three regular guys will show you how they did something extraordinary. They are all financially independent and doing meaningful work that fulfills them. All three left their corporate 9 to 5 jobs and are reaping the benefits of extra time with their families. Mirroring the format of the popular ChooseFI podcast, this book pulls from the

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly

collective knowledge of those who have decided to build a lifestyle around their passions instead of allowing their finances to dictate their future. These stories demonstrate universal principles, giving you the opportunity to pick the elements that are the most applicable to your financial situation and "choose your own adventure." The book covers a wide range of topics that will help you build a strong financial foundation:

- Developing a growth mindset
- Defining your values and aligning them with your spending
- Cutting years from your estimated retirement date
- Questioning the status quo on "required expenses"
- Cutting travel expenses and putting family vacations within your reach
- Learning how to earn more and live with abundance
- Updating the commonly accepted wisdom on college education and the debt associated with it
- Cutting through the noise on investing to discover strategies that work
- Showing how to implement investment strategies that enable the lifestyle you desire while controlling downside risk

FI or Financial Independence is the new debt-free and getting back to 0 is just the beginning of a wonderful journey. Whether you have mountains of debt now or are recently debt free and wondering what to do next, *Choose FI: Your Blueprint to Financial Independence* will give you the information to guide your next move.

Debt, for many it's a constant source of anxiety and stress, for others it has simply become so prevalent in their lives that they cannot even imagine their life without it. This Book will not only help you to get out of debt but it will teach you how to achieve your financial objectives without it. Reading this book will give you new hope, and

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly

hopefully get you out of the constraints of debt and living freely again.

A large percentage of us will only ever achieve financial independence when we reach state pension (or social security) age and retire. Unfortunately, the age at which that occurs is now being gradually increased as life expectancies improve and public finances worsen. Some of us will be more fortunate than that. We'll use our employer's pension and maybe the tax benefit of ISA's to retire a few years early. Unfortunately, the benefits of employer pensions are also being gradually eroded as defined benefit pensions go the way of the dodo and defined contribution schemes become the standard. To make matters worse globalisation and other factors are preventing earnings from increasing at any meaningful level. Combined this means our financial independence dates must get closer and closer to state pension (or social security) age which is getting later and later in our lifetimes. Depressingly some of us will also never make financial independence as we'll die while still working and others will make it because ill health will force us onto a life of benefits. Back in 2007 I decided that none of those routes were very attractive and went a different way. A way that I have seen very few travel. I built and executed on a plan that changed the way I thought about work, how I lived and how I invested which enabled me to build a seven figure pound sum in

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly

less than 9 years enabling me to be early financially independent in my early 40's. This book shares the tools and techniques behind that plan and then goes on to share how I physically applied them. It covers both psychological and quantitative elements. It covers saving, investing and how to recognise when you have enough wealth amassed to mutter those liberating words 'I'm now financially independent'. Why struggle and live paycheck to paycheck when you can open up the door that will change your life? Buy It, Sell It, Make Money is about buying and spending wisely to recession proof your life. It is not about clipping coupons to save twenty cents on a bottle of ketchup. It's about increasing your buying power and living richly without risky investments, real estate schemes or a million dollar paycheck. Buy It, Sell It, Make Money reveals secrets the family has used over the last forty years to acquire luxury goods by reselling items to earn a profit employing their unique Flipster System. This field guide teaches you how to:

- Spend wisely to increase your buying power
- Resell goods for profit to have the financial freedom
- Pay pennies on the dollar for both new and secondhand, name-brand goods
- Negotiate prices
- Buy high-end goods in secret places
- Live life richly without a huge paycheck

Anyone can achieve financial independence with zero start up cost. Become a Flipster with Buy It, Sell It, Make Money, and carefully build your own personal wealth as you

live a more rewarding and fulfilling life—starting today!

A practical action guide for financial independence and early retirement from the popular Our Next Life blogger. In today's work culture, we're expected to hustle around the clock. But what if you could escape the traditional path and get on one that doesn't require working full-time until age 65? What if you could wake up every day without an alarm clock and do the things you love most? Tanja Hester and her husband Mark left their crazed careerist lifestyle to live their dream life in Lake Tahoe, retiring early from high-stress careers. Now Tanja will help you map out a customized plan for freedom and make it easy to succeed, whether you're good at math and budgeting -- or not! Work Optional is more than just a financial plan: it's a plan for your whole life -- designed by you, not by an employer or clients. Tanja walks you through envisioning your dream life, accounting for variables such as health care and children, protecting yourself from recessions and future unknowns, and achieving a purpose-filled early retirement, semi-retirement, or career intermission with completely doable, non-penny-pinching steps. You can live a happier, more meaningful life, free from the daily grind. Regardless of where you are in your career, Work Optional will get you there.

Are you happy? Is there more to life than this? What if there is another way?

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly

Whether you earn \$50,000 or \$200,000 you cannot achieve financial independence without spending less than you earn. You must spend below your means to have money left to save and invest for the future. This is a concern for individuals at all income levels because there is a tendency to spend up to your level of income. As income increases you may become more confident to take on more debt, increase your expenses and make more extravagant lifestyle choices. With a higher income you may have a bigger house and a fancy car, but you may be no closer to achieving financial independence. From the founder of Dividend Mantra, this is a definitive guide on why you should aim to achieve financial independence early in life and how to actually get there. It includes information on my background, the strategies I've used to grow my wealth from below zero to well into the six figures, and practical, nuts-and-bolts advice. I've written over 650 articles, and this book includes some of my most useful, inspirational, and evergreen content I've ever put out there. If you're looking for information on how to execute a real-life journey to financial independence in real-time, this is the book for you. I describe why you should aim for financial independence and I explore the idea of true sacrifice. I also discuss the 4% safe withdrawal rate, index funds, the power of dividends and dividend growth, living below your means, and how to analyze

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly and value stocks.

The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover." —Lifehacker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: \* Create profitable side hustles that you can turn into passive income streams or full-time businesses \* Save money without giving up what makes you happy \* Negotiate more out of your employer than you thought possible

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly

\* Travel the world for less \* Live for free--or better yet, make money on your living situation \* Create a simple, money-making portfolio that only needs minor adjustments \* Think creatively--there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible. From America's most trusted financial advisor comes a comprehensive guide to a new and utterly sane financial choice. In *Die Broke*, you'll learn that life is a game where the loser gives his money to Uncle Sam at the end. There are four steps to the process: Quit Today No, don't tell your boss to shove it...at least not out loud. But in your head accept that from this day on you're a free agent whose number one workplace priority is your personal bottom line. Pay Cash You should be as conscious of spending as you are of saving. Credit should be a rarely used tool for those few times (buying homes and cars) when paying cash is impossible. Don't Retire Your work life

# Read PDF From Zero To Financial Independence In Less Than 10 Years Tools And Techniques To Escape The Rat Race Quickly

should be a journey up and down hills, rather than a climb up a sheer cliff that ends with a jump into the abyss. Die Broke It sounds terrifying, the one intolerable outcome to your financial life. And yet, in truth, dying broke might be your best option for a life without fear: fear of failure and privation now, fear of impoverishment in the long run.

In *Seven Years to Seven Figures*, self-made millionaire and renowned wealth coach Michael Masterson reveals the steps you can take to accumulate seven-figure wealth within seven years—or less. *Seven Years to Seven Figures* will give you the tools to increase your income, get the highest possible returns on investments, save wisely—and secure your financial future faster than you may have ever dreamed.

Five years ago, aged 43, my wife Julie and I retired from our corporate jobs. We'd re-engineered our lives to enable us to travel, endlessly if we wanted to, without needing to ever work again. This book explains how we, and others like us, have managed this unusual feat. For two decades of work I thought the only way to regain my freedom from the 9 to 5 was to become an entrepreneur. I was wrong. I wracked my brains trying to think up a viral smartphone app or perhaps a new import business which would magically create all the income I needed, freeing me from the commute, office politics and the invisible elastic which stopped me escaping for more than two weeks at a time. I failed. It was only when we decided to quit and travel anyway, living on our savings for two years, that the answer was finally revealed to me. I wasn't cut out as an entrepreneur, but that's OK, it turned out there's another way, a far more reliable way, the way of the non-trepeneur! We changed the way we saw ourselves in society. We simplified our lives, reducing what we owned and deliberately living in

smaller spaces. We dedicated time and energy to learn about investing. We read books and blogs to help us better understand ourselves, what fears we had and what motivated us. We swam against the tide of opinion. The end result for us was self-determination. The ability to do what we want, when we want, for as long as we want. We can travel. We can read or write. We can help others around us. We can run up mountains or lie on the beach. Our lives are our own. Our hope for this book is simple: that it helps you to achieve a similar goal. Thanks, and the best of luck, Jason and Julie

A successful life starts by practicing successful habits, creating wealth, and finally retiring early and enjoying the passives' incomes. Are these your dreams and targets but don't know where to start? The 4 in 1 bundle gives you a chance to explore the changes that ensure you gain financial freedom and retire at a young age. To live a life of investment and success, relax and continue reading the guide. Most people never understand how successful people manage to double their savings day in day out. It all depends on simple strategies. Not winning lotteries and not even working in big companies. The book maps every route and habits to observe, to boost your savings and wealth. Successful practices have changed the lives of men from zero, to saving millions of cash in the banks. Follow the simple steps from the 4 in 1 guide and achieve your financial freedom status. However, to achieve the finical freedom, one needs to set goals, have plans, and focus. On the other side, retiring early to many people might appear an impossible task, but with the investment strategies provided within the guide, it just basic achievement. The reader will benefit from strategies to set passive income ways, double their saving, achieve financial freedom, and finally retire at a young age and live to enjoy their handwork. The following are some of the strategies you will discover: The millionaire strategies The secrets to

among others available out there adding to your other streams of income. This book offers the reader background information on the market and how to get the hang of it. - Do you want to know how the stock market works? Pag. 15 - Do you want to know how to approach the stock market in the short and in the long term? Pag 28 - Do you want to discover the technical and the fundamental approach? Pag 57 - Do you want to know how to create your passive income by using the statistical advantage starting from zero? Pag. 72 - And much more.. What is a book about making a passive income without a detailed strategy of money management? A can with a hole at the bottom is the answer. Money management strategies are also discussed in this book as the author takes into consideration the need to manage profits gained from the stock market so as not to go back to level zero after all the training. This book is enriched with both theoretical and practical examples to guide readers and build a mental picture of the market and make it work for them. In summary, the book hands you the tools to take charge of your financial future, diversify your portfolio, and gain the financial independence we all deserve. The major discussion of this book centers on but not limited to: 1. The stock markets 2. Growth 3. Diversification of portfolio 4. Fundamental and technical analysis of stock 5. Making money and not losses in the stock market 6. Money management etc. Would you like to know more? Buy the audiobook now to learn how to communicate. Scroll up and select the "buy now" button. What if a happier life was only a few simple choices away? A successful entrepreneur living in Southern California, Scott Rieckens had built a "dream life": a happy marriage, a two-year-old daughter, a membership to a boat club, and a BMW in the driveway. But underneath the surface, Scott was creatively stifled, depressed, and overworked trying to help pay for his family's beach-town lifestyle. Then one day, Scott
