Instructors Resource Manual to accompany Fundamentals of Abnormal Psychology please see main text ISBN 0716786257 for further details.

MARKET 1: Second/third year modules on Abnormal Psychology within an undergraduate Psychology degree. Particularly useful for lower-level institutions, or those with students who do not have English as a first language.

An award-winning teacher, accomplished researcher, and experienced therapist, Ron Comer knows how to communicate the complexities of the abnormal psychology, to speak to the concerns of students, and to portray the real human impact of psychological disorders. For the 10th edition of this market leading textbook, Ron is joined by Jonathan Comer who brings his special expertise in developmental psychopathology research, brain circuitry, cognitive-behavioral research, and technology-driven treatment. With its signature integrated coverage of theory, diagnosis, and treatment, and remarkably inclusive cross-cultural perspective, this new edition of Comer's widely adopted textbook shows students where the study and treatment of psychological disorders stand today. In addition to a thorough updating, the new

edition employs some extraordinary interactive tools to bring students face to face with the realities of psychological dysfunction, organized for easy access and assignability in LaunchPad, Worth Publishers' breakthrough online course space. This version includes textbook and LaunchPad Access. Now in its 8th edition, Fundamentals of Abnormal Psychology provides an inclusive cross-cultural perspective on the scientific foundations, the clinical realities, and the human cost of psychological dysfunction. Comer draws on his experience as an educator, researcher and practicing therapist to explore the basic concepts of psychopathology in a way that is both accessible and empathetic. The 8th edition offers updated coverage throughout and a number of features designed by Comer to bring fresh and effective teaching approaches to the text and accompanying media – including a new online feature, Clinical Choices, which puts students in the role of clinical psychologist. The pack comes with LaunchPad, containing resources for you and your student. It combines an interactive e-book with high-quality multimedia content and ready-made assessment options, including LearningCurve adaptive quizzing. Curated pre-built units are easy to assign or adapt with your own material, such as video, animations, simulations, readings, quizzes, discussion groups and more.
