_____ 'My favourite geeks. Hilarious. Sideways. Brilliant.' Tim Minchin In a year dominated by Russian collusion and Brexit confusion, The Book of the Year returns with another dose of barely believable yet wholly unimpeachable facts and stories from the past twelve months. Every week for the past four years, Dan, James, Anna and Andy - the creators of the award-winning, chart-topping comedy podcast No Such Thing As A Fish - have wowed each other and millions of their listeners with the most astonishing trivia they have learned over the previous seven days. Now, once again, they have put down the microphones, picked up their pencils, and transformed a year's worth of weird and wonderful happenings into one uplifting book that you won't be able to put down. Discover how Peruvian mummies affected the World Cup, and why Love Island contestants are experts in game theory - as well as hundreds of stories that may have passed you by entirely, including the news that: - NASA sent a man with a fear of heights to the International Space Station. - An ice hotel in Canada caught fire. - Mark Zuckerberg's private data was compromised while he was talking to Congress about compromised data. From Kim Jong Un's personal potty to Jeremy Corbyn's valuable vegetables, The Book of the Year 2018 is an eye-opening tour of yet another

Final advice from the great Peter Drucker for driving growth and profitability in the 21st Century—with a new foreword from the author "We need a new theory of management. The assumptions built into business today are not accurate." - Peter Drucker Based on multiple interviews and working sessions with Peter Drucker during the last year of his life, *The Definitive Drucker* reveals the management luminary's most important concepts and applies them real-life business risks and opportunities. The book sheds light on the most pressing management issues, such as the role of the CEO, why so many leaders fail, and the fragility and interdependencies of our economic and social systems, and it imparts Drucker's views on current business practices, technological, economic, and social changes, and trends—many of which Drucker predicted decades ago. A celebration of this extraordinary man's life and work, *The Definitive Drucker* offers a unique opportunity to use Drucker's final business lessons to strategize, create, and succeed in any market.

How to Be Witty, How to be Funny, Make People Laugh, How to be Clever Bonnie Tesh, a cancer survivor, and Ronda Del Boccio, legally blind, are a couple of award-winning authors who discovered they have something unique, something that helps them keep a positive attitude no matter what happens to them. I'll Push, You Steer: The Definitive Guide to Stumbling Through Life With Blinders On, contains stories about their struggles (they call them speed bumps) and how they manage to deal with them by maintaining a sense of humor and a positive attitude. "People get into a rut and let their minds get stuck on worry and doubt," Del Boccio said.

The authors teach a simple technique in the book and at live events on how to get out of your rut and into your new groove. "We share a lot of ourselves and our personal stories in the book and presentations. I both laugh and cry when I read the book, and I wrote half of it," Tesh explained. The authors are available for speaking engagements. They are spontaneous; every event is different. They can be outrageously funny one minute, tearful the next, but always trying to help their audience move toward a brighter place. Exploring the comical depths of death, these stories from funeral directors, embalmers, limo drivers, and others show us that death can be just as humorous as other phases of life. Readers will also find quaint quotes about death by Robin Williams, Woody Allen, George Burns, Dennis Miller, and Groucho Marx, as well as hilarious headstone epitaphs from graveyards in different parts of the world. For those who have trouble dealing with death, one comedian offers the following thought to ponder: "We enter the world crying, isn't it only fitting to leave it laughing?"

Edmund Gwenn, the famous actor, observed 'Dying is easy. Comedy is difficult.' Well, any comic will tell you comedy about dying is really hard. But necessary. For what greater triumph of the human spirit exists than to defiantly mock the grinning reaper, specter of our darkest fears? 'Hey Death-is that a sickle in your hand or are you just glad to see me?'

That passage from the book's Foreword by Anita Wise, stand up comedian/writer who has appeared on the "TONIGHT SHOW" & "SEINFELD," sets the stage by capturing the morbidly amusing essence of the succeeding pages. THE DEFINITIVE GUIDE TO UNDERGROUND HUMOR features: quaint quotes about death from such people as ROBIN WILLIAMS, WOODY ALLEN, DENNIS MILLER & ANITA WISE; funny funeral home stories from funeral directors, embalmers & others in the funeral service industry; hilarious

A deeply textured and compelling biography of comedy giant Mel Brooks, covering his rags-to-riches life and triumphant career in television, films, and theater, from Patrick McGilligan, the acclaimed author of *Young Orson: The Years of Luck and Genius on the Path to Citizen Kane* and *Alfred*

Hitchcock: A Life in Darkness and Light. Oscar, Emmy, Tony, and Grammy award-winner Mel Brooks was behind (and sometimes in front the camera too) of some of the most influential comedy hits of our time, including *The 2,000 Year Old Man*, *Get Smart*, *The Producers*, *Blazing Saddles*, and *Young Frankenstein*. But before this actor, writer, director, comedian, and composer entertained the world, his first audience was his family. The fourth and last child of Max and Kitty Kaminsky, Mel Brooks was born on his family's kitchen table in Brooklyn, New York, in 1926, and was not quite three-years-old when his father died of tuberculosis. Growing up in a household too poor to own a radio, Mel was short and homely, a mischievous child whose birth role was to make the family laugh. Beyond boyhood, after transforming himself into Mel Brooks, the laughs that came easily inside the Kaminsky family proved more elusive. His lifelong crusade to transform himself into a brand name of popular humor is at the center of master biographer Patrick McGilligan's *Funny Man*. In this exhaustively researched and wonderfully novelistic look at Brooks' personal and professional life, McGilligan lays bare the strengths and drawbacks that shaped Brooks' psychology, his willpower, his persona, and his comedy. McGilligan insightfully navigates the epic ride that has been the famous funnyman's life story, from Brooks's childhood in Williamsburg tenements

and breakthrough in early television--working alongside Sid Caesar and Carl Reiner--to Hollywood and Broadway peaks (and valleys). His book offers a meditation on the Jewish immigrant culture that influenced Brooks, snapshots of the golden age of comedy, behind the scenes revelations about the celebrated shows and films, and a telling look at the four-decade romantic partnership with actress Anne Bancroft that superseded Brooks' troubled first marriage. Engrossing, nuanced and ultimately poignant, *Funny Man* delivers a great man's unforgettable life story and an anatomy of the American dream of success. *Funny Man* includes a 16-page black-and-white photo insert.

century of American comedy and the geniuses who created and performed it-melding biography, American history, and a lotta laughs into an exuberant, important book. Each of the six chapters focuses a different style or archetype of comedy, from the slapstick pratfalls of Buster Keaton and Lucille Ball through the wiseguy put-downs of Groucho Marx and Larry David, to the incendiary bombshells of Mae West and Richard Pryor . And at every turn the significance of these comedians-smashing social boundaries, challenging the definition of good taste, speaking the truth to the powerful-is vividly tangible. MAKE 'EM LAUGH is more than a compendium of American comic genius; it is a window onto the way comedy both reflects the world and changes it-one laugh at a time. Starting from the groundbreaking PBS series, the authors have gone deeper into the works and lives of America's great comic artists, with biographical portraits, archival materials, cultural overviews, and rare photos. Brilliantly illustrated, with insights (and jokes) from comedians, writers and producers, along with film, radio, television, and theater historians, MAKE 'EM LAUGH is an indispensable, definitive book about comedy in America.

A sex guide for all living things and a hilarious natural history in the form of letters to and answers from the preeminent sexpert in all creation. Dr. Tatiana's Sex Advice to All Creation is a unique guidebook to sex. It reveals, for example, when necrophilia is acceptable and who should commit bestiality with whom. It discloses the best time to have a sex change, how to have a virgin birth, and when to eat your lover. It also advises on more mundane matters -- such as male pregnancy and the joys of a detachable penis. Entertaining, funny, and marvelously illuminating, the book comprises letters from all creatures worried about their bizarre sex lives to the wise Dr. Tatiana (a.k.a. Olivia Judson), the only sex columnist in creation with a prodigious knowledge of evolutionary biology. Fusing natural history with advice to the lovelorn, blending wit and rigor, she is able to reassure her anxious correspondents that although the acts they describe might sound appalling and unnatural, they are all perfectly normal -- so long as you are not a human. In the process, she explains the science behind it all, from Darwin's theory of sexual selection to why sexual reproduction exists at all. Applying human standards to the natural world, in the end she reveals the wonders of both. "Delightful . . . Easy to understand and hard to resist, it's sex education at its prime -- accurate, comprehensive, and hilarious." -- Newsweek
