"The contribution made by the Edmonton libraries to the sanity and support of the citizens cannot be estimated. No Annual Report can gauge things of this sort." -Annual Report of the Edmonton Public Library, 1931 The Edmonton Public Library turns 100 in 2013! Novelist, journalist, and Edmontonian Todd Babiak tells the story of EPL's birth and coming of age within the bustling narrative of the growth of city and province. Rich with anecdotes and historical photos, records of personal conversations, and tales of expeditions to branch libraries, *Just Getting Started* immerses readers in a personal journey to the heart of culture in one of Canada's biggest cities. Babiak's history is one-of-a-kind; it reads like a novel, mirroring the institution it commemorates. Edmontonians, librarians, politicians, and historians may glimpse themselves within these pages; all will see how vital a successful public library is to reflecting the needs and aims of a diverse population.

"It's been six months, and I STILL can't get my English language learners to participate in class!" "How can I help my newcomers feel more comfortable around other students?" "Am I doing enough to help my English language learners succeed?" Have you had these thoughts? Take heart, you are not alone. As schools and districts swell with growing numbers of English language learners, and as administrators and teachers wrestle with federal guidelines for educating these students, many educators are faced with these same challenges and much more. To meet these challenges, it is imperative for educators to learn about and use the theories and teaching strategies that will help English language learners succeed in the classroom. In *Getting Started with English Language Learners: How Educators Can Meet the Challenge*, Judie Haynes provides a practical resource to help educators who are new to the field of English as a Second Language understand the needs of English language learners. From learning how students acquire a second language to differentiating instruction to exploring practical strategies for teaching newcomers, this book will help educators learn how to create effective learning environments for English language learners. Real-life scenarios from actual classrooms are presented throughout the book. The book also includes a brief overview of different types of ESL programs used in the United States and a helpful glossary of common ESL terminology. New teachers, veteran educators working with English language learners for the first time, and administrators can all use this book to increase their knowledge, improve their practice, and, most importantly, effectively educate and inspire English language learners.

Even beginner gardeners can select plants to create a stunning garden as unique as the Carolinas - with expert help to ensure success! Carolinas Getting Started Garden Guide is a plant selection guide, perfect for when you're choosing plants and starting a garden in a climate that can be as challenging as it is beautiful. Choose the right plants and care for them properly with help from an expert. Toby Bost, one of the area's most highly respected and experienced gardeners, shares his deep knowledge of the region, gardens, and plants in a lively, upbeat style. The author's top picks for plants that will thrive in (or in spite of) the Carolina's heat, humidity, coastal conditions, clay and sandy loam soils, and other unique growing conditions guarantee success for the area gardeners and home landscapers. Plants are divided into easy-to-browse chapters, including Annuals, Bulbs, Groundcovers, Ornamental Grasses, Perennials, Shrubs, Trees, Lawns, and Vines. Each plant is highlighted in its respective chapter with a large full-color photograph and tips on how, when, and where to plant. Carolinas Getting Started Garden Guide doesn't stop at plant selection. Methods for preparing soil, watering, fertilizer application, and pest management are also covered in detail. Along with the "nitty-gritty" of tending your garden, Toby shares his inspiration for garden design, offers ways to incorporate your plants into the landscape, and names some favorite cultivars or species. His sound, practical advice is clothed in beautiful descriptions of each plant that will inspire you to get your hands dirty!
