Nothing provided

'This is a fantastic book which provides creative and practical suggestions of how to engage all children in writing' - Sarah Martin-Denham, Senior Lecturer in Primary Education, University of Sunderland This book is a practical guide designed to stimulate story writing in the early years and primary classroom. It offers a collection of novel and effective Ideas which can be used by educators to energise, excite and motivate children to willingly write stories across the 3-11 age phase. Each chapter offers creative and innovative Ideas to get children writing stories, including: - how to help children 'see the point' of story writing - how speaking and listening, reading and phonics can be utilised to enhance written stories - how technology can facilitate refreshing story writing - how story writing can be physically interactive. By combining theory with practice, this book is ideal for those training to teach the 3 to 11 age range, those beginning their teaching career, and those who are established in their professional role. Simon Brownhill is Senior Teaching Associate at the University of Cambridge.

Includes more than twelve thousand holidays, holy days, national and ethnic celebrations, astronomical phenomena, festivals, fairs, anniversaries, and other events from around the world.

This abridgment of the Prices' acclaimed 1988 critical edition is based on Stedman's original, handwritten manuscript, which offers a portrait at considerable variance with the 1796 classic. The unexpurgated text, presented here with extensive notes and commentary, constitutes one of the richest and most evocative accounts ever written of colonial life—and one of the strongest indictments ever to appear against New World slavery.

CLASSIC EARLY HORROR IN THE STYLE OF MR JAMES BY A FRIEND AND COLLEAGUE "The Stoneground Ghost Tales" are an atmospheric collection of unsettling supernatural stories, first published in 1912 by E.G. Swain who had been chaplain of King's College, Cambridge, and was a colleague and friend of M.R. James. These charmingly ghoulish tales, written by Swain as a tribute to his friend, have been favourites of ghost story fans for many years. The nine tales, each narrated in the Jamesian manner, are, however, rather milder in tone and regularly incorporate a playful humour not often found in James' work. The stories

are set in and around Stanground, on the edge of the Fens, where Swain was vicar for many years and recount the adventures of the genial, ghost-hunting rector Rev. Roland Batchel. Who is the alluring young woman that appears, tearfully pleading, in Mr Batchel's study - only to disappear the very next minute, with no clue as to her purpose? Why is a previously unblemished photograph now displaying a man "with an indescribably horrible, suffering face"? Is it possible that a mirror could have "the power of retaining indefinitely the light which fell upon it"? And if so, what horrors might one see? And what might be the bloody repercussions of ignoring the warning, "MOVE NOT THIS STAKE" even after 200 years? The answers to these and more eerie mysteries are to be found in Oleander's reprint of this classic horror text, "The Stoneground Ghost Tales" which, having been out of print for many years, are now available once more. OTHER RARE, CLASSIC HORROR LITERATURE FROM OLEANDER RANDALLS ROUND by Eleanor Scott (Cut & Paste 9780900891953 to search) THE HOLE OF THE PIT by Adrian Ross (Cut & Paste 9780900891861 to search) TEDIOUS BRIEF TALES OF GRANTA AND GRAMARYE by INGULPHUS (Cut & Paste 9780906672860 to search)

The noted naturalist sheds new light on humankind's fascination with the approaching millennium, offering a collection of scientific and historical essays on the millennium and its significance

Let this guide show you why the Outer Banks is one of the most unique and interesting places in the U.S. to visit. The Outer Banks preserves history and traditions lost to more urban areas of the eastern U.S. Whether it's wild Banker ponies, historic Kitty Hawk, or hidden beaches that visitors would otherwise never find, author Renee Wright leads you to her Wright Choices."

Finally, the world's greatest writer receives the scholarly Delphi treatment. This incredible eBook offers every Shakespearean play, poem, apocryphal work and much, much more! Now you can truly own all of Shakespeare's works and a wealth of BONUS material on your eReader, and all in ONE well-organised file. (Version 6) \* concise introductions to the plays and other works \* images of how the plays first appeared in print, giving your eReader a taste of the Elizabethan texts \* ALL 38 plays and each with their own contents table – navigate easily between acts and scenes – find that special quotation quickly! \* even includes 17 apocryphal plays available nowhere else \* contains a special LOST PLAYS section, with concise information on Shakespeare's lost works \* includes the special bonus play of DOUBLE FALSEHOOD \* ALL the sonnets and other poetry, with excellent formatting, in their own special contents table – find that special sonnet quickly and easily! \* packed full of hundreds of beautiful images relating to Shakespeare's life, locations and works \* EVEN includes a special SOURCES section – spend hours discovering rare medieval texts that shaped Shakespeare's greatest works. \* INCLUDES no less than 5 biographies – explore the bard's mysterious life from multiple sources across history \* the SPECIAL literary criticism section boasts 11 works by writers as varied as Samuel Johnson, Coleridge, Pope, Bernard Shaw and Tolstoy \* scholarly ordering of texts into chronological order and literary

genres \* includes a special 'Glossary of Elizabethan Language', which will aid your comprehension of difficult words and phrases \* UPDATED with line numbers to all 38 plays, in response to customers' requests \* UPDATED with a special Quotations section, with hundreds of famous quotations from the plays and poetry This eBook is quite simply stunning and deserves a place in the digital library of all lovers of literature. Christ's instruction to his disciples was to witness to others about his plan of salvation. This may be relatively easy when it involves our contemporaries and peers. But when we are working with people from a different cultural background or belief system, it can be difficult or seemingly impossible. In *Worldviews and Christian Education*, editors W. A. Shipton, E. Coetzee, and R. Takeuchi have brought together works by experts in cross-cultural religious education. The authors and editors have a wealth of personal experience in presenting the gospel to individuals with various worldviews that differ greatly from those held by Christians who take the Bible as authoritative. They focus on the beliefs and issues associated with witnessing to seekers for truth coming from backgrounds as diverse as animism, Buddhism, Confucianism, Hinduism, Islam, Marxism, Taoism, and postmodernism. The emphasis is on educational settings, but the sensitivities highlighted and lessons learned are applicable to situations outside this area. Leaders, pastors, teachers, and laypersons will find valuable conceptual models, practical ideas, and bibliographic references presented here. *Worldviews and Christian Education* challenges all readers to be faithful to the biblical worldview and to approach everyone with sensitivity, so that, like the apostle Paul, they may reach some.

Hugh Lenox Scott, who would one day serve as chief of staff of the U.S. Army, spent a portion of his early career at Fort Sill, in Indian and, later, Oklahoma Territory. There, from 1891 to 1897, he commanded Troop L, 7th Cavalry, an all-Indian unit. From members of this unit, in particular a Kiowa soldier named Iseeo, Scott collected three volumes of information on American Indian life and culture—a body of ethnographic material conveyed through Plains Indian Sign Language (in which Scott was highly accomplished) and recorded in handwritten English. This remarkable resource—the largest of its kind before the late twentieth century—appears here in full for the first time, put into context by noted scholar William C. Meadows. The Scott ledgers contain an array of historical, linguistic, and ethnographic data—a wealth of primary-source material on Southern Plains Indian people. Meadows describes Plains Indian Sign Language, its origins and history, and its significance to anthropologists. He also sketches the lives of Scott and Iseeo, explaining how they met, how Scott learned the language, and how their working relationship developed and served them both. The ledgers, which follow, recount a variety of specific Plains Indian customs, from naming practices to eagle catching. Scott also recorded his informants' explanations of the signs, as well as a multitude of myths and stories. On his fellow officers' indifference to the sign language, Lieutenant Scott remarked: "I have often marveled at this apathy concerning such a valuable instrument, by which communication could be held with every tribe on the plains of the buffalo, using only one language." Here, with extensive background information, Meadows's incisive analysis, and the complete contents of Scott's Fort Sill ledgers, this "valuable instrument" is finally and fully accessible to scholars and general readers interested in the history and culture of Plains Indians.

How can you appreciate Shakespeare when you have no idea what he's saying?! If you've ever sat down with the Bard and found yourself scratching your head at words like Quondam, Younker, or Ebon then this bundled book is just for you! Inside you will find a comprehensive study guide, a biography about the life and times of Shakespeare, and a modern retelling (along with the original text) of Shakespeare's Macbeth. Each section of this book may also be purchased individually.

'Miss Fancy Day; as neat a little figure of fun as ever I see, and just husband-high.' In the small Wessex village of Mellstock, the pretty young schoolmistress Fancy Day finds herself romantically entangled with three different men. Local lad and choir member Dick Dewy has to compete for her affections with a prosperous farmer and the new vicar, the Reverend Maybold. Maybold disrupts parish life and custom when he decidesto replace the three generations of singers and instrumentalists who make up the church choir with a modern organ, to be played by Fancy herself. The rivalries and intrigues that follow are played out with gentlehumour against an untouched rural scene that will not long survive. Looking back to the 1840s, and the world Hardy remembered as a child, Under the Greenwood Tree brings past and present,

community and individual, loss and gain into perspective. This new edition combines a critically established text with an introduction and notes that illuminate one of Hardy's best-loved novels.

### Concise English Dictionary

Have you ever thought of Shakespeare as a fast-paced, action-filled, page-turning...novel?! Shakespeare plays on stage make for fantastic theatrics! But when you read it as a book...some of its glory can be lost. This novelization of Macbeth uses a more modern language and narration to capture the story as a novel. The story of Macbeth tells the tragedy of a Scottish general who is told by witches that one day he will be king. Macbeth, urged by both his wife and his own selfish ambition, murders the king and takes the throne. The real story takes off once Macbeth is king and civil war erupts. This book is part of an expanding series that retells Shakespeare into fiction.

¾–Josephine Waggoner's writings offer a unique perspective on the Lakota. Witness will become a widely referenced primary source. Emily Levine has meticulously examined all known collections of Waggoner's manuscripts, sometimes comparing handwritten drafts with multiple typed copies to preserve information in full. Levine's extensive notes are well chosen and informative. Witness will interest both specialist and popular audiences."ãRaymond DeMallie, Chancellorsê Professor of Anthropology and American Indian Studies at Indiana University¾ During the 1920s and 1930s, Josephine Waggoner (1871\_1943), a Lakota woman who had been educated at Hampton Normal and Agricultural Institute in Virginia, grew increasingly concerned that the history and culture of her people were being lost as elders died without passing along their knowledge. A skilled writer, Waggoner set out to record the lifeways of her people and correct much of the misinformation about them spread by white writers, journalists, and scholars of the day. To accomplish this task, she traveled to several Lakota and Dakota reservations to interview chiefs, elders, traditional tribal historians, and other tribal members, including women.¾¾ Published for the first time and augmented by extensive annotations, Witness offers a rare participant's perspective on nineteenth- and early twentieth-century Lakota and Dakota life. The first of Waggoner's two manuscripts presented here includes extraordinary firsthand and as-told-to historical stories by tribal members, such as accounts of life in the Powder River camps and at the agencies in the 1870s, the experiences of a mixed-blood Hï?kpa? a girl at the first off-reservation boarding school, and descriptions of traditional beliefs. The second manuscript consists of Waggoner's sixty biographies of Lakota and Dakota chiefs and headmen based on eyewitness accounts and interviews with the men themselves. Together these singular manuscripts provide new and extensive information on the history, culture, and experiences of the Lakota and Dakota peoples.

MUSIC OF THE PEOPLES OF THE WORLD, THIRD EDITION, takes a survey approach to world music, covering 11 music cultures. This text focuses on how to listen to and appreciate the music of different cultures, appropriate for students who are not music majors. The text also explores geography and history, allowing students to connect the music to its social context. Listening skills are developed through spotlights on non-Western instruments, and 30 listening guides track the audio step by step, pointing

listeners to important characteristics of the piece. Many full-color photos and graphics of instruments, musicians, and cultural events help students understand the context of music in countries with which they may be unfamiliar. The listening guides, an available 2-CD set (with full selections that help students hear significant differences among the music cultures), and Active Listening Tools (allowing students to view instruments and cultural settings while they listen to musical excerpts) further enhance listening and understanding. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The fierce bands of Comanche Indians, on the testimony of their contemporaries, both red and white, numbered some of the most splendid horsemen the world has ever produced. Often the terror of other tribes, who, on finding a Comanche footprint in the Western plains country, would turn and go in the other direction, they were indeed the Lords of the South Plains. For more than a century and a half, since they had first moved into the Southwest from the north, the Comanches raided and pillaged and repelled all efforts to encroach on their hunting grounds. They decimated the pueblo of Pecos, within thirty miles of Santa Fé. The Spanish frontier settlements of New Mexico were happy enough to let the raiding Comanches pass without hindrance to carry their terrorizing forays into Old Mexico, a thousand miles down to Durango. The Comanches fought the Texans, made off with their cattle, burned their homes, and effectively made their own lands unsafe for the white settlers. They fought and defeated at one time or another the Utes, Pawnees, Osages, Tonkawas, Apaches, and Navahos. These were "The People," the spartans of the prairies, the once mighty force of Comanches, a surprising number of whom survive today. More than twenty-five hundred live in the midst of an alien culture which has grown up about them. This book is the story of that tribe—the great traditions of the warfare, life, and institutions of another century which are today vivid memories among its elders. Despite their prolonged resistance, the Comanches, too, had to "come in." On a sultry summer day in June, 1875, a small band of starving tribesmen straggled in to Fort Sill, near the Wichita Mountains in what is now the southwestern part of the state of Oklahoma. There they surrendered to the military authorities. So ended the reign of the Comanches on the Southwestern frontier. Their horses had been captured and destroyed; the buffalo were gone; most of their tipis had been burned. They had held out to the end, but the time had now come for them to submit to the United States government demands.

Race, Ethnicity, and Leisure: Perspectives on Research, Theory, and Practice provides an overview of the current theories and practices related to minority leisure and reviews numerous issues related to these diverse groups' leisure, including needs and motivations, constraints, and discrimination. World-renowned researchers synthesize research on race and ethnicity, explain how demographics will affect leisure behavior in the 21st century, and explain the leisure behavior of minorities.

This is a new release of the original 1935 edition.

Gloucestermas is the culmination of Jonathan Bayliss's masterwork, GLOUCESTERMAN, a tetralogy reviewers have compared to the fiction of Sterne, Melville, Joyce, Broch, and Musil. Like Gloucesterbook and Gloucestertide, this richly detailed, playful, and expansive novel is centered on the Atlantic Coast's seaport "Dogtown" on "Cape Gloucester." Rafe Opsimath and Caleb Karcist

## Online Library Ghost Dance 2013 Calendar

are now older, with new practical, social, and intellectual preoccupations in 1980s Dogtown. Woven into the narrative are the Cape Gloucester and Isle of Man of the 1920s, Dogtown legends and municipal affairs, the fate of the schooner Gloucesterman, and a Court of Love. Expanding the network of friends, spouses, and lovers, new central characters are intertwined in the sprawling web of ideas, history, geography, responsibility, experience, conversation, and love that make GLOUCESTERMAN unique in the world of literature. Gloucestermas may be enjoyed independently or alongside the previous novels in the GLOUCESTERMAN series, headed by Prologos and including Gloucesterbook and Gloucestertide.

Looks at the major Chinese festivals and their origins, rituals, and significance.

Read the secrets Linda shared with the Today Show, the Doctors, on the cover of Woman's World Magazine, the Huffington Post, and Prevention Magazine. Inside this book, she will give you the step-by-step tools that allowed her to lose 155 pounds with sanity instead of starvation.

3,800+ Holidays, Promotions, Events for 2014 in the United States, United Kingdom, Canadian, Australian and Chinese Markets. The 2014 LEEP features over 3,800 dates in over 53 categories arranged alphabetically (with source URLs), chronologically and by length. This calendar of holidays and events for 2014 includes National, Promotional, Industry and International Events, Federal Holidays, Major Sporting Events and industry specific promotions. The LEEP Calendar is the invaluable time-saving, idea generating, revenue building business reference tool that provides exceptional marketers, publishers and journalists a quantifiable critical advantage over the competition. Winner, Oscar G. Brockett Book Prize in Dance Research, 2014 Honorable Mention, Sally Banes Publication Prize, American Society for Theatre Research, 2014 de la Torre Bueno® Special Citation, Society of Dance History Scholars, 2013 From Christopher Columbus to "first anthropologist" Friar Bernardino de Sahagún, fifteenth- and sixteenth-century explorers, conquistadors, clerics, scientists, and travelers wrote about the "Indian" dances they encountered throughout the New World. This was especially true of Spanish missionaries who intensively studied and documented native dances in an attempt to identify and eradicate the "idolatrous" behaviors of the Aztec, the largest indigenous empire in Mesoamerica at the time of its European discovery. Dancing the New World traces the transformation of the Aztec empire into a Spanish colony through written and visual representations of dance in colonial discourse—the vast constellation of chronicles, histories, letters, and travel books by Europeans in and about the New World. Scolieri analyzes how the chroniclers used the Indian dancing body to represent their own experiences of wonder and terror in the New World, as well as to justify, lament, and/or deny their role in its political, spiritual, and physical conquest. He also reveals that Spaniards and Aztecs shared an understanding that dance played an important role in the

formation, maintenance, and representation of imperial power, and describes how Spaniards compelled Indians to perform dances that dramatized their own conquest, thereby transforming them into colonial subjects. Scolieri's pathfinding analysis of the vast colonial "dance archive" conclusively demonstrates that dance played a crucial role in one of the defining moments in modern history—the European colonization of the Americas.

As a system of thought that values human needs and experiences over supernatural concerns, humanism has gained greater attention amid the rapidly shifting demographics of religious communities. This outlook has taken on global dimensions, with activists, artists, and thinkers forming a humanistic response not only to religion, but to the pressing social and political issues of the 21st century. The Oxford Handbook of Humanism aims to explore the subject by analyzing its history, its philosophical development, and its influence on culture. It will also discuss humanism as a global phenomenon—an approach that has often been neglected in more Western-focused works.

The Encyclopedia of Caribbean Religions is the definitive reference for Caribbean religious phenomena from a Caribbean perspective. Generously illustrated, this landmark project combines the breadth of a comparative approach to religion with the depth of understanding of Caribbean spirituality as an ever-changing and varied historical phenomenon. Organized alphabetically, entries examine how Caribbean religious experiences have been shaped by and have responded to the processes of colonialism and the challenges of the postcolonial world. Systematically organized by theme and area, the encyclopedia considers religious traditions such as Vodou, Rastafari, Sunni Islam, Sanatan Dharma, Judaism, and the Roman Catholic and Seventh-day Adventist churches. Detailed subentries present topics such as religious rituals, beliefs, practices, specific historical developments, geographical differences, and gender roles within major traditions. Also included are entries that address the religious dimensions of geographical territories that make up the Caribbean. Representing the culmination of more than a decade of work by the associates of the Caribbean Religions Project, The Encyclopedia of Caribbean Religions will foster a greater understanding of the role of religion in Caribbean life and society, in the Caribbean diaspora, and in wider national and transnational spaces.

First Published in 1998. Routledge is an imprint of Taylor & Francis, an informa company.

For the first time in publishing history, Delphi Classics is proud to present the complete works of L. M. Montgomery, featuring beautiful illustrations, informative introductions and the usual Delphi bonus material. Famed for her Anne of Green Gables stories, L. M. As described in the Bible, Adam is the biological father of all humanity. In Adam, author Dr. R. C. Besteder studies the behavior of this first human being on earth, created by God as a perfect being. Besteder provides a comprehensive look into his life, the ways that his creation relates to modern society, and the messages his life communicates for humans today. This study bridges a gap between nations and religions through Adam and shows how his existence touches every aspect of our lives. Through biblical references and Scripture, Besteder uses the life of Adam as a basis of education for topics relevant for contemporary living, such as racism, marriage, sexuality, faith, and capital punishment. Besteder shows how our knowledge of Adam gives every individual dignity, significance, and purpose. It helps us to understand why each of us has tremendous potential, and it gives us hope, a desire to take care of our planet, and a reason to be at peace with all the people of our world.

Experience the magic, excitement, and happiness that surround holidays and cultural celebrations. Geared toward engaging students in grades K-2, The Big Book of Holidays and Cultural Celebrations is filled with hands-on activities, fun facts, puzzles, crafts, and brainteasers that make learning about holidays fun and easy. Each activity in this resource can be used in the classroom or at home.
