Remember the story of Goldilocks and the Three Bears, the one where a little girl enters a bear family's home and eats their porridge? That family lived in the woods, where most bear families live. But have you ever wondered what would happen if the bear family lived in a big city, a really big city like New York? Author Elizabeth Massaro answers that question in her book, Goldilocks and the Three Bears in the Big City. Papa Bear, Mama Bear, and Baby Bear live in the big city. There's a Goldilocks in this story, too. She's Papa Bear's mean boss, and she has no problem helping herself to what others have. Accompanied by E. C.
