The Common Admission Test (CAT) exam is conducted by one of the IIMs on a rotational basis. This year, IIM Indore is expected to conduct CAT exam and is a gateway to India's top MBA institutes, the IIMs and over 1200 other business schools. About 2.4 lakh candidates register for the CAT exam every year. The advantage of CAT Exam is that the candidates appearing for the exam can use their score to get into several other colleges apart from IIMs. Colleges in around 23 states in India accept CAT Score and admit students based on merit

“Twenty-twenty hindsight” means perfect understanding of events only after they have happened. In his book, Mosiuoa Sekese looks back on his life in the old and new South Africa and gives his own perceptive interpretation of the past events. Sekese suffered discrimination and prejudice under the old apartheid government as well as the new, democratic regime. His story is highly personal, but provides the reader with unique insights into the social and educational challenges that South Africa continues to grapple with. “I had a quick read and I find the content heartbreaking but fascinating. Especially as a white South African you are drawing me into a world that I always knew existed, but which few people have the guts and conviction to paint into words.” – Louise Heystek-Emerton: CEO Wordwise/Khuluma Awethu
