

## Grade 1 Evan Moor Workbook

Make sure your students develop the rich vocabulary that's essential to successful reading comprehension and academic achievement with A Word a Day. Each book in this newly revised series covers 144 words in 36 engaging weekly units. Don't have students just memorize vocabulary words ... give them the tools they need to understand and apply the words! Help your students learn 144 new words with the focused daily practice in A Word a Day, Grade 1. Activities such as identifying attributes, making personal connections, choosing the right word in context, and answering true or false questions give students multiple exposures to the words, helping them to develop the vocabulary they need to be successful on assessments and in the classroom. Examples of vocabulary words presented in Grade 1: \* popular, thoughtful, appreciate \* befuddle, pantomime, react \* aim, discuss, explore \* handy, giggle, jealous

Contains 30 spelling units with lists from commonly used, commonly misspelled English words and words with common phonetic or structural elements, sentences for dictation, and student practice pages for each unit.

Engage children in solving real-world problems with Skill Sharpeners: STEAM. STEAM is an approach to project-based learning that uses science, technology, engineering, art, and mathematics to engage children in empathizing, thinking critically, collaborating, and coming up with solutions to solve real-world problems. Skill Sharpeners: STEAM is where creativity meets academics. Each unit includes a fun hands-on STEAM project that encourages children to enjoy the journey of creating and sharing his or her solution to help create a better world. Skill Sharpeners: STEAM activity books for grade 1 are organized around 9 real-world topics related to the environment, the Earth, people and cultures, and social and emotional learning. Topics include themes such as: Trash STEAM task: Design and make a machine that will gather litter and help clean the community. Playground STEAM task: Make a model of inclusive playground equipment. Clean Water STEAM task: Create a water collector that filters water. Butterflies STEAM task: Make a butterfly feeder that attracts butterflies to a garden. Recess STEAM task: Make a game that uses music and movement. Each unit includes a grade-appropriate story or nonfiction reading article, a STEAM task to solve, and activities that provide an integrated approach to learning: Science: important concepts and vocabulary related to the unit's theme Technology: models about how technology is applied in the real world Engineering: examples of engineering solutions in the world Art: creative solutions through art projects Math: math operations to figure out solutions Plus, each title includes a: Career spotlight that highlights specific careers related to the topic Supply list for each STEAM task Bonus STEAM puzzle Certificate of completion Parent guide with teaching tips Answer key Skill Sharpeners: STEAM creates entertaining and fun activities that get children thinking and learning without even realizing it. Every Skill Sharpeners workbook now includes a free downloadable Teaching Guide! Skill Sharpeners: STEAM Teaching Guides include: How to Use directions for approaching STEAM education Sample pacing guide to complete lessons and activities Teaching suggestions with STEAM rubric and graphic organizers Extension activities that include literature suggestions, virtual field trips, and discussion guides to deepen children's connections and understanding
